FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
the 16th April 1852.

The following Act, passed by the Governor General of India in Council on the 16th April 1852, is hereby promulgated for general information :

Act No. XXI. of 1852.

An Act to authorize the employment of Uncovenanted Deputy Collectors in the Presidency of Bombay.

Whereas the exigencies of the public service require the employment of Uncovenanted Deputy Collectors in the Revenue Department within the Presidency of Bombay. It is hereby enacted as follows :—

I. The Governor of Bombay in Council may appoint in any Zillah or District within the said Presidency one or more Uncovenanted Deputy Collectors, with the powers hereinafter mentioned.

II. Every person appointed a Deputy Collector under this Act shall, before entering upon the duties of his office, make and subscribe a solemn declaration to the same effect as the oath prescribed in Appendix A annexed to Regulation XVI. of 1827 of the Bombay Code, the words " the East India Company " being inserted in such declaration, instead of the words " the United Company of Merchants of England trading to the East Indies," and the words " United Company " in the said oath contained; and such declaration shall be made and subscribed either before Her Majesty's Supreme Court of Judicature for Bombay, the Court of Sudder Dewanny Adawlut of Bombay, any Judge on circuit in the Zillah in which such Deputy Collector may be appointed, the Judge, Collector, or Magistrate of that Zillah, or such other person as may be deputed or authorized by any order of the said Governor in Council to take or receive such declaration.

III. Deputy Collectors appointed under this Act shall discharge such of the duties, and exercise such of the powers, of the Covenanted Assistants in the Revenue Department as shall be prescribed from time to time in each case by the Governor of Bombay in Council, and shall be subject to the same control and authority in all respects as such Assistants respectively.

IV. Section XI. of Regulation XVI. of 1827, of the Bombay Code, shall be applicable to Deputy Collectors appointed under this Act, who shall hold their offices subject to the provisions of the said Section.

V. No Deputy Collector appointed under this Act shall be dismissed from office without the sanction of the Governor of Bombay in Council. Whenever there is reason to believe that a Deputy Collector is disqualified, by neglect, incapacity, corruption, or other misbehaviour, for continuance in office, a report shall be made by his superior in the Revenue Department for the consideration and orders of the Governor of Bombay in Council, who shall be competent to suspend such Deputy Collector, and order a further inquiry into his conduct, or direct his immediate dismissal, as may appear just and proper.

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

Notice

Is hereby given, that sealed tenders will be received at this office on Thursday the 13th proximo, precisely at 2 o'clock P. M. (any delivered after that hour will be rejected,) from such persons as are desirous of entering into a contract for supplying Grain, &c. to the European Troops, Commissariat and Indian Naval Departments, House of Correction, and County Gaol, and for such other

purposes as may from time to time be required, for the term of one year from the 1st day of June next.

All persons desirous of tendering for the contract may, on application at this office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain a list of the rates, and such other information relating thereto as they may require.

The tenders must specify, both in words and figures, the rates per cent. above or below the prices in the list above adverted to at which they will undertake to furnish the articles therein embraced, on the understanding that the articles to be supplied under the contract are to be of unexceptionable quality, according to musters lodged in this office, and delivered to the indenting departments in a cleaned state, free from refuse, sediment, or dirt of any kind, free of all further expenses, in such quantity or quantities as may from time to time be demanded; and the same will be liable to examination and rejection by a committee of officers, appointed on the part of Government.

The party or parties whose tender may be accepted will be required to sign and seal a contract, stipulating to the above effect, and that he or they will comply immediately with all emergent demands for the articles included in the above-mentioned list, and will meet other demands of less urgency within the periods stated in the requisitions made upon him or them; in failure whereof, or if the supply be condemned by a committee of officers, as aforesaid, the Grain, &c. or such others as may be required in lieu thereof, shall be purchased by this department, without reservation, at his or their risk and cost, and in all such cases an advance of Rupees (30) thirty per cent. upon the amount of expenses incurred, or a fine of Rupees (50) fifty, at the option of the executive officer, will be levied as liquidated damages for each and every such breach of contract, as often as the same may occur; also the contract may in all such cases be put an end to on the part of the East India Company.

No tenders for the contract in question will be received, unless accompanied by a cash deposit of Rupees (1,703) one thousand seven hundred and three, which will be forfeited in the event of delay, evasion, or refusal to execute the necessary deed of contract; should any tender be accepted, the tenderer must be prepared to give unexceptionable bonded security to the extent of Rupees (6,815), six thousand eight hundred and fifteen, to be held by Government for the due fulfilment of his contract.

It is to be distinctly understood, that bills for the quantities of the articles included in the above-mentioned list supplied shall be preferred within or before the expiration of one month from the date of the delivery of the articles, in default of which the contractor shall be liable to forfeit the full value or amount of the supplies for which bills have not been so preferred, unless it shall clearly appear that the delay was unavoidable.

The amount of retrenchments made by the Military Board from the contractor's bills will be recovered from the first bills presented for payment by the contractor, but in the event of such retrenchments, or any portion thereof, being remitted, the amount, or so much of the amount as shall be so remitted, will then be refunded to him.

The parties who, after tendering for the contract, fail to furnish the necessary security, will be inter-

dicted from tendering on future occasions, unless they can produce a certificate from individuals of unexceptionable character, binding themselves to stand security for the due performance of the contract.

The annual outlay on the above contract is estimated at Rupees 34,077, or thereabouts.

All further particulars will be communicated on the receipt and opening of the tenders, and no reason will be assigned for the rejection of any tender.

W. B. G. BLENKINS, Major,
For Deputy Commissary General.
