IV. The general superintendence of the public Embankments shall be entrusted to such Officers as the Lieutenant-Governor of Bengal or the Lieutenant-Governor of the North Western Provinces shall think proper to appoint for the performance of that duty in their respective Lieutenant-Governorships.

V. The general Superintendent of public Embankments under this Act may cause any private Embankment which connects public Embankments, or forms by junction with them part of a line of Embankments, or which interferes in any way with the efficiency of a line of public Embankments, or which is necessary for the protection of the neighbouring country, to be taken charge of and repaired by the Officers of Government, and shall charge the expense of maintaining any Embankment so taken charge of to the Zemindar or farmer, who is bound, or who may be willing, to maintain the same.

VI. The general Superintendent of Embankments may also cause any private Embankment which endangers the stability of a public Embankment, or obstructs the beneficial drainage of the country, to be removed or levelled.

VII. Before a final order for taking charge of or removing any such Embankment shall be passed, notice shall be given to the party to enable him to appear before the Collector, and be heard against the order, and the Collector shall communicate any objections that may be made thereto with his opinion thereupon to the general Superintendent of public Embankments, who shall pass such orders thereupon as may appear to him to be just and reasonable.

VIII. If any land-holder, farmer, or cultivator be desirous of having a sluice or permanent opening made in any public Embankment for the purpose of drainage or irrigation, he shall make an application in writing to the Collector of the District in which such Embankment is situate. The application shall contain such particulars of the land to be drained or irrigated as may enable the Officers of Government to judge of the advantage which may be derived from the work, and shall declare, as regards an Embankment maintained at the expense of the State, whether the applicant is willing to bear such part, not exceeding half of the cost thereof, as may be determined by Government; and as regards an Embankment maintained by Government at the expense of the owner thereof, whether the applicant is willing to defray the whole or such part of the cost incident to and attendant on the proposed work, as may be determined as aforesaid.

IX. The Collector shall transmit such application to the Officer in immediate charge of Embankments to inspect and to report on the proposed work. The Officer in immediate charge of the public Embankments of his district, who shall, either personally or by his Agents, inspect and examine the land, and report his opinion on the application, and if he shall be of opinion that the sluice or opening will benefit the land of the applicant, or effect an improvement in the general cultivation, and be otherwise unobjectionable, he shall annex to his report a plan of the proposed work and an estimate of the expense of its construction.

X. If the construction of the proposed sluice or opening receive the approval of such Officer, the Collector shall require the applicant to enter into a written agreement to defray the whole or half of the expense, or such portion thereof as may be determined under the

provisions of Section VIII. of this Act, as the case may be; and, upon such agreement being executed, shall issue a certificate to the said Officer to construct the sluice or opening.

XI. Whenever any person is desirous that a temporary water-course or a temporary roadway shall be made through or over any public Embankment, he shall apply to the Officer in immediate charge of such Embankment, stating the circumstances; such Officer shall grant the application or not, according as may appear to him to be just and reasonable, provided, that before the commencement of the proposed work the applicant shall enter into a written agreement to defray the expense of, and incident to, making and closing such temporary water-course or roadway.

XII. The accounts of the actual expense incurred in constructing and repairing Embankments, and in constructing and repairing sluices and openings, and making temporary water-courses or roadways through and over any public Embankment, shall be prepared as soon as possible after the completion of such works, and shall, as soon as such accounts shall have received the sanction of the general Superintendent of public Embankments, be forwarded to the Collector, who shall proceed to levy such amount as may be chargeable to parties who are bound by their engagements to pay for the same, by the process which is or may be in force for the recovery of arrears of Government Revenue.

XIII. Whenever an Officer in immediate charge of the public Embankments, in any zillah under this Act, shall be of opinion that the removal of any house, hut, or other building is needed for the safety or improvement of a public Embankment, he shall make a report to that effect, accompanied by a detailed statement of the houses, huts, or other buildings to be removed, to the Collector of the district in whose jurisdiction the land on which such house, hut, or other building stands, is situate.

XIV. When such report is received, the Collector shall cause a notice, containing a general description of the houses, huts, or other buildings proposed to be removed, to be affixed in some conspicuous place upon the land, and to be published by proclamation in the nearest bazar, calling on all persons claiming a right in such houses, huts, or other buildings to appear in person or by authorized Agent at a place to be specified in the notice, on or before a given date, not being less than fifteen days from the date of such proclamation, in order to make known the amount and particulars of their claim to compensation to a Panchait, to be appointed by the Collector for determining the value of the houses, huts, or buildings.

