Notice

Is hereby given, that persons desirous of entering into a contract for SUPPLYING COUNTRY CLOTH, &c. as may be required by the Commissariat Department at the Presidency, for the term of two years from the date of the acceptance of the offer, may, on

application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the Schedule or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Saturday the 7th proximo, at 2 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered in the first instance at the Commissariat Stores at the Presidency if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rs. (338) three hundred and thirty-eight, which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted; in

which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rs. (1,355) one thousand three hundred and fifty-five, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rs. (25) twenty-five to (150) one hundred and fifty, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract, it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in para. 3 of this Notice will be forfeited to Government.

5. It is also to be understood, that, any delay, negligence, evasion, or refusal on the part of a contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees (25) twenty-five, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appears, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion

thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in clause 7 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

11. The annual outlay on the above contract is estimated at Rupees (6,775) six thousand seven hundred and seventy-five.

12. No reason will be assigned for the rejection of any offer.

Notice

Is hereby given, that verbal offers will be received at the Office of the Superintendent of Bazars at Belgaum, at 11 o'clock A. M. on Thursday the 5th October 1854, also sealed tenders at the Commissary General's Office, Bombay, as per clause No. 9 of this Notice, for the contract for the exclusive privilege of 'SELLING ARRACK, COUNTRY LIQUOR, and INTOXICATING DRUGS' to the Native Troops and Followers in the Cantonment of Belgaum, and also to the Inhabitants of the town of Belgaum, for a period of one year, from the 1st November 1854 to the 31st October 1855.

2. The contract will be sold for the number of Troops present on the day of sale, and the amount to be paid by the contractor will not be increased or decreased as Troops arrive at or depart from the Station, unless the number of Troops present shall at any time during the existence of the contract exceed or fall short of the number present on the day of sale by more than one-fourth part, in which case the payment to be made by the contractor will be increased or decreased to such extent as may be fixed by a Committee of Officers to be appointed on behalf of Government.

3. Each bidder for the contract must deposit the sum of Co.'s Rs. 3,000 (three thousand), which will be forfeited in the event of delay, evasion, or refusal on the part of the party concerned to execute the necessary deed of contract should his offer or tender be accepted.

4. Each bidder must state the sum that he is willing to pay annually for the contract, and the person whose bid may be accepted will be required to deposit with the Superintendent of Bazars the amount of one month's stipulated payment, as security for the due performance of the contract, and also make each monthly payment in advance, the first payment to be made on demand.

5. Each bidder must produce a certificate in English from either the Collector or Deputy Magistrate, in the event of their residing in the town of Belgaum or Shapoor, and by the Superintendent of Bazars if residing in the Military Cantonment, that they and their securities are of unexceptionable character and persons of capital, and that their securities may be taken and held good for such an amount each, and that these individuals are willing to stand security in the event of the bid being accepted. The above is necessary to avoid delay in obtaining the same information from the authorities concerned, and in default of the above the person or persons will not be allowed to bid.

6. The person whose offer may be accepted must purchase the Distillery in the Sudder Bazar, at the valuation of a Committee of Officers.

7. Five Shops will be allowed in the Sudder Bazar, viz. the present large one, with two small ones right and left of it. Entrance to the front of these Shops, but none whatever to the rear.

Further, any person or persons who may send tenders to the Commissary General, Bombay, must with the said tender enclose the certificates called for under the provisions contained in the 5th para. of this Notice, i. e. that each written tender should be accompanied with a certificate in English, to obviate any unnecessary trouble or delay on that

account hereafter to Government, or in default their tender will be rejected.

10. The contractor will be required to bind himself to defray the expense of maintaining any Police which the Commanding Officer may consider necessary for preventing the clandestine sale of Spirits to the European Troops.

11. The articles of agreement to be entered into may be seen, and all further particulars learnt, on application at the Office of the Superintendent of Bazars, any day between the hours of 10 A. M. and 3 P. M., Sundays excepted.

12. No reason will be assigned for the rejection of any offer.

Notice

Is hereby given, that persons desirous of entering into a contract for SUPPLYING GRAIN, &c. as may be required by the Commissariat Department at the Presidency, to last up to the 31st January next from the date of the acceptance of the offer, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the schedule or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Friday the 6th proximo, at 2 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores at the Presidency if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. It is to be clearly understood that such of the articles specified in the schedule as form part of the Rations for European Soldiers or Hospital Diet, are to be supplied under the rules laid down in G. G. O. No. 613 of the 10th October 1853, and No. 33 of the 11th January 1854, copies of which may be seen at this Office.

4. No person will be allowed to bid for the contract unless he previously deposits in this Office in cash the sum of Rs. (424) four hundred and twenty-four, which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (1,696) one thousand six hundred and ninety-six, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

5. A contractor must comply immediately with

all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department, without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rs. (30) thirty to (200) two hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract, it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in para. 4 of this Notice will be forfeited to Government.

6. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees (25) twenty-five, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding Clause, no further penalty shall be leviable under this Clause.

7. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

8. Any party whose offer is accepted will be required to produce his securities for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

9. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

10. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

11. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 8 of this Notice, will be interdicted from bidding on future occasions, unless

he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

12. The annual outlay on the above contract is estimated at Rs. (33,920) thirty-three thousand nine hundred and twenty.

13. No reason will be assigned for the rejection of any offer.

A. W. ELLIOT,

Bombay, Office of Commr. of Customs, Salt, and Opium, 27th Sept. 1854.
 For Deputy Commissioner of Customs, Salt, and Opium.

Notice

Is hereby given, that persons desirous of entering into a contract for supplying EUROPE CLOTH, as may be required by the Commissariat Department at the Presidency, for the term of one year from the date of the acceptance of the offer, may, on application at this Office, from 11 A. M. till 5 P. M. daily, (Sundays excepted,) obtain copies of the Schedule or list of prices and such information relating thereto as they may require.

2. Sealed tenders for the contract will be received at this Office on Friday the 13th proximo, at 1 o'clock precisely. These must specify, both in words and figures, the rate per cent. above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered in the first instance at the Commissariat Stores at the Presidency if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded; and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final and binding on all parties.

3. No tender will be received unless accompanied by a deposit, in cash, of the sum of Rupees (271) two hundred and seventy-one, which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his tender being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (1,087) one thousand and eighty-seven, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers, as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rupees (30) thirty to (100) one hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected article be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in para. 3 of this Notice will be forfeited to Government.

5. It is also to be understood that any delay, neg-

ligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees (25) twenty-five, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding Clause, no further penalty shall be leviable under this Clause.

6. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily, Sundays excepted, also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose tender is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold; no reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appears, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after tendering for a contract, fails to furnish the necessary security, as provided for in Clause 7 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his tender being accepted.

11. The annual outlay on the above contract is estimated at Rupees (5,436) five thousand four hundred and thirty-six.

12. No reason will be assigned for the rejection of any tender.

General Orders.

MILITARY DEPARTMENT.

BY THE RIGHT HONORABLE THE GOVERNOR IN COUNCIL.

Bombay Castle, 20th September 1854.

No. 607 of 1854.—The Right Honorable the Governor in Council is pleased to republish the following General Order by the Most Noble the Governor General of India in Council, dated Fort William, 21st August 1854, No. 843:—

"The proceedings of the General Court Martial, held at Prome on the 14th of June last, for the trial of Lieutenant A. Procter, 39th Regt. N. I., and doing duty with the Arracan Local Battalion, have been submitted to the Supreme Government by His Excellency the Commander in Chief.

"Lieutenant Procter, on the 15th of December last, caused two Burmese, who had been caught in his Camp, to be shot to death by a party of the Arracan Battalion. He was accordingly tried on a charge of Murder, was found guilty of Manslaughter, and was sentenced by the Court Martial to three months' imprisonment in the Gaol of Calcutta, but was strongly recommended to mercy.

"His Excellency the Commander in Chief refused to confirm the Sentence, and ordered Lieutenant Procter to remain in open arrest, pending the orders of Government.

"In a case of so much importance, the Most Noble the Governor General in Council has deemed it necessary to record the following observations, and to promulgate them for the information and guidance of the Officers of the Armies of India.

"The effect of the Finding of the Court Martial, and of the refusal of the Commander in Chief to confirm the Sentence, is to exempt Lieutenant Procter from the punishment contained in the Sentence, and from all other punishment by law.

"The Most Noble the Governor General in Council has carefully studied the proceedings and the evidence before the Court; and, although the Finding of that tribunal has practically exempted Lieutenant Procter from punishment, His Lordship in Council finds it impossible to regard that Officer as free from blame or guilt.

"Lieutenant Procter was in command of a Detachment of 125 men of the Arracan Battalion, in the district of Tharawaddy. The greater part of that district was in a lawless state, overrun by bands of armed men under the orders of Moung Goung Gee, by some of whom Lieutenant Procter expected to be attacked. The Burmese headman of the village had informed him that two Spies were to be despatched from the Camp of Moung Goung Gee to that of Lieutenant Procter.

"On the 15th December (on which day Lieutenant Procter had been reinforced by a Company of the 10th Native Infantry) two Burmese were seized in Lieutenant Procter's Camp. They were declared to be the Spies expected. Whereupon Lieutenant Procter, within an hour after they were taken, tied them up, and had them then and there shot to death, himself giving the word of command.

"The Governor General in Council cannot but regard this act as justly calling for the severest condemnation of the Supreme Government.

