Notice

Is hereby given, that sealed tenders will be received at this Office on Thursday the 6th proximo, precisely at 2 o'clock P. M. (any delivered after that hour will be rejected), from such persons as are desirous of entering into a contract for supplying Europe Cloths to this Department, for the term of one year from the date of acceptance of the tender.

All persons desirous of tendering for the contract may, on application at this office, from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain a list of the articles, and such other information relating thereto as they may require.

The tenders must specify, both in words and figures, the rates per cent. above or below the prices in the list above adverted to at which they will

undertake to furnish the articles therein embraced, of unexceptionable quality, according to musters which may be seen in this office, and delivered to the indenting departments in good condition, free of all further expenses, in such number or quantity as may from time to time be demanded, and that the same will be liable to examination and rejection by a committee of officers, appointed on the part of Government.

The party or parties whose tender may be accepted will be required to sign and seal a contract, stipulating to the above effect, and that he or they will comply immediately with all emergent demands for the articles included in the above-mentioned list, and will meet other demands of less urgency within the periods stated in the requisitions made upon him or them; in failure whereof, or if the supply be condemned by a committee of officers, as aforesaid, the articles of Europe Cloths, or such others as may be required in lieu thereof, shall be purchased by this department without reservation, at his or their risk and cost; and in all such cases an advance of Rupees (30) thirty per cent. upon the amount of expenses incurred, or a fine of Rupees (50) fifty, at the option of the Executive Officer, will be levied as liquidated damages for each and every such breach of contract, as often as the same may occur, also the contract may in all such cases be put an end to on the part of the East India Company.

No Tenders for the contract in question will be received unless accompanied by a cash deposit of Rupees (247) two hundred and forty-seven, which will be forfeited in the event of delay, evasion, or refusal to execute the necessary deed of contract. Should any tender be accepted, the tenderer must be prepared to give unexceptionable

bonded security, to the extent of Rupees (988) nine hundred and eighty-eight, to be held by Government for the due fulfilment of his contract.

It is to be distinctly understood, that bills for the quantities of the articles included in the above-mentioned list supplied shall be preferred within or before the expiration of one month from the date of the delivery of the articles, in default of which the contractor shall be liable to forfeit the full value or amount of the supplies for which bills have not been so preferred, unless it shall clearly appear that the delay was unavoidable.

The amount of retrenchments made by the Military Board from the contractor's bills will be recovered from the first bills presented for payment by the contractor, but in the event of such retrenchments, or any portion thereof, being remitted, the amount, or so much of the amount as shall be so remitted, will then be refunded to him.

The parties who, after tendering for the contract, fail to furnish the necessary security, will be interdicted from tendering on future occasions, unless they can produce a certificate from individuals of unexceptionable character, binding themselves to stand security for the due performance of the contract.

The annual outlay on the above contract is estimated at Rupees 4,944, or thereabouts.

All further particulars will be communicated on the receipt and opening of the tenders, and no reason will be assigned for the rejection of any tender.

The following Act, passed by the Governor General of India in Council, on the 19th March 1852, is hereby promulgated for general information:

Act. No. XVIII. of 1852.

An Act to amend the Law relating to Pleaders in the Lower Provinces of the Presidency of Bengal.

Whereas the laws in force relating to pleaders, practising in the Courts of the East India Company, in the Lower Provinces of the Presidency of Bengal, require amendment, It is enacted as follows:

I. Clause 4, Section V., Regulation XXVI. of 1814, and Sections VI., VII., VIII., X., XI., XIII., XIV., XV., Clause 3, Section IX., and Clause 6, Section XX. of Regulation XXVII. of 1814, and Section XVIII., Regulation X. of 1829, of the Bengal Code, and Sections X. and XI. of Act I. of 1846, so far as regards the said Courts, and the pleaders therein are hereby repealed.

II. Any pleader practising in the said Courts shall be liable to dismissal on proof of his conviction by a competent Court of a criminal offence, or on proof of a declaration or finding by a competent Court, in a suit or proceeding to which such pleader was a party, that he has knowingly committed a breach of trust, or for fraudulent or dishonest conduct in the discharge of his professional duty.

III. When a competent Court has convicted a pleader of a criminal offence, or has declared or found, in a suit or proceeding to which such pleader was a party, that he has knowingly committed a breach of trust, the Court competent to dismiss such pleader may make an order for his dismissal, on the production of an authenticated copy of the judgment or decision containing such conviction, declaration, or finding; and on proof, to the satisfaction of the Court, that such judgment or decision has not been set aside or reversed, and that the pleader is the party to whom such conviction or decision relates.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
the 19th March 1852.

The following Act, passed by the Governor General of India in Council on the 19th March 1852, is hereby promulgated for general information:

Act No. XIX. of 1852.

An Act for securing the Abkarry Revenue of Madras.

For better securing the Abkarry Revenue of the Town and Suburbs of Madras, It is enacted as follows:

I. Regulation I. of 1813 of the Madras Code, and so much of Clause 159 of an Act of Parliament numbered Chapter LII. of the Statutes passed in the thirty-third year of King George the Third, as relates to the sale of Arrack, or other spirituous liquors, within the Town of Madras, and to the punishment of unlicensed traders in spirits or spirituous liquors within the said Town, are repealed.