XV. The Collector shall appoint three persons to act as a Panchait to decide the rights of different claimants, and determine the value of the houses, one of whom shall be nominated by the Officer in immediate charge of the Embankment Department.

XVI. The Panchait shall, on the close of the inquiry, make their award, and transmit it to the Collector. If they differ in opinion, the opinion of the majority shall determine the award.

XVII. If the Collector agree with such award, his decision shall be final. If Collector confirm award, it is final.

XVIII. If he differ therefrom, he shall transmit to the Commissioner of the Division the award, with a report stating the grounds of his opinion, and the decision of the Commissioner thereupon shall be final.

XIX. No final award made under this Act shall be liable to be reversed or altered, unless upon proof in a regular suit that it was procured by corruption or fraud, or that it extended beyond the authority given to the arbitrators.

XX. When the award has become final, the Collector shall cause a notice to be affixed in some conspicuous place upon the land, with a citation calling on the parties to appear before him, in person or by authorized Agent, on a certain day, and receive the amount so awarded, and warning them to remove their houses, huts, or other buildings within fifteen days from date of such notice.

XXI. If, on the expiration of the above stated period, the houses, huts, or other buildings shall have not been previously removed, the Collector shall cause the same to be removed or levelled, and if any expense be incurred in removing or levelling the same, the Collector may sell the materials at public auction in order to defray the charge, delivering any surplus that may remain to the owner.

XXIII. Whoever wilfully cuts through or attempts to cut through any Embankment, whether public or private, or destroys or damages, or attempts to destroy or damage any such Embankment, or opens any sluice or water-course in any such Embankment so as to expose the adjoining lands to the danger of being overflowed, shall be liable, on conviction before a Magistrate, to be imprisoned for a term not exceeding three years, with or without labour, at the discretion of the Magistrate, and to a fine not exceeding 200 rupees, commutable if, not paid, to a further period of imprisonment not exceeding one year.

*A Bill to extend and amend the provisions of Act No. XII. of 1843.*

Whereas it is expedient that every decision, sentence, or final order, made or passed by any Officer of the East India Company acting judicially, together with the reasons for the same, should be written in English or in the Vernacular language of the Officer by whom the same is made or passed, and should be signed by him at the time of pronouncing such decision, sentence, or order; It is enacted as follows :—

I. Every decision, sentence, or final order which shall hereafter be made or passed by any Officer of the East India Company acting judicially, together with the reasons for making or passing the same, shall be written in the Vernacular language of such Officer, and shall be dated and signed by such Officer in Court at the time of his making or passing the same, and the original shall be filed with the record or proceedings in the case, and a translation thereof, where the original is recorded in a different language to that in ordinary use in proceedings before such Officer, shall be incorporated in the decree or record of the decision, sentence, or order.

II. (147) one hundred and forty-seven, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases thirty (30) per cent. upon the amount of expenses incurred, or a fine of from Rupees (30) thirty to (100) one hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in paragraph 3 of this Notice will be forfeited to Government.

5. It is also to be understood, that any delay, negligence, evasion, or refusal on the part of a contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees (25) twenty-five, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding Clause, no further penalty shall be leviable under this Clause.

6. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public Service to require such attendance.

7. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold; no reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appears to the satisfaction of the Commissary General that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 7 of this Notice, will be inter-

dicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

11. The annual outlay on the above contract is estimated at Rupees (739) seven hundred and thirty-nine.

12. No reason will be assigned for the rejection of any offer.

But should it so happen that any alteration takes place before the day fixed for the sale of the contract, then the contract is to be entered into for the number of Native Troops actually present in cantonment on that day, but no reduction in the amounts to be paid monthly on account of this contract will be allowed for any alteration which may occur in the number of cantonment followers.

3. The amount to be paid for the contract shall not be increased or decreased as Troops arrive at or depart from the Station, unless the number of arrivals or departures in one month shall exceed one-fourth of the number of the Sepoys present on the day of sale, in which case the amount payable shall be increased or decreased to such extent as a Committee of Officers shall determine.

4. It is to be distinctly understood that, in calculating the extent to which the sum to be paid by the contractor shall be increased or decreased, the Committee will take into consideration that there is a large permanent Native population who are not affected by the movements of Troops.

5. It is to be considered that (25) twenty-five per-centem of the sum that may be paid monthly for this contract is paid for the privilege of selling Liquor to the inhabitants of the town and suburbs of Kurrachee.

6. The tenders are to specify, in words as well as figures, the sum that will be paid monthly for the contract; and no tenders will be received unless accompanied by a cash deposit of Rs. (2,000) two thousand, which sum will be forfeited in the event of delay, evasion, or refusal to execute the necessary deeds of contract.

