Magistrate may direct revision at any time of the year, for reasons to be stated.

XV. The Magistrate may require the punchayet to revise the assessment at any period during the year; but on every such occasion he shall address a written order to the punchayet, specifying the reasons which render such revision necessary, and requiring an amended return, within a stated period, in the form prescribed in Appendix C of this Act.

If Punchayet refuse or omit to act, Magistrate may assume their functions.

XVIII. Provided that the functions of the punchayet shall not thereby absolutely cease and determine, but may be resumed at any time, only not so as to invalidate any act done by the Magistrate under this Section.

Proviso.

XIX. *Clause* 1.—No person shall be bound to act on a punchayet unless he shall reside or carry on business within the limits of the city, town, or other place for which the assessment is to be made.

Limitation of service on Punchayet.

Clause 2.—No person shall be compelled to serve on a punchayet for more than one year at a time, or within less than three years after the expiry of previous service; but this shall not be taken to prevent any person from serving continuously on a punchayet for any time whatsoever with his own consent.

Member of Punchayet removeable only on application of rate-payers.

XX. If a majority of the rate-payers in any district for which a punchayet shall be appointed, not being in arrear, make application in writing to the Magistrate for the removal of any member of the punchayet appointed to such district, the Magistrate, if he think it expedient, may remove such member from the punchayet.

Vacancies in Punchayet how to be filled.

XXI. *Clause* 1.—If any vacancy shall occur among the members of a punchayet, or if any member appointed shall refuse or decline, or be unable to act, the Magistrate may nominate and appoint another member to act in his stead, subject to the rules already laid down as to the original appointment of members; but it shall not be necessary on each occasion of filling up a vacancy in the punchayet to issue a new summud under Section IX. of this Act.

Punchayet to report any misconduct of Chowkeydars, or death or absence.

Clause 2.—The punchayet shall give notice to the Magistrate of any neglect or misconduct on the part of any Chowkeydar within the district for which they are appointed which shall come to their knowledge, and shall also give notice of any vacancy which shall occur in consequence of the death or absence of any Chowkeydar, or from any other cause.

Chowkeydars how to be appointed.

XXII. If any vacancy shall occur among the Chowkeydars employed under this Act, or if the Magistrate intimate that the appointment of a Chowkeydar is required, the punchayet of the district in which such vacancy occurs or such Chowkeydar is required, or the majority of them, shall nominate and appoint a fit person to be Chowkeydar,

and shall forward such person to the Magistrate, with a descriptive roll, specifying his name, age, place of residence, and previous pursuits, and the Magistrate, after making such inquiries as he thinks fit, may confirm such appointment by an order on the descriptive roll aforesaid. If the person aforesaid appear to the Magistrate to be unfit for the situation to which he has been nominated, the Magistrate may cancel his appointment, specifying in the order for such cancellation the cause thereof, and may direct the punchayet to make a fresh nomination; and if the punchayet do not, within fifteen days from the date of such order, nominate such a person as the Magistrate shall approve, the Magistrate may himself nominate and appoint a Chowkeydar to fill the said vacancy.

Appointment of Bukshees and other establishment.

XXIII. Subject to the approval of the Commissioner of Circuit, the Magistrate may appoint one or more Bukshees or Tax Collectors, and may employ such other establishment for preparing, or assisting the punchayet in preparing, the rates, for copying the same, for collecting the amount assessed, keeping the accounts and records, paying Chowkeydars, and otherwise carrying out the purposes of this Act, as may seem to him necessary.

Contingent expenses.

XXIV. The Magistrate may further incur any reasonable expense in the purchase of stationery, in providing badges, dresses, and weapons for the Chowkeydars, and for any other contingencies that may seem to him necessary.

Surplus funds may be devoted to Conservancy purposes.

XXV. After paying the wages of the Chowkeydars, and defraying the charges specified in the preceding two Sections of this Act, should any surplus remain, the Magistrate may, with the sanction of the local Government, appropriate such surplus to the purposes of cleansing the district, or of lighting or otherwise improving the same.

The Bukshee shall immediately remit to the Magistrate all sums of money collected either by himself or by any one of his establishment, and the Magistrate, or some officer of his establishment authorised on that behalf, shall give the Bukshee a receipt for every sum of money so remitted. Notice

Is hereby given, that persons desirous of entering into a contract with this Department for SUPPLYING BREAD to Troops on the march from the Presidency to the Deccan, for the term of one year from the date of the acceptance of the offer, may, on application at this Office from 11 A. M. till 5 P. M. daily (Sundays excepted), obtain copies of the schedule or list of price, and such information relating thereto as they may require.