II. The collection of the Revenue arising from the retail sale of spirituous or fermented liquors within the Town and Suburbs of Madras, shall be under the charge of the Collector of Madras, who shall perform the duties connected therewith under the control of the Board of Revenue.

III. The Collector may appoint Conicopolies, Pygusts, Jemadars, Peons, and other Officers for collection of the said Revenue, and prevention of smuggling; and the Officers so appointed, besides their

ordinary respective designations, shall be styled "Abkarry Officers."

IV. Every person who shall sell by retail any spirituous or fermented liquors within the Town and Suburbs of Madras, without a licence for that purpose, under the hand and seal of the Collector of Madras, shall be liable to a fine not exceeding five hundred rupees for each sale, but this enactment shall not apply to wholesale dealers selling such small quantities of Beer, Wine, or Spirits, as may appear to the Collector to be intended only as samples.

V. A sale of European Spirits in a less quantity than two and a half gallons old Wine Measure, (i. e. one dozen quart bottles,) and of Arrack or Rum, or any other Spirit manufactured to the eastward of the Cape of Good Hope, in a less quantity than one quart, and of English and Foreign Beer or Wine in a less quantity than six quart bottles, and of Toddy in a less quantity than one quart, shall be deemed a retail sale within the meaning of this Act.

VI. The Board of Revenue shall have authority at all times to regulate the form and provisions of licences to be granted under this Act, and to alter and add to the conditions thereof; and each licence shall distinctly specify the kind or kinds of liquor the holder is authorized to sell, the manner in which and source whence such liquor is to be supplied to him, the excise duty, not exceeding three rupees and eight annas per gallon, which he shall pay upon it, whether it be provided by the Officers of Government or otherwise, or, should a fee upon the licence be substituted for the said excise duty, the amount of such fee. The licence shall further specify the district or place, street or road, and house or shop, in which the sale is to be carried on.

VII. The sale of Arrack or Rum, or other country Spirits, or of Toddy, in quantities larger than those specified for each article in Section V. of this Act, is prohibited; and every person who shall act in breach of this prohibition shall be liable to the fine prescribed in Section XV. for the illicit possession of these articles; but this prohibition does not apply to the sale of spirituous or fermented liquors imported into Madras under passes from the Collector, or other Officer duly empowered in that behalf, and supplied by wholesale to licensed retail dealers, or to the sale of Rum under Bond for exportation by sea, and covered by a certificate to that effect.

VIII. Every person taking out a licence for the retail sale of spirituous or fermented liquors, or intoxicating drugs, under this Act, shall execute a counterpart engagement, in exact conformity with the tenor of such licence.

IX. The Collector may withhold or recall a licence, if any of the conditions upon which the licence is granted be not complied with, or, with the sanction of the Board of Revenue, for any other cause giving fifteen days' notice of such withdrawal; and any person selling by retail any spirituous or fermented liquor within the Town and Suburbs of Madras, whilst such licence is withheld, or after it is recalled, shall be subject to all the penalties provided by this Act for the unlicensed sale of spirituous or fermented liquors.

X. No spirituous liquor manufactured eastward of the Cape of Good Hope shall be removed from the Sea Custom House to any Warehouse, Shop, or private dwelling, or from one Warehouse, Shop, or private dwelling to another, without the Permit of the Collector of Madras, which Permit must accompany all liquors so removed, but persons having paid the Sea Custom Duty shall be entitled to dispose of such liquor by wholesale for exportation beyond the limits of Madras and its Suburbs, such export to be made under permits to be granted by the Collector of Madras at his discretion, and on proof to his satisfaction that the spirits are intended to be exported.

XI. All spirituous liquor manufactured by the European method of distillation shall, when imported into the Town and Suburbs of Madras by land, be placed under the charge of the Collector of Sea Customs, who will have them gauged and tested. The said liquors may be either kept in the custody of the Importer, on his furnishing security for its exportation or sale, under the provisions of Section II. Act XXXII. of 1845, or in the joint custody of the Collector of Sea Customs and the Importer, or it may be deposited in the Sea Custom Warehouse on payment of the usual Warehouse rent. When kept in such joint custody, or deposited in such Warehouse as aforesaid, no security for its exportation or sale shall be required, and the amount and nature of the security required to be furnished when such liquors are kept in the custody of the Importer, shall be fixed by the Governor of Fort St. George in Council, who shall also determine the time to be allowed for its exportation.

XII. It shall not be lawful for the Justices to grant a licence to open or establish, or keep open any Lodging House, Boarding House, Eating House, Punch House, Coffee Room, Tavern, Hotel, or any other House of public entertainment, within their jurisdiction, in which any spirituous or fermented liquor may be sold to any person who has not taken out a licence for the retail sale of such liquor, and any such licence granted by the Justices shall become void whenever the licence for the retail of such liquor granted to such person shall be withheld or recalled by the Collector under this Act. Provided always, that on the representation of the Superintendent of Police to the Collector, that any such house of public entertainment as aforesaid is kept as a disorderly house, or that the keeper thereof is, for any reason, or in consequence of misconduct, (such reason or misconduct to be specially assigned by the Superintendent,) unfit to receive or retain any such licence, then, and in such case, the said Collector shall forthwith revoke any licence already granted by him to such keeper of any such house of public entertainment.

XIII. The Collector, after demand made in writing, may levy any arrears of tax, duty, or fee, due on account of any licence granted under this Act, by distress and sale of the goods and chattels of the person from whom the same is due; provided that no such arrears shall be recoverable after the end of two years next after the same shall have become due, or next after an acknowledgment of the same in writing shall have been given by the person by whom the same is payable.