7. The person or persons whose tender may be accepted will be required to make the monthly payments in advance on the 1st day of each month. He or they will also be required, before entering on the performance of the contract, to deposit with the Superintendent of Bazars the amount of one month's stipulated payment, as his or their personal security, and, in addition, to furnish two unexceptionable securities for the due fulfilment of the terms of the contract.

8. The party whose tender may be accepted will be required to bind himself to defray the expenses of maintaining a Preventive Police, of such strength as may be deemed necessary by the Officer Commanding the Station, for preventing the clandestine sale of Spirits to European Troops.

9. The contractor or contractors will be allowed no drawback on account of scarcity, drought, &c., and the contract will not be considered binding till confirmed by the Military Board.

10. The forms of contract and tender may be seen, and all further particulars learnt, on application at this Office, daily, between the hours of 10 and 4, Sundays excepted.

11. No reason will be assigned for the rejection of any tender.

6. Contractors must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon them; they must further invariably keep on hand a sufficient stock of every article, to the extent of 3 and 6 months' consumption, as particularised at the foot of every Schedule; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at their risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rupees (50) fifty to (500) five hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes such a breach of contract, whether the rejected articles be replaced by the contractors or by this Department; in every such case, also, it is to be understood that the contract or contracts may be cancelled, at the discretion of the Commissary General; and that if the contract be so cancelled, the cash deposit stated opposite each Schedule, as mentioned in paragraph 5 of this Notice, will be forfeited to Government.

7. It is also to be understood that any negligence, evasion, or refusal on the part of contractors to make supplies or obey orders, or any attempt on their part, or that of their agents, to pass off articles of an inferior quality in lieu of those they are bound to supply, or any neglect to deliver them at the time and place ordered, will subject them in every instance to be fined to the extent of Rupees (25) twenty-five, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

8. It is further to be understood that the contractors, or accredited agents on their part, approved of by the executive Commissariat Officer, are to attend at this Office daily, during the usual hours of business, i. e. from 10 A. M. to 5 P. M. (Sundays excepted), also at such other time or place as may be indicated by the executive

Commissariat Officer, when he may consider it desirable for the public Service to require such attendance.

9. Any party or parties whose offers are accepted will be required to produce unexceptionable securities, for the approval of the Civil or Cantonment Authorities, as may be necessary, within fifteen days from the date of the acceptance of his or their offers, or the contracts will be resold. No reason will be stated for rejecting any security offered.

10. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor or contractors will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appears, to the satisfaction of the Commissary General, that the delay was unavoidable.

11. The amount of retrenchments made by the Military Board on the contractors' bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted or such portion thereof will be refunded to them.

12. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in clause 9 of this Notice, will be interdicted from offering on future occasions, unless he produces a document from some person of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contracts on his or their offers being accepted.

13. The annual outlay on the above contracts is estimated as follows, viz :—

|                |                 |

Commissariat Office, Aden Field Force,

Camp, Aden, 12th August 1854.

## Notice

M. on Wednesday the 15th November 1854, and sealed tenders will be received at the Commissary General's Office, Bombay, on the same date, between the hours of 11 A. M. and 2 P. 5. But the contracts will be sold for the actual number of Troops that may be present on the day of sale, which will be duly notified to the bidders at the time, and the amount of monthly payment shall not be increased or decreased on account of Troops arriving at or departing from the Cantonment unless the strength of such details exceeds one-fourth the number of men for whom the contracts have been entered into. It is, however, to be distinctly understood, that any alteration in the number of Camp Followers will not entitle the contractors to claim any remission in the payment of the stipulated monthly amount of their respective engagements; the departure of Troops from the Cantonment, as above specified, will alone give claim for remission.

6. The conditions of the contracts shall not be considered binding, or in force in any respect, until the same are confirmed by the superior authority.

time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. It is to be clearly understood that such of the articles specified in the schedule as form part of the Rations for European Soldiers or Hospital Diet, are to be supplied under the rules laid down in G. G. O. No. 613 of the 10th October 1853, and No. 33 of the 11th January 1854, copies of which may be seen at this Office.

4. No person will be allowed to bid for the contract unless he previously deposits in this Office in cash the sum of Rs. (424) four hundred and twenty-four, which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted, in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Rupees (1,696) one thousand six hundred and ninety-six, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

5. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department, without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rs. (30) thirty to (200) two hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract, it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in para. 4 of this Notice will be forfeited to Government.

6. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees (25) twenty-five, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding Clause, no further penalty shall be leviable under this Clause.

7. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours

of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

8. Any party whose offer is accepted will be required to produce his securities for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

9. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

10. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

11. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 8 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

12. The annual outlay on the above contract is estimated at Rs. (33,920) thirty-three thousand nine hundred and twenty.

13. No reason will be assigned for the rejection of any offer.

## GENERAL RULES RELATING TO THE RECEIPT, DESPATCH, AND DELIVERY OF LETTERS BY DISTRICT POSTS.

*Approved of by the Governor General of India in Council, on the 12th August 1854.*

1. Wherever any local establishment may be maintained for the conveyance or delivery of the Police, Revenue, or other official communications, it shall also be made use of for the conveyance and delivery of private correspondence, and be designated a District Post.

2. All Office or Road establishments, attached to any District Post, will be under the control and management of the Officer to whom they may be entrusted by the local Government.

3. Such Police Stations and other Public Offices as may be selected by the local Government, shall be constituted District Post Offices, but this shall remain under the management and supervision of the same officials who are at present in charge of them.

4. A Letter Box, with a slit in the top or side, shall be fixed in a conspicuous place outside of every District Post Office. The words "Letter Box," in English and the Vernacular of the district, shall be painted on each box in legible characters.

5. All letters (except those to be specially registered) intended for despatch from any District Post Office, must be dropped into the Letter Box. No receipt will be given. Every letter posted at a District Post Office must have its proper postage stamp affixed to it.

6. Any person wishing to post a registered letter at any District Post Office, can do so on payment of a registry fee of four annas, in addition to the ordinary postage chargeable on the letter, according to its weight. A receipt in the proper form must, in all cases, be given to the poster of a registered letter, whether it be demanded or not. One anna of the registration fee will be allowed to the person registering the letter, the remaining three annas must be sent with the letter by the same day's despatch to the nearest Post Office.

7. Every District Post Office will be supplied by the Post Office Department with registered letter covers, forms of receipt and of register, and with the rules relating to registered letters.

8. Except when it may be opened for the purpose of taking out the letters preparatory to their despatch, the Letter Box shall remain locked, the key being in custody of the person in charge of the Office.

9. Fifteen minutes before the hour at which the despatches of the Office are usually made up, the Letter Box will be opened and the letters in it taken out. Those addressed to places to which there is a direct communication through the District Post will be separated from all other letters, sorted and packed in covers addressed to the Officer in charge of the District Post Office from which they will be delivered. The remaining letters will be made up into one packet, and addressed to the nearest Post Office with which he has a communication.

10. A Chulan or Letter Bill in the Vernacular (Form 2) will be sent with every packet despatched from a District Office to a Post Office. The Deputy Post Master or person in charge of the Post Office will, after satisfying himself that the contents of the packet agree with the Chulan, copy the entries into his register, sign, and by the next day's despatch return the Chulan. The receipted Chulans will be filed, and form the only record in any District Post Office of the despatches made from it.

11. All Chulans are to be numbered consecutively in a series, commencing on the 1st of May; and if any District Post Office is in the habit of sending packets to more than one Post Office, the Chulans sent to each Post Office will be numbered in a separate series.

12. All letters sent from one District Post Office to another will be accompanied by a Chulan (Form 1), which will be receipted and returned to the Despatching Office, to be filed as a record.

13. All letters received at any Post Office, to the address of persons resident in the same district, but beyond the limits of any ordinary post delivery, will, if the Post Office be at the head-quarters of the district, be sent with a Chulan (Form 3) to the Officer in charge of the District Post, to be by him sorted and forwarded to the District Post Offices of the several sub-divisions in which the residence of the addressees may be situated.

14. Persons in charge of Post Offices in the interior of districts receiving letters for persons residing beyond the limits of their ordinary delivery, but within the sub-division of a District Post Office with which they have direct communication, will send them, if pre-paid, for delivery to that Office, with a Chulan (Form 3). Letters for persons resident in the district,

but within a sub-division with which the receiving Office has no direct communication, must be sent to the Post Office of the head-quarters of the district. All letters bearing postage for delivery in the interior must be sent to the Post Office at the head-quarters of the district.

15. Officers in charge of District Post Offices will carefully compare with the Chulan the contents of every packet received. If the Chulan is correct, it will be receipted and returned; if not correct, the discrepancies will be noted thereon.

16. A Delivery Book (Form 4), showing the names of persons entrusted with the delivery of letters, will be kept in every District Post Office, and be the only record of letters received for delivery.

17. Letters will be delivered by such persons and under such rules as the local Government may from time to time determine. Every person through whom any District Post letter may be delivered, is authorized to receive a fee of one pice (a fourth of an anna) for his own use, in addition to any unpaid postage which may be due on it.