"Lieutenant Procter's plea, that the destruction of these men as Spies was justified by the custom of war, is, in the opinion of Government, utterly untenable.

"Admitting to the fullest degree Lieutenant Procter's allegation that his Detachment was in the midst of hostilities; that armed marauders or insurgents were in his vicinity, and were expected shortly to attack him; and that the men whom he seized were actually Spies from the insurgents' Camp;—his act will, in the eyes of Government, still stand wholly without justification.

"The destruction of these two wretches averted no danger from his force—it could exercise no material influence on his opponents. Whatever danger might be involved in their presence as Spies had been counteracted, for they were already in his power: the Governor General in Council considers it to be utterly idle to say that safe custody could be found for them only in death.

"The words employed by Lieutenant Procter in his defence before the Court Martial—"You may make it the moral of my Court Martial, 'never assume responsibility, even for the purpose of saving bloodshed,'" are calculated to be effective as declamation before a Court; but that they did not convince the Court Martial of his innocence is plainly apparent from the Court's verdict; which, although it declared Lieutenant Procter not to have committed Murder, and convicted him of the crime of Manslaughter, which he did not commit, yet pronounced his conduct culpable to the extent to feloniously taking life. Such declamation, however, when tested by facts, is void of all solid substance.

"The act of Lieutenant Procter in destroying these men was not necessary to the safe custody of two bound prisoners among 200 soldiers. It did nothing for the safety of his Detachment. It could not possibly have averted attack at the moment; and the supposition cannot for an instant be admitted that it would influence the Chief Moung Goung Gee to abstain from his opposition thereafter.

"There was, therefore, no call for Lieutenant Procter assuming the responsibility of the immediate death of these men.

"The Government of India must ever value highly the exhibition of energy, determination, and absence of undue fear of responsibility in the Officers of the Army. But all these qualities may be possessed and displayed in the highest degree, without the commission of any such act as that for which Lieutenant Procter has been arraigned before a Court Martial.

"The Most Noble the Governor General in Council protests against the condemnation of it being represented as a discouragement on the part of the Government of the exercise by the Officers of the Indian Army of a spirit of resolution, and of readiness to meet the responsibilities of every position in which the course of their service may place them.

"Lieutenant Procter was selected for detached employment with the Arracan Battalion. His conduct on this occasion requires that that distinction should be taken from him.

"The Most Noble the Governor General in Council accordingly requests that His Excellency the Commander in Chief will be so good as to remove Lieutenant Procter from the Arracan Battalion, and remand him to his proper Regiment, the 39th Regiment Native Infantry, releasing him at the same time from arrest.

(Signed) "R. J. H. BIRCH, Colonel,
"Offg. Secy. to the Govt. of India, in the Mily. Dept."

"No. 770 of 1854.—The following Notifications from the Foreign Department are published in General Orders :—

"No. 3200, dated 25th July 1854.—By a Resolution* dated the 31st October 1821, the Governor General in Council was pleased to prohibit all sales, purchases, and transfers between the Civil and Military servants of Government on the one hand, and Foreign Princes or Chiefs, or Natives of rank or opulence on the other, of grounds, houses, boats, equipages, plate, furniture, and generally every description of private property exceeding the value of Rupees 5,000, without the sanction of Government being previously obtained.

"2. On the 3rd December 1832, a Circular letter was addressed to the Residents and Political Agents, directing that the sale of property by British Officers to Native Chiefs or persons of rank at the Native Courts, being particularly liable to abuse, should be altogether discontinued; and on the 29th May 1850 the Residents and Political Agents were again addressed, and furnished with copies of instructions from the Honorable Court of Directors to the same effect.

"3. It has been brought to the notice of Government that, notwithstanding these repeated orders, the practice in question still prevails. The Most Noble the Governor General in Council therefore, acting in conformity with the wishes of the Court of Directors, is pleased to notify for general information, that the Officers of Government, of whatever rank or class, are absolutely prohibited from selling or being concerned in the sale of property, of any amount or description, to Native Princes and Chiefs, or to their relatives or Ministers, or to any Native gentlemen of rank or opulence residing under the protection of the British Government.

"4. Any disobedience of these orders will be followed by the displeasure of the Government of India, and by such other penalty as the circumstances of the case may demand.

"5. These orders are to be considered applicable to all Officers of the British Government, in whatever Presidency they may be serving.

Secretary Medical Board.

Notice

Is hereby given, that sealed tenders will be received at this Office, and also at the Office of the Commissary General, Bombay, up to and until noon on Saturday the 14th October 1854, for the exclusive privilege of SELLING COUNTRY LIQUOR to the Native Troops and Followers at this Station, and, with the concurrence of the Collector of the District, also to the inhabitants of the town and suburbs of Kurrachee, for a period of twelve months, viz. from the 1st of November 1854 to the 31st of October 1855.