XIV. A breach of any of the conditions of a licence granted under this Act shall, besides forfeiture of the licence, be punishable by a fine not exceeding Fifty Rupees, and such fine shall be recoverable from the licensed dealer, notwithstanding that such breach may have been owing to the default or carelessness of the servant or other person in charge of the shop or place of sale.

XV. Any person, not being a licensed dealer, having in his possession, and any person carrying within the Town and Suburbs of Madras any greater quantity of spirituous or fermented liquors, (excepting English and Foreign Beer, Wine, and Spirits,) than the quantity specified for each article in Section V., and not being protected by a Pass or Permit from the Collector, or other Officer duly empowered in that behalf, shall be liable to a fine not exceeding Five Hundred Rupees.

XVI. Besides the penalties above specified for the illicit sale, possession, and carrying of spirituous or fermented liquors, all such liquors found in the possession of any offender against this Act shall be seized and confiscated, together with the Vessels, Packages, and Coverings in which such liquors are found, and the animals and conveyances used in carrying them shall also be liable to seizure and confiscation.

XVII. Any Abkarry Officer above the rank of Peon may enter, inspect, and search, at any time, by day or by night, for any of the purposes contemplated in this Act, the house or shop in which any licensed retail dealer shall carry on the sale of spirituous or fermented liquor under this Act.

XVIII. Every person holding a licence for the retail sale of spirituous or fermented liquors, shall keep such licence at the house or shop specified in the licence, and shall show the licence on the demand of any Abkarry Officer who shall desire to see the same; and any licensed dealer, who shall refuse or be unable to produce his licence on demand of any Abkarry Officer, shall be liable to a fine not exceeding Two Hundred Rupees.

XIX. Any Abkarry Officer may stop and detain any person having possession of or carrying in any Public Road, Street, Thoroughfare, or place, or in any open shop, any spirituous or fermented liquors without a Pass, or otherwise liable to confiscation under this Act, and may seize the liquors, with the Vessels, Packages, and Coverings in which the liquors are found, and the animals and conveyances used in carrying them.

XX. If the Collector has good reason to believe, either from information given by any Abkarry Officer, or other person, to be taken down in writing, or from his own knowledge, or from the proceedings in any other case, that any spirituous or fermented liquor, liable to confiscation under this Act, is kept or concealed in any place, the Collector, by warrant under his hand, may empower any Abkarry Officer, above the rank of Jemedar of Peons, between sunrise and sunset, but always in the presence of a Constable or other Officer of the Peace, to enter into every such place where any such liquor is suspected to be kept or concealed, and to seize and carry away such liquor, and in case of resistance, to break open any door, and to force and remove any other obstacle to such entry, search, seizure, or removal, as aforesaid, and to arrest and detain the owner or occupier of the premises, with all parties whom he suspects to be concerned in the unlawful keeping or concealing of such liquor whom he shall find on the premises. Provided that, where there is ground to suspect that such liquor is unlawfully concealed in any apartment of the women, in houses belonging to the classes whose women do not appear in public, the Officer charged with the execution of the Warrant, shall follow, as closely as may be, the rules for the seizure of property so concealed, adopted by the Supreme Court of Judicature at Fort St. George.

XXI. All Constables and other Ministerial Officers of the Peace are required to aid the Abkarry Officers in the due execution of this Act, upon notice given, or request made by any such Abkarry Officer; and any Officer who, without lawful excuses, shall refuse or neglect to assist as aforesaid, on being required to do so, shall be liable to the penalty prescribed by Section XXIX. of this Act for Abkarry Officers conniving at the escape of a person arrested under this Act.

XXII. Whenever an Abkarry Officer, duly authorized under this Act, shall arrest any person, or shall seize any spirituous or fermented liquor, or shall enter any house or shop for the purpose of searching for such illicit liquors, he shall carry the person arrested, with the illicit liquors seized, with all convenient despatch, to the Collector, and shall, within twenty-four hours thereafter, make a full report to the Collector of all the particulars. And the Collector, after such further inquiry as he may deem necessary, shall forthwith either release the person arrested, or send him in custody to the Superintendent of Police, or one of his Deputies.

XXIII. Every person who shall maliciously give false information against any person, for being engaged in the unlicensed sale of spirituous or fermented liquors, or for having in his possession, or carrying, or in respect

of there being in any house or shop, any spirituous or fermented liquors, in contravention of this Act, shall be liable to a fine not exceeding Five Hundred Rupees, or to imprisonment in the Common Gaol, for a period not exceeding six months, or to both.

XXIV. Every person who shall obstruct or molest any Abkarry Officer, or any person acting in aid of such Officer, in the due execution of this Act, shall be liable to a fine not exceeding Five Hundred Rupees, and such person shall be further liable, if any affray or breach of the peace shall happen in consequence of his resistance, on conviction of the same before a competent tribunal, to such punishment as is prescribed by Law for cases of affray and breach of the peace, in addition to the penalty above prescribed for resistance of process.

XXV. Any Abkarry Officer, who shall delay carrying to the Collector any person arrested, or any illicit liquors seized under this Act, or who shall neglect to report the particulars of an arrest, seizure, or search within twenty-four hours thereafter, shall be liable to a fine not exceeding Two Hundred Rupees.

