PART I-A.

Notifications under the Bombay Local Boards and District Municipal Acts.

GENERAL DEPARTMENT.

Bombay Castle, 13th February 1890.

No. 729.—Whereas for the reasons hereinbelow stated it appears to the Governor in Council that the Municipality of Paránţij is not competent to perform the duties imposed on it by law, the Governor in Council is pleased, in exercise of the power conferred upon him by Section 43 of the Bombay District Municipal Act Amendment Act, 1884, to declare that the said Municipality is incompetent, and to supersede it for a period of one year from the date of the publication of this order in the *Bombay Government Gazette*.

The reasons for this order are as follows :—

(1) Previous to 1888, octroi duties were levied for municipal purposes in Paránţij; but as these were found to operate as a transit duty on the general trade of the country and as the proceeds *minus* the cost of collection were insufficient for the needs of the town, the Municipality was advised by the Commissioner N. D. to abolish them and to substitute a house-tax for them.

(2) The matter was brought before the Municipality at a general meeting held on the 22nd September 1888, but a majority of the commissioners present at the meeting declined to adopt the suggestion of the Commissioner N. D. and to introduce a house-tax in lieu of the objectionable octroi duties.

(3) The behaviour of the Municipality was, in May 1889, reported to Government and the Municipality was, in June 1889, warned by the Governor in Council that persistence in its unreasonable refusal to impose a fair and moderate house-tax would lead to the adoption, in regard to the Paránţij Municipality, of the same course as Government had been forced to follow in the case of that of Mehmadabad.

(4) At a general meeting held on the 19th July 1889 the subject was again laid before the Municipality the members of which had already been informed of the warning given by Government. The Resolution which was proposed in favour of the imposition of a house-tax was, however, once more negatived.

(5) In spite of the warning given it, the Municipality having thus refused to substitute for a tax unfair in its incidence and obnoxious to the interests of the general public, a tax free from such objections, has neglected the opportunity given it of establishing its competency.

Proclamation.

No. 731.—Under the provisions of Section 10 of the Bombay District Municipal Act Amendment Act, 1884, the Governor in Council is pleased to declare that it is proposed to alter the limits defined in Notification, General Department, No. 3696, dated 26th September 1885, of the municipal district of Sávda, táluka Sávda in the Khándesh Collectorate, so that the said municipal district shall include—

Proclamation.

GENERAL DEPARTMENT.

Bombay Castle, 4th March 1890.

No. 949.—In accordance with Section 9 (*b*) and Section 10 of the Bombay District Municipal Act Amendment Act, 1884, His Excellency the Governor in Council is pleased to direct the publication, as required by the said sections, of a Proclamation announcing that for the exceptional reasons hereinbelow set forth it is proposed to extend the limits of the municipal district of Máhim in the Máhim Táluka of the Thána District, so as to include within its limits the town of Kelva.

2. The exceptional reasons required by Section 9 (*b*) of the said Act to be set forth for the proposal to include the town of Kelva in a municipal district with the town of Máhim, from which it is separated by an extent of more than one mile of land unoccupied by houses, are as follows:—

Kelva is a town containing over four thousand inhabitants. It was formerly a municipal district, but was unable to pay the expenses of municipal administration. A bridge is now in progress to connect it with the town of Máhim, and if these two towns are included in one municipal district separate establishments will be unnecessary and both towns will be able to enjoy the benefits of municipal administration and improvements at a reduced cost.

3. Any person entertaining any objection to the above proposal should submit the same, with the reasons therefor, in writing, to the Secretary to Government, General Department, within two months from the date of this Proclamation.