2. Verbal offers for the contract will be received at this Office on Friday the 17th proximo, at 1 o'clock precisely, when bidders will be required to bid a per-centage above or below the price exhibited in the above list at which the supply will be made, on the understanding that the Bread supplied is to be of the first quality and delivered to Troops on the line of march, free of all charges beyond the stipulated price, in such quantities as may from time to time be demanded, and that the same is liable to examination and rejection by the executive Commissariat Officer, or by the indenting or receiving Officer; or by a Committee of Officers appointed on the part of Government, in the event of the contractor being dissatisfied with the decision of the above Officers, or either of them; it being understood that the decision of such Committee is to be final, and binding on all parties.

3. It is to be clearly understood that such of the articles specified in the schedule as form part of the Rations for European Soldiers or Hospital Diet, are to be supplied under the rules laid down in G. G. O. No. 613 of the 10th October 1853, and No. 33 of the 11th January 1854, copies of which may be seen at this Office.

4. Offers will be received only from parties residing at, or who have Agents in Bombay.

5. The party or parties whose offer may be accepted must supply every detail of Troops, proceeding from the Presidency to the Deccan, whose numerical strength may exceed seven, with fresh Bread throughout the march.

6. No person will be allowed to bid for the contract unless he previously deposits in this office, in cash, the sum of Co.'s Rupees (67) sixty-seven, which sum will be forfeited in the event of delay, evasion, or refusal on his part to execute the necessary deed of contract, when required to do so, on his offer being accepted; in which latter case he must be prepared to give unexceptionable bonded security to the further amount of Co.'s Rupees (268) two hundred and sixty-eight, which, together with the amount previously deposited, will be held as a guarantee for the due fulfilment of his contract.

7. A contractor must comply immediately with all emergent demands, and meet others of less urgency within the periods stated in the requisitions made upon him; in failure whereof, or if any supply be condemned by a Committee of Officers as aforesaid, the Bread, or such other article as may be required in lieu thereof, shall be purchased by this Department without delay, at his risk and cost, if it be considered expedient to do so; and in all such cases (30) thirty per cent. upon the amount of expenses incurred, or a fine of from Rupees (30) thirty, to Rupees (75) seventy-five, at the option of the executive Commissariat Officer, will be levied as liquidated damages for each and every such breach of contract; it being understood that the simple condemnation of any article by a Committee constitutes a breach of contract, whether the rejected articles be replaced by the contractor or by this Department; in every such case, also, it is to be understood that the contract may be cancelled, at the discretion of the Commissary General; and that if the contract be so cancelled, the cash deposit mentioned in para. 6 of this Notice will be forfeited to Government.

8. It is also to be understood that any negligence, evasion, or refusal on the part of a contractor to make supplies, or obey orders, or any attempt on his part, or that of his agents, to pass off articles of an inferior quality in lieu of those he is bound to supply, or any neglect to deliver them at the time and place ordered, will subject him, in every instance, to be fined to the extent of Rupees (25) twenty-five, at the option of the executive Commissariat Officer, from whose order an appeal may be made to the Commissary General, whose decision is to be final; but in cases when it may be deemed fit to exact any of the penalties provided for in the preceding clause, no further penalty shall be leviable under this clause.

9. It is further to be understood that the contractor, or an accredited agent on his part, approved of by the executive Commissariat Officer, is to attend at this Office during the usual hours of business, *i. e.* from 10 A. M. to 5 P. M. daily (Sundays excepted), also at such other time or place as may be indicated by the executive Commissariat Officer, when he may consider it desirable for the public service to require such attendance.

10. Any party whose offer is accepted will be required to produce his sureties, for the approval of the Honorable Company's Solicitor, within fifteen days from the date of the acceptance of his offer, or the contract will be resold. No reason will be stated for rejecting any security offered.

11. *Bills for articles supplied under this contract must be preferred within one month from the date of the delivery of the article, in default of which the contractor will forfeit the full value of the supplies for which bills have not been so preferred, unless it clearly appear, to the satisfaction of the Commissary General, that the delay was unavoidable.*

12. The amount of retrenchments made by the Military Board on the contractor's bills will be recovered from the first bills preferred for payment; but in the event of such retrenchments, or any portion thereof, being remitted, the amount remitted will be refunded.

13. Any party who, after offering for a contract, fails to furnish the necessary security, as provided for in Clause 10 of this Notice, will be interdicted from bidding on future occasions, unless he produces a document from some person or persons of unexceptionable character and sufficient means, guaranteeing the due execution and performance of the contract, on his offer being accepted.

14. The annual outlay on the above contract *is estimated at Co.'s Rs. (1,343) one thousand three hundred and forty-three.*

15. No reason will be assigned for the rejection of any offer.