2. The Native Troops now at the Station consist of—

	Strength.
Ordnance Department.....	135
1st Troop Horse Brigade.....	24
3rd Company 4th Battalion Artillery..	131
Sappers and Miners.....	118
8th Regt. N. I.	790
14th Regt. N. I.	853
Camp Kurrachee Cantonment Followers.	14,438

16,489

But should it so happen that any alteration takes place before the day fixed for the sale of the contract, then the contract is to be entered into for the number of Native Troops actually present in cantonment on that day, but no reduction in the amounts to be paid monthly on account of this contract will be allowed for any alteration which may occur in the number of cantonment followers.

3. The amount to be paid for the contract shall not be increased or decreased as Troops arrive at or depart from the Station, unless the number of arrivals or departures in one month shall exceed one-fourth of the number of the Sepoys present on the day of sale, in which case the amount payable shall be increased or decreased to such extent as a Committee of Officers shall determine.

4. It is to be distinctly understood that, in calculating the extent to which the sum to be paid by the contractor shall be increased or decreased, the Committee will take into consideration that there is a large permanent Native population who are not affected by the movements of Troops.

5. It is to be considered that (25) twenty-five per-centem of the sum that may be paid monthly for this contract is paid for the privilege of selling Liquor to the inhabitants of the town and suburbs of Kurrachee.

6. The tenders are to specify, in words as well as figures, the sum that will be paid monthly for the contract; and no tenders will be received unless accompanied by a cash deposit of Rs. (2,000) two thousand, which sum will be forfeited in the event of delay, evasion, or refusal to execute the necessary deeds of contract.

7. The person or persons whose tender may be accepted will be required to make the monthly payments in advance on the 1st day of each

month. He or they will also be required, before entering on the performance of the contract, to deposit with the Superintendent of Bazars the amount of one month's stipulated payment, as his or their personal security, and, in addition, to furnish two unexceptionable securities for the due fulfilment of the terms of the contract.

8. The party whose tender may be accepted will be required to bind himself to defray the expenses of maintaining a Preventive Police, of such strength as may be deemed necessary by the Officer Commanding the Station, for preventing the clandestine sale of Spirits to European Troops.

9. The contractor or contractors will be allowed no drawback on account of scarcity, drought, &c., and the contract will not be considered binding till confirmed by the Military Board.

10. The forms of contract and tender may be seen, and all further particulars learnt, on application at this Office, daily, between the hours of 10 and 4, Sundays excepted.

11. No reason will be assigned for the rejection of any tender.

Notice

Is hereby given, that persons desirous of entering into a contract for SUPPLYING TIN WARE, as may be required by the Commissariat Department at the Presidency, for the term of one year from the date of the acceptance of the offer, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the schedule or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Saturday the 14th proximo, at 1 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered in the first instance at the Commissariat Stores at the Presidency if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination, and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them, it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rs. (36) thirty-six, which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted; in which latter case he must be prepared to give unexceptionable bonded security, to the further amount of Rs. (147) one hundred and forty-seven, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of from Rupees (30) thirty to (100) one hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in paragraph 3 of this Notice will be forfeited to Government.

5. It is also to be understood, that any delay,

negligence, evasion, or refusal on the part of a contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees (25) twenty-five, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding Clause, no further penalty shall be leviable under this Clause.

6. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public Service to require such attendance.

7. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold; no reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appears to the satisfaction of the Commissary General that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 7 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

11. The annual outlay on the above contract is estimated at Rupees (739) seven hundred and thirty-nine.

12. No reason will be assigned for the rejection of any offer.

M. till 5 P. M. daily (Sundays excepted), obtain a list of the articles, with the prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Tuesday the 10th October 1854, at 12 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the Clothing, &c. supplied are to be of the best description of the sorts described in the list, and also agreeably to the musters received from Bombay, and are to be delivered, in the first instance at the Commissariat Stores at Belgaum, if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such number or quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this office, in cash, the sum of Co.'s Rupees (245) two hundred and forty-five, which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the deed of contract, when required to do so, on his offer being accepted; in which case he must be prepared to give unexceptionable bonded security to the further sum of Co.'s Rupees (980) nine hundred and eighty, which, together

with the sum previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be made up by the Department without delay, at his risk and cost, it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of Rupees (50) fifty, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General; and that if the contract be so cancelled, the cash deposit mentioned in paragraph 3 of this Notice will be forfeited to Government.

5. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees (25) twenty-five, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose offer is accepted will be required to produce his securities for the approval of the Civil or Cantonment Authorities, as may be necessary, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for this con-

tract, fails to furnish the necessary security, as provided for in Clause 3 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

11. The annual outlay on the above contract is estimated at Co.'s Rs. 4,862-4-8.

12. No reason will be assigned for the rejection of any offer.
