FINANCIAL DEPARTMENT.

Bombay Castle, 5th November 1890.

No. 3673.—The following Notifications by the Government of India in the Home Department (Judicial) are republished:—

"HOME DEPARTMENT.

JUDICIAL.

Simla, the 24th October 1890.

No. 1569.—In exercise of the powers conferred by section 13 of the Charitable Endowments Act, VI of 1890, the Governor General in Council has been pleased to frame the following forms and make the following rules:

Note.—In these Rules 'the Government' means the Local Government or, when the Governor General in Council exercises under section 7 of the Act the powers conferred by sections 4 and 5 on the Local Government, the Government of India.

1. It being the wish of the Governor General in Council that the Government should not interfere under the Charitable Endowments Act, 1890 (hereinafter referred to as the

Cases in which there should ordinarily be previous publication of vesting orders and of schemes.

Act), in cases of doubt or dispute and that the jurisdiction of the Courts in such cases should in practice be left unaffected by the Act, the cases with which the Government will have to deal may be divided into two classes, namely, (1) cases of trusts, whether already established or proposed to be established, out of which it may be confidently predicated that contention cannot arise, and (2) cases out of which contention may possibly arise, however remote or unlikely the contingency. To the first class will belong such cases as those of Lawrence Asylums, Railway Schools, and Endowments in Government securities in general aid of the funds of specified dispensaries or schools. To the second class will belong most cases in which private persons apply for a vesting order or a scheme or modification of a scheme and all cases in which it is proposed to depart in any respect from the ascertained wishes or presumable intentions of the founder of an endowment. In cases belonging to the first class previous publication of proposed vesting orders and of proposed schemes and modifications of schemes will ordinarily be unnecessary: in cases belonging to the second class there should ordinarily be previous publication of such documents.

2. (1) When the Government, having regard to the last foregoing rule, is of opinion that a proposed vesting order or a proposed scheme or modification of a scheme, should not be made or settled without previous publication, it shall publish a draft of the proposed order, scheme or modification, or a proper abstract thereof, signed by one of its Secretaries, for the information of persons likely to be affected thereby.

(2) The publication should be made in the official Gazette and in such other manner as the Government may prescribe.

(3) There shall be published, with the draft or abstract, a notice specifying a date at or after which the proposed order, scheme, or modification will be taken into further consideration.

(4) The Government shall consider any objection or suggestion which it may receive from any person before such date with respect to the proposed order, scheme, or modification.

3. The cost of the previous publication under the last foregoing rule of any proposed order, scheme, or modification of a scheme, and any other costs incurred or to be incurred in the making or settlement of the order or of the scheme or modification, shall be paid by the applicants for the order, scheme, or modification, and if the Government so direct, may be paid by them out of any money in their possession pertaining to the trust to which their application relates.

4. In the case of property vested in a Treasurer of Charitable Endowments other than securities for money, the persons acting in the administration of the trust, and having under section 8, sub-section (3), of the Act the possession, management, and control of the property and the application of the income thereof, shall, in books to be kept by them, regularly enter or cause to be entered full and true accounts of all moneys received and paid respectively on account of the trust, and shall, on the demand of the Government, submit annually to such public servant as the Government may from time to time appoint in this behalf, in such form and at such time as the Government may from time to time prescribe, an abstract of those accounts and such returns as to other matters relating to the administration of the trust as the Government may from time to time see fit to require.

5. The following are prescribed as the fees to be paid to the Government in respect of any property vested under the Act in a Treasurer of Charitable Endowments :

- (1) In the case of securities for money—
 - (a) For the purchase and sale of securities, a commission of $\frac{1}{2}$ per cent., in addition to any actual outlay on brokerage.
 - (b) For drawing interest, a commission of $\frac{1}{2}$ per cent.
 - (c) For remitting interest, the actual charges incurred.
- (2) In the case of property other than securities for money, the actual charges incurred by the

Treasurer in the discharge of his functions in respect of the property.

The Treasurer may deduct any fees payable to the Government on account of any Endowment from any money in his hands on account of such Endowment. If he holds on such monies the amount should be claimed from the administrators.

6. All copies of vesting orders received by the Treasurer will be filed together and will be numbered in consecutive order of their receipt; when a sufficient number have been received, they will be bound in volumes. A note will be made on each vesting order of any entries in the registers prescribed below relating to the property vesting in the Treasurer under the order.

Accounts of securities for money.

7. On the receipt of any securities for money, or on their purchase by himself, the Treasurer will record their receipt in a register in Form No. 1. He will also keep a separate account for each endowment in Form No. 2, in which he will record all receipts including any amounts sent for investment, and all disbursements. In the cash account the Treasurer will record only his own transactions (such as the payment of the money to the administrators), not the transactions of the administrators of the endowment fund.

8. The Treasurer will keep a record in the appropriate columns of Form No. 1 of all securities returned by him. The return will also be entered in Form No. 2, where the amount returned will be deducted from the capital of the endowment concerned.

9. If the securities elsewhere than in Madras and Bombay consist of Government promissory notes, they will be forwarded to the Comptroller General for custody under the general rules laid down in the Civil Account Code; but the securities held under the Act must be forwarded separately, and the Treasurer will keep a separate register under those rules for these securities, and will also keep a separate file of the acknowledgments.

The Treasurer will retain in his own custody all securities for money other than Government promissory notes.

10. The Treasurer, on receipt of any interest on securities, will pass it through his General Trust Interest Account under a special sub-head, 'Interest on Charitable Endowments under Act VI of 1890.' The interest will then be distributed to the various ledger accounts (Form 2), in which the gross amounts must be shown, any deductions for fees, &c., being shown as a charge, and the payment of the balance to the administrators being also shown as a disbursement. The entries in the ledger of interest received must be taken out and agreed annually with the total amount of interest drawn.

11. The register in Form No. 1 will show all securities vested in the Treasurer as such, whether actually held by him or by the Comptroller General as his agent. In order to prove the balance actually held by the Treasurer in his own hands, a balance sheet in Form No. 3 will be made out annually and agreed with the actual securities in the Treasurer's possession; such agreement will be certified on the balance sheet.

12. The accounts of the interest and the annual agreement of balance will be made at the time which the Local Government may direct under section 9 of the Act for the publication of the list of properties held, and of the abstract of accounts.

Property other than securities.

13. The Treasurer will enter in a register in Form No. 4 any property other than securities which becomes vested in him, and will record in the same register against the original entry a note of any property of which he is divested.

Publication of lists and abstract of accounts.

14. The list of properties vested in the Treasurer to be published annually shall be in Form No. 5. Part I will relate to properties other than

securities; Part II will relate to securities, and will also contain the abstract of accounts required by the Act to be published. The Treasurer will demand and receive acknowledgments from the administrators of the correctness of the balances when published.

Audit of accounts.

15. The Treasurer's accounts will be audited—

- (a) where there is an Outside Audit Section of the Accountant General's Office,—by such section annually;
- (b) where there is no such section,—by a Deputy Auditor General at such periods as the Auditor General may direct.