XXVI. Any Abkarry Officer, who shall vexatiously and unnecessarily seize the goods or chattels of any person, on the pretence of seizing or searching for illicit spirituous or fermented liquors, or who shall vexatiously and unnecessarily arrest any person, or commit any other excess not required for the execution of his duty, shall be liable to a fine not exceeding Five Hundred Rupees.

XXVII. The provisions regarding Distilleries and Stills in Sections IV. V. VI. Regulation I. of 1820 of the Madras Code, and Act XXXII. of 1845, shall apply and be in force within the Town and Suburbs of Madras, except that the powers vested in the Criminal Judge by Section IV. Clause 5 and Section VI. Clause 9 Regulation I. of 1820, of the Madras Code; and in the Session Judge and Subordinate Judge of the Zillah, by Sections IV. V. Act XXXII. of 1845, shall be exercised within the limits of the jurisdiction of the Supreme Court by the Superintendent of Police.

XXVIII. It shall be competent to the Governor of Fort Saint George in Council, or to any Officer duly empowered by him in that behalf, to revise, from time to time, the forms of licences to be granted under Section IV. Regulation I. of 1820, of the Madras Code, for the establishment of Distilleries for manufacturing Rum, Arrack, or other Spirits, by process of distillation similar to the European process, and to introduce into such forms of licences such provisions and stipulations as may seem to be advisable, anything in Section II. Act XXXII. of 1845 to the contrary notwithstanding.

XXIX. Any Officer employed in the Abkarry Department, who shall unlawfully release or connive at the escape of any person arrested under this Act, or connive at the sale of spirituous or fermented liquors without a licence, or by any licensed dealer contrary to the terms of such licence, or act in a manner inconsistent with his duty, for the purpose of enabling any person to do anything whereby any of the provisions of this Act may be evaded or broken, or the Abkarry Revenue be defrauded, shall be liable to a fine not exceeding Five Hundred Rupees.

XXX. Any Officer employed in the Abkarry Department, who shall ask or take any gratuity not authorized by any law or order of Government, or of the Board of Revenue, in consideration of doing, or of omitting to do any act in his official capacity, and any person who shall offer a bribe to any such Officer, in order to induce such Officer to act in a manner inconsistent with his duty, shall be liable, for every such offence, to a fine not exceeding Five Hundred Rupees.

XXXI. When any goods or chattels shall be seized by an Abkarry Officer, as liable to confiscation under

this Act, such seizure shall upon information exhibited by order of the Collector, be heard and determined in a summary manner, by the Superintendent of Police, or one of his Deputies, who shall cause the persons to whom such goods and chattels belong to be summoned to appear, and upon their appearance, or default, shall examine into the cause of the seizure thereof, and give judgment; and, if such judgment shall be for confiscation of the goods or chattels seized, shall issue his warrant to the Collector for the sale or disposal thereof, according to such orders as the Collector may receive from the Board of Revenue.

XXXII. Whenever any goods or chattels shall be seized as aforesaid, and within one calendar month, no person shall appear before the Collector to claim the same, the Superintendent of Police, or one of his Deputies, shall examine into the cause of the seizure, at a place and time, of which notice shall have been given by the Collector in the Fort St. George Gazette, and give judgment for the confiscation of such of the goods and chattels as, upon such examination, shall appear to him liable to forfeiture; and upon confiscation thereof, shall issue his warrant for the disposal of them, as if the owner had been summoned to attend before the said Superintendent, or one of his Deputies.

XXXIII. All fines leviable under this Act shall be adjudged by the Superintendent of Police, or one of his Deputies, any of whom, upon information exhibited before him by order of the Collector, shall, within three calendar months next after the act by which the fine was incurred, and not afterwards, summon the parties accused, and upon their appearance, or default, shall examine into the matter, and upon due proof made thereof, by the voluntary confession of the parties, or by the oath, or solemn affirmation, (in cases wherein a solemn affirmation is receivable by law instead of an oath,) of one or more credible witnesses, shall give judgment accordingly; and in default of payment of any fine to which an offender is adjudged, he shall be liable, by warrant of the said Superintendent of Police, or one of his Deputies, to imprisonment in the Common Gaol, for a period not exceeding six months, or until the fine be sooner paid.

XXXIV. Whenever any person shall be convicted of an offence against this Act, after having been previously convicted of a like offence, he shall be liable, in addition to the penalty attached to such offence, to imprisonment in the Common Gaol for a period not exceeding six months, and a like punishment of imprisonment not exceeding six months shall be incurred in addition to the punishment which may be inflicted for a first offence upon every subsequent conviction after the second.

XXXV. One-half of all fines levied from persons convicted of the illicit possession, carrying, or sale, of spirituous or fermented liquors, and of the proceeds from the sale of liquors, vessels, packages, conveyances, stills, and other things confiscated under this Act, shall, upon adjudication of the case, be awarded in such proportion as the Superintendent of Police, or one of his Deputies, adjudicating as aforesaid, may think proper, to the Officer or Officers who apprehended the offender, or seized the illicit liquors or other articles, and the other half shall be given to the informer; and if no fine be realized, the Board of Revenue may grant such reasonable reward, not exceeding the sum of Two Hundred Rupees, as may appear to them fit. Provided that the Board of Revenue may determine, by General Order, what class of Abkarry Officers shall receive rewards, and what classes shall have no title to share therein.