18. All postage realized on letters sent from any Post Office for delivery through the District Post will be remitted every Saturday to the Post Office at the head-quarters of the district, with the Remittance Book (Form 5). The person in charge of the Post Office will give a receipt for the amount in the opposite column, and return the book by the first despatch. At the close of the month a balance will be struck, showing the postage still due to the Post Office on letters which have been received; this balance will be brought forward, and a new account commenced on the 1st of the following month.

19. All letters which from any cause cannot be delivered, will be returned with as little delay as possible to the Post Office from which they were received, and if any unpaid postage be due on them, credit for the amount will be taken in the Remittance Book. Unpaid letters are never, under any circumstances, to be sent from one District Post Office to another.

20. A monthly Memorandum (the monthly totals of Form 4), showing the number of letters received for delivery at each District Post Office, will be prepared by the person in charge, and sent on the 2nd of the following month to the Officer in charge of the Post Office at the head-quarters of the district. Persons in charge of Post Offices will prepare similar memoranda, and send them to the Post Office at the head-quarters of the district. The Officer in charge will, before the 15th of each month, prepare a general Statement, showing the number of letters posted at, and delivered through the agency of the District Post Office in the preceding month.

C. J. DAVIES,

Deputy Commissioner of Customs, Salt, and Opium.

Bombay, Office of Commr. of Customs, Salt, and Opium, 4th Oct. 1854.

## Notice

Is hereby given, that persons desirous of entering into a contract for SUPPLYING PROVISIONS, &c. as may be required by the Commissariat Department at the Presidency, to last up to the 31st January next from the date of the acceptance of the offer, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the schedule or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Tuesday the 24th instant, at 1 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered, in the first instance at the Commissariat Stores at the Presidency if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. It is to be clearly understood that such of the articles specified in the schedule as form part of the Rations for European Soldiers or Hospital Diet, are to be supplied under the rules laid down in G. G. O. No. 613 of the 10th October 1853, and No. 33 of the 11th January 1854, copies of which may be seen at this Office.

4. No person will be allowed to bid for the contract unless he previously deposits in this office, in cash, the sum of Co.'s Rupees (754) seven hundred and fifty-four, which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract, when required to do so, on his offer being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Co.'s Rupees (3016) three thousand and sixteen, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

5. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rupees (30) thirty, to Rupees (200) two hundred, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the

contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General; and that if the contract be so cancelled, the cash deposit mentioned in paragraph 4 of this Notice will be forfeited to Government.

6. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees (25) twenty-five, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

7. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

8. Any party whose offer is accepted will be required to produce his securities, for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

9. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.

10. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

11. **Notice**

Is hereby given, that persons desirous of entering into a contract for SUPPLYING COUNTRY CLOTH, &c. as may be required by the Commissariat Department at the Presidency, for the term of two years from the date of the acceptance of the offer, may, on daily (Sundays excepted), obtain copies of the Schedule or list of prices, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Saturday the 7th proximo, at 2 o'clock precisely, when bidders will be required to bid a per-centage above or below the prices exhibited in the above list at which the supply will be made, on the understanding that the articles supplied are to be of unexceptionable quality, and according to musters which may be seen in this Office, or of the sort usually supplied, and are to be delivered in the first instance at the Commissariat Stores at the Presidency if required, and afterwards to the indenting Departments, in good condition, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded; and that the same are liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government; in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. No person will be allowed to bid for the contract unless he previously deposits in this Office, in cash, the sum of Rs. (338) three hundred and thirty-eight, which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract when required to do so, on his offer being accepted; in which latter case he must be prepared to give

unexceptionable bonded security to the further amount of Rs. (1,355) one thousand three hundred and fifty-five, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

4. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the articles, or such others as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rs. (25) twenty-five to (150) one hundred and fifty, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract, it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General, and that if the contract be so cancelled, the cash deposit mentioned in para. 3 of this Notice will be forfeited to Government.

5. It is also to be understood, that any delay, negligence, evasion, or refusal on the part of a contractor to make supplies or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will extent of Rupees (25) twenty-five, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

6. It is further to be understood, that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, i. e. from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

7. Any party whose offer is accepted will be required to produce his sureties for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

8. Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the articles, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appears, to the satisfaction of the Commissary General, that the delay was unavoidable.

9. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion

thereof, being remitted, the amount remitted will be refunded.

10. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in clause 7 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

11. The annual outlay on the above contract is estimated at Rupees (6,775) six thousand seven hundred and seventy-five.

12. No reason will be assigned for the rejection of any offer.

Acting Deputy Commissary General.