XXXVI. All fines levied under this Act, the disposal of which is not especially provided for, shall belong to Government; but the Officer adjudicating the case may grant any portion thereof, not exceeding one-half, as rewards to informers, or as compensation to parties injured by any proceedings under this Act.

XXXVII. No writ of *Certiorari* shall be issued at the suit of any party out of the Supreme Court of Judicature at Fort St. George, to supersede, stay, remove, or in anywise affect any information or judicial proceeding before the Superintendent of Police, or any of his Deputies, in pursuance of this Act; and no judgment thereupon shall be quashed, except for error of law apparent on the face of the judgment.

XXXVIII. All actions and prosecutions to be instituted against the Collector or any Abkarry Officer, or any person acting in aid of any such Officer, for anything done in pursuance of this Act, shall be tried and determined in the Civil Courts established by the East India Company in the Zillah of Chingleput, notwithstanding that the cause of action in respect of which such action is brought arose, or the defendant therein reside, within the limits of the Town of Madras, and every such action shall be brought within three calendar months after the fact committed, and not afterwards, and notice in writing of such action, and of the cause thereof, shall be given to the defendant, one calendar month at least before the commencement of the action, and no plaintiff shall recover in any such action, if tender of sufficient amends shall have been made before such action brought, or, if after action brought, a sufficient sum of money shall have been paid into Court, with costs, by or on behalf of the defendant.

XXXIX. The Collector, in respect of the duties to be performed by him under this Act, shall have power to punish any contempt committed in his presence in open Cutcherry by the imposition of a fine not exceeding Two Hundred Rupees, commutable, if not paid, to imprisonment in the Common Gaol for a period not exceeding one month. Provided that an appeal from any order passed under this Section shall lie to the Board of Revenue, and the decision of the Board thereon shall be final.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
the 27th March 1852.

The following Act, passed by the Governor General of India in Council on the 27th March 1852, is hereby promulgated for general information:

ACT No. XX. of 1852.

An Act to facilitate the Acquisition of Land needed for Public Purposes in the Presidency of Fort St. George.

I. Whenever it shall appear to the Governor of Fort St. George in Council that any land is needed for a public purpose, he shall make a declaration to

that effect in a minute of Council, and such declaration shall be conclusive evidence that the purpose for which the land is needed is a public purpose.

II. When a declaration has been made by the Governor in Council that any land is needed for a public purpose, if there shall be any hindrance to the immediate acquisition of such land by purchase from the parties interested therein, it shall be competent to the Governor in Council to order the land to be taken possession of on the part of Government, and applied to the purpose for which it is needed, leaving claims for compensation for the land to be determined as hereinafter provided.

III. When such order is passed by the Governor in Council, it shall be sent to the Collector of the District in which the land lies, or to such other Officer as the Governor in Council shall think fit to appoint to carry it into execution; and the Collector or other Officer so appointed shall cause the land ordered to be taken to be marked out and measured, and possession to be taken thereof on behalf of Government, and the land shall thenceforward be vested absolutely in the Government, free and clear of all other estates, rights, titles, remainders, reversions, limitations, trusts, and interests, and also of all mortgages, liens, or incumbrances whatsoever, of and in the land so taken as aforesaid; and any suit which may be instituted to recover the land so taken by Government in any Court of Judicature, shall be dismissed with costs. Provided always, that nothing herein contained shall affect the liability of the party who may receive the value of any land so taken by Government, without having a good title to the same.

IV. As soon as the land has been marked out, the Collector, or other Officer appointed as aforesaid, shall cause the order in Council to be affixed in some conspicuous place upon the land, and published by proclamation in the neighbouring bazars and villages, with a citation, calling on all parties interested in the land to appear before him in person, or by authorized agents, on a certain day, not less than fifteen days after the date of citation, and to state the nature of their interests in the land required, and the amount and particulars of their claims to compensation for the same.

V. It shall be competent to the said Collector, or other Officer appointed as aforesaid, to admit any such claims that appear to him to be valid, and if he and all the parties interested in the land agree as to the compensation to be allowed to them respectively, to pass an award for the same.

VI. If the said Collector or Officer shall judge any of the claims preferred to be inadmissible, and the parties interested in the land, or any of them, shall nevertheless persist in such claims, or if the said Collector or Officer admitting the interests claimed, shall object to the compensation demanded for the same as excessive, the points in dispute shall be referred to the determination of arbitrators, to be appointed in the manner hereinafter provided.

VII. Two persons shall be chosen to act as arbitrators on the part of Government, by the Collector or other Officer duly appointed as aforesaid, and the party or parties claiming to be interested in the land taken shall be called upon by the said Collector or Officer to elect, within fifteen days, two persons to act as arbitrators on his or their part. If there be several parties interested as aforesaid, and they cannot agree within the required period in the election of person to act as arbitrators on their behalf, then and in that case each of them shall nominate one person whom he may desire to act on his behalf, and the said Collector or Officer shall choose by lot, out of the persons so nominated by the parties aforesaid, or by any of them, two persons to act as arbitrators on behalf of the parties interested in the land. If only two persons shall be so nominated by the parties interested in the land, they

shall be the arbitrators on behalf of such parties, whether the whole of the parties interested as aforesaid may or may not have been concerned in their nomination. If only one person shall be so nominated, then only one of the persons selected to act as arbitrators on the part of Government shall be employed on the duty. If the parties interested in the land shall refuse or neglect, or if, by reason of minority, lunacy, or absence from the Presidency, they shall be unable to make any nomination within the required period, then the said Collector or Officer shall and may select two impartial persons to arbitrate the matter between Government and the parties interested in the land.

VIII. Before the arbitrators proceed to arbitrate, they shall be required by the said Collector or Officer to appoint an umpire for the decision of any points whereon they may differ in opinion when the voices on each side shall be equal. If the arbitrators cannot agree in the selection of an umpire, the said Collector or Officer shall be authorized to choose some person to act as such.

IX. In cases wherein the arbitrators may differ in opinion, if the voices on each side shall be equal, the decision of the umpire on the point of difference shall be conclusive: in all other cases, the opinion of the majority of arbitrators shall determine the award.

X. The arbitrators shall hold their inquiry under the general superintendence of the Collector or other Officer appointed as aforesaid, who shall be competent to exercise towards them such powers and authority for the purpose of securing their attendance, and the due completion of their award, as the Courts of Judicature may legally exercise towards persons summoned as witnesses before them, for the purpose of compelling such witnesses to attend and give evidence. It shall further be competent to the Officer presiding, in the event of any unnecessary delay on the part of arbitrators, in determining any question referred to them, to call upon them to make their award within a specified time, and in default thereof, to refer such question to the umpire for his decision.

XI. The said Collector or other Officer appointed as aforesaid shall, on the application of the arbitrators, summon any witnesses whom the arbitrators may call for, and whom the parties may not be able to produce before them without such process. He shall also cause the proper forms of affirmation to be executed by any witnesses whom the arbitrators may desire to examine upon affirmation, or he may empower the arbitrators to administer or cause the execution of such affirmation if the witnesses cannot with convenience attend before him. Any witness who shall refuse or omit to appear when duly summoned by such Collector or Officer, or who shall appear but shall refuse to execute the affirmation to be administered as aforesaid, or who shall refuse to give evidence, shall be liable to the same punishment which would be incurred under the law by a witness refusing to appear or give evidence before a court of justice. Any person giving intentionally and deliberately a false deposition, under a solemn affirmation, in any case referred to arbitration as above, and upon a point material to the issue thereof, shall be held to be guilty of perjury, and shall be liable to the penalties prescribed for that offence by law; and any person who shall procure or procure another person to commit guilty of subornation, as above described, shall be according to law, and punishable

XII. It shall also be competent to the Collector, or other Officer appointed as aforesaid, to demand from the parties interested in the land so taken as aforesaid, the production of any accounts, title-deeds, or other documents which may be required by the arbitrators for the purposes of their inquiry, and in the event of such accounts, title-deeds, or documents being withheld, and the fact of their existence being proved by information given upon solemn affirmation, to order the seizure of such accounts, title-deeds, and documents

wherever they may have been deposited, in the manner prescribed by Section IX. Regulation IX. of 1822 of the Madras Code, and to exercise for that purpose the powers thereby vested in Collectors.

XIII. The arbitrators shall take into consideration the statements of the parties interested in the said land, and the objections of the Collector or other Officer aforesaid on behalf of Government, and, after examining the evidence offered on both sides, and making any further inquiry that may appear to them necessary, shall pass their award allowing or disallowing the interests claimed, and determining the total amount of compensation to be given for the interests allowed, the mode in which it is to be given, and if to be given to more than one party, the shares of the total compensation which each party shall be entitled to receive.

XIV. The award of the arbitrators, or of the umpire, if he shall be called upon to make an award, shall be binding and conclusive, both upon the Government and the parties interested in the land, as respects the gross amount of the compensation to be paid by Government, unless the award shall be set aside by the Civil Court of the zillah upon a charge of corruption against the arbitrators or the umpire, as the case may be, brought by either party, and proved, after due investigation, to the satisfaction of such Court; in which case the matter shall be referred for the determination of a second set of arbitrators, to be chosen in the same manner as the first, and their decision, whatever it may be, shall be final. No petition to set aside an award made under this Act shall be received by the Civil Court of the zillah, unless it be presented within thirty days from the date of the award complained of; and the said petition shall be presented on stamp paper of the value used for miscellaneous petitions, and shall be accompanied with a copy of the award objected to. The award of the arbitrators or umpire shall also be binding as respects the shares to be paid to the several parties interested in the land, unless upon a suit instituted within thirty days from the date of the award, in a competent Court, by any of the parties concerned, to alter the apportionment made by such award, an injunction shall be issued to suspend the payment until a decree is passed in the case.

XV. If any question arises as to the previous possession of or title to any land taken by Government under this Act, or if the parties or any of them interested in the land are minors, lunatics, or absent as aforesaid, and are not represented by their guardian, committee, attorney, or other person authorized in that behalf, or if there exist other grounds which, in the judgment of the arbitrators, render it improper to make immediate payment of the compensation awarded by them, or of any part thereof, to any parties interested in such land, the said arbitrators shall certify the same to the said Collector or Officer, under whose directions they may act, and in such case, or if for any such reason, or any such ground as aforesaid, the said Collector or other Officer shall deem immediate payment improper, then the amount of compensation payable shall be held in deposit by Government, until the parties interested in the said land or some of them shall obtain an order of a competent Court for the payment of the same, and interest (if any) to them. All money held in deposit as aforesaid, exceeding in amount the sum of five hundred Rupees, shall be invested in Government Securities.

XVI. On the close of the inquiry, the arbitrators or umpire shall deliver to the Collector, or other Officer appointed as aforesaid, a full and complete report and award upon the questions submitted to their arbitration, under their respective signatures, specifying the amount of compensation to be granted, and, (except where under Section XV. it may appear proper to suspend payment,) the parties to whom it is to be made, and the proportions to be paid to each respect-

ively, with a solemn declaration subscribed thereto, that the award so given is, to the best of their judgment, true and impartial, and according to the evidence adduced before them, and they shall at the same time deposit with the said Collector or Officer the whole of their proceedings.

XVII. All suits and proceedings instituted against Government to obtain compensation for land taken as aforesaid, other than such petitions to set aside awards as aforesaid, shall be dismissed with costs, but nothing herein contained shall affect the rights of any party to recover the value of any land taken by Government from any person who may have received the same without having any title thereto.

XVIII. In the case of land declared by a Minute of the Governor in Council to be needed for a public purpose being acquired by the Government by bargain with and purchase from the parties apparently interested therein, the Collector or Officer appointed by Government to receive possession of the same, shall cause proclamation to be made in the manner prescribed in the fourth Section of this Act, of the transfer of the land to Government, by the same parties, and requiring all other persons who may claim any right, title, or interest in such land, to prefer their claims within one calendar month after such proclamation made; and any claims that may be preferred shall be dealt with under Section V, or under Section VI., and the following Sections of this Act. Provided always, that if no claim shall be made within one calendar month after such proclamation as aforesaid, the said land shall vest absolutely in the Government, free and clear of all other estates, rights, titles, remainders, reversions, limitations, trusts, interests, mortgages, liens, or incumbrances whatsoever, of and in the said land so purchased; and any suit to recover the land so purchased by Government, or to obtain from Government compensation for the loss thereof, which may be preferred in any Court of Judicature, shall be dismissed with costs. But nothing herein contained shall affect the liability of the party who may receive the value of any land purchased by Government without having a good title to the same.

XIX. In cases referred to arbitration, under the provisions of this Act, any necessary expense which may attend the inquiry of the arbitration, whether for the diet of witnesses or otherwise, shall be paid by Government.

XX. The provisions of Act XLII. of 1850, shall be applicable and in force within the Madras Presidency; and the said Act shall be construed as if instead of the words and figures "Regulation I. of 1824 of the Bengal Code," or "the said Regulation" therein mentioned, the number and title of this Act had been therein inserted.

XXI. The following words and expressions in this Act shall have the several meanings hereby assigned to them, unless there be something either in the subject or context repugnant to such construction, (that is to say,)

Words importing the singular number only shall include the plural, and words importing the plural number only shall include the singular.

Words importing the masculine gender only shall include females.

The word "land" shall extend to tenements and hereditaments of any tenure, and all houses, buildings, walls, or appurtenances thereupon, as well as land.

The expression "party or parties interested in the land" shall be understood to mean all parties interested in the land, either for life or for years, or in remainder, reversion, or succession; and all trustees, cestui que trusts, mortgagees, incumbrancers, leaseholders or tenants, not being tenants by the month or at will of such land.

Notice

Is hereby given, that sealed tenders will be received at this office on Thursday the 13th proximo, precisely at 2 o'clock p. m. (any delivered after that hour will be rejected,) from such persons as are desirous of entering into a contract for supplying Grain, &c. to the European Troops, Commissariat and Indian Naval Departments, House of Correction, and County Gaol, and for such other purposes as may from time to time be required, for the term of one year from the 1st day of June next.

All persons desirous of tendering for the contract may, on application at this office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain a list of the rates, and such other information relating thereto as they may require.

The tenders must specify, both in words and figures, the rates per cent. above or below the prices in the list above adverted to at which they will undertake to furnish the articles therein embraced, on the understanding that the articles to be supplied under the contract are to be of unexceptionable quality, according to musters lodged in this office, and delivered to the indenting departments in a cleaned state, free from refuse, sediment, or dirt of any kind, free of all further expenses, in such quantity or quantities as may from time to time be demanded; and the same will be liable to examination and rejection by a committee of officers, appointed on the part of Government.

The party or parties whose tender may be accepted will be required to sign and seal a contract, stipulating to the above effect, and that he or they will comply immediately with all emergent demands for the articles included in the above-mentioned list, and will meet other demands of less urgency within the periods stated in the requisitions made upon him or them; in failure whereof, or if the supply be condemned by a committee of officers, as aforesaid, the Grain, &c. or such others as may be required in lieu thereof, shall be purchased by this department, without reservation, at his or their risk and cost, and in all such cases an advance of Rupees (30) thirty per cent. upon the amount of expenses incurred, or a fine of Rupees (50) fifty, at the option of the executive officer, will be levied as liquidated damages for each and every such breach of contract, as often as the same may occur; also the contract may in all such cases be put an end to on the part of the East India Company.

No tenders for the contract in question will be received, unless accompanied by a cash deposit of Rupees (1,703) one thousand seven hundred and three, which will be forfeited in the event of delay, evasion, or refusal to execute the necessary deed of contract; should any tender be accepted, the tenderer must be prepared to give unexceptionable bonded security to the extent of Rupees (6,815), six thousand eight hundred and fifteen, to be held by Government for the due fulfilment of his contract.

It is to be distinctly understood, that bills for the quantities of the articles included in the above-mentioned list supplied shall be preferred within or before the expiration of one month from the date of the delivery of the articles, in default of which the contractor shall be liable to forfeit the full value or amount of the supplies for which bills have not been so preferred, unless it shall clearly appear that the delay was unavoidable.

The amount of retrenchments made by the Military Board from the contractor's bills will be recovered from the first bills presented for payment by the contractor, but in the event of such retrenchments, or any portion thereof, being remitted, the amount, or so much of the amount as shall be so remitted, will then be refunded to him.

The parties who, after tendering for the contract, fail to furnish the necessary security, will be interdicted from tendering on future occasions, unless they can produce a certificate from individuals of unexceptionable character, binding themselves to stand security for the due performance of the contract.

The annual outlay on the above contract is estimated at Rupees 34,077, or thereabouts.

All further particulars will be communicated on the receipt and opening of the tenders, and no reason will be assigned for the rejection of any tender.

Notification.

The following Rules for the formation of Standing Examination Committees at Outstations are published for general information.

By Order of the Right Hon'ble the Governor in Council,

A. RICHARDSON,

Deputy Secy. to Govt.

Bombay Castle, 17th April 1852.

RULES FOR THE ASSEMBLING AND GUIDANCE OF LOCAL COMMITTEES.

The Senior Civil Servant or Military Officer who has passed in the languages in which Candidates desirous of appearing before the General Examination Committee at the Presidency wish to be examined, may be authorized to associate with himself any Civil or Military Officers similarly qualified, to form a Standing Committee, competent to submit all Officers and Junior Civilians to such an Examination as will, in the opinion of such Local Committee, warrant the Candidates being allowed to appear before the General Committee, with due probability of their passing, &c. Permission to appear before the General Examination Committee will be granted neither to a Civil nor a Military Candidate without a certificate from such a Local Committee.

Junior Officers, either Civil or Military, unattached to either an office or a regiment while in Bombay, should apply to the Secretary to the Examination Committee, and he should ask them such questions as shall enable him to satisfy himself that their progress would warrant his granting similar certificates.

If the Candidate be attached to any office or to any regiment, the head of that office, or the Senior Officer of the regiment, may, by a like inquiry, satisfy himself, and furnish the certificate required.

The ordinary teachers (Moonshees in Hindoostanee and Persian, Pundits in Murathee and Guzerathee) fail, from their own inability, to reconcile the idioms of the English and Vernacular languages; Candidates are, therefore, in general,

unable to turn the most familiar English phrases into the Native language intelligibly, and very few indeed can render such sentences idiomatically.

Consequently, a few questions on such points, and a few extracts from an English newspaper, read off into the Native language, and a fluency exhibited in translating and parsing papers written in the Native character, would determine the proficiency or the inefficiency of each Candidate.

A. RICHARDSON,

Secy. Civil and Mily. Examination Committee.

GENERAL DEPARTMENT.

Whereas it is provided by Act No. XXVI. of 1850, that whenever any application shall be made to the Government for putting the said Act in force in any Town or Suburb, notice thereof shall be given in the Government Gazette of the Presidency or place, and also by Proclamation within such Town or Suburb, setting forth the purposes of the application, and giving reasonable time for all Inhabitants of such Town or Suburb to declare themselves for or against the adoption of the said Act therein, for such purposes or any of them; and whereas application has been made to the Government that the said Act No. XXVI. of 1850 may be put in force within the Kusba Pangaom and Monjeh Wyrāj, for the purpose of making better provision for making, repairing, and cleaning roads, drains, and tanks, and for improving the said Towns, and preventing any nuisances arising therein, Notice of the application aforesaid is hereby given, and all Inhabitants of the said Kusba Pangaom and Monjeh Wyrāj are hereby informed, that such of them as are minded to declare themselves for or against the adoption of Act No. XXVI. of 1850 in the Kusba Pangaom and Monjeh Wyrāj, for the purposes described in the application aforesaid, or any of them, may declare themselves accordingly, before T. TERRITORIAL DEPARTMENT,
REVENUE.

Interpretation of the 1st Provisional Clause attached to Rules III. and IV. and the 4th Provisional Clause attached to Rule VII. in Schedule B of Act XI. of 1852.

1. These Clauses are both intended to provide for the application, to the distinct denominations of Inams to which they relate (viz. personal and essentially permanent), of the principle that a holding entered in genuine District Accounts as continued, shall be regarded as authorizedly continued, provided there be no entries in the Hoozoor (or Government) Accounts which show that it must have been unauthorized by them.

2. Therefore, in the 1st Provisional Rule cited, (i. e. that attached to Rules III. and IV. of Schedule A of Act XI. of 1852,) the words "Collectorate Accounts" are to be read as "Government Accounts," for which, by a clerical error, they have been substituted.

3. The Right Hon'ble the Governor in Council, under the authority reserved to him by Rule II. of Schedule B of Act XI. of 1852, is pleased to extend the benefits of both the provisions above interpreted to holdings temporarily disallowed or checked by the former Government, pending inquiry, provided they were actually continued, and provided they cannot be proved either to have been originally invalid, or, being valid, to have lapsed to the State.

By order of the Right Hon'ble the Governor in Council,
H. E. GOLDSMID,
Secretary to Government.
