No. 83.—The following Notification by the Government of India is republished:—

“DEPARTMENT OF FINANCE AND COMMERCE.

ACCOUNTS, &c.

PUBLIC DEBT.

Calcutta, the 7th January 1888.

No. 96.

RESOLUTION—By the Government of India, Department of Finance and Commerce.

In accordance with the provisions of the Indian Securities Act, XIII of 1886, the Governor General in Council is pleased to make the following rules under section 14 of the Act:—

1. Interest cages, shewing the several half-years at which interest will accrue, shall be imprinted on the reverse of each new note issued, and payment shall be recorded by the stamp of the Disbursing Office, or by a manuscript entry, over the space apportioned to the half-year concerned. If payment be made at a Presidency town, the recording entry shall shew the Presidency and the date and number of the issuing warrant, which shall be in the form of a negotiable instrument payable to the holder's order. But if payment be made at a District Treasury, the recording entry shall shew the name of the Treasury, the number borne by the payment voucher, and the date of payment; this entry shall be authenticated by the initials of the

Treasury Officer, and the holder's receipt shall be taken on the face of the payment voucher. If, however, the note be of the old form, and bear no interest cage, the holder's endorsement for interest will be required on the note itself, and payments will be authenticated by the Disbursing Officer under the endorsement as heretofore.

2. Under the preceding rule, interest cages shall be imprinted, and (in the case of notes in the old form) holder's endorsements for interest shall be written only on the back of the note itself.

3. If the note be of the old form and bear no interest cage, the holder's endorsement for interest should agree letter for letter with the name in the body of the note, or in the transferring endorsement, as the case may be; the usual signature may be added below.

4. An endorsement or receipt by a native female must be attested by the signatures of at least two respectable witnesses, who must attend before the Officer in charge of the Treasury where interest is payable, and certify to the genuineness of the endorsement or receipt.

5. Notice of any private trust in an endorsement or receipt for interest is inadmissible.

6. A note blank endorsed by the holder is not receivable at any Government Treasury or at the Public Debt Offices in the Presidency towns. The holder of any such security will therefore be required to specially endorse the same before submitting it for payment of interest.

7. The holder of a note may be required to receipt the same for renewal in all or any of the following cases, that is to say:—

- (1) If the note has been enfaced for payment of interest at a Mofussil Treasury, and the holder thereof is desirous of altering the place of payment.
- (2) If only sufficient room remains on the back of the note for one further endorsement, or when any word or words is or are written upon the note across any existing endorsement or endorsements, all cross endorsements being strictly prohibited.
- (3) If the note is torn or in any way damaged or crowded with writing, or unfit, in the opinion of the officer before whom it is produced for payment of interest, for receiving endorsement.
- (4) If, in the opinion of such last-mentioned officer, the title of the person presenting the note for payment of interest is irregular or not fully proved.
- (5) If the note in question, being a counterpart note issued under the provisions of Rule 8, has ceased to be the property of a minor, or to belong to an estate in which administration is limited to interest.

In all or any of the preceding cases payment of any further interest on such note may be refused until the note is receipted for renewal and actually renewed.

8. In the case of any note which is the property of a minor or belongs to an estate in which administration is limited to interest, the Public Debt Office at Calcutta may, upon such note being deposited with them, issue to the holder of such note a counterpart thereof having the words 'counterpart not negotiable' stamped across the face thereof, and further payments of interest may be recorded upon such counterpart. Whenever such note shall cease to be the property of a minor, or shall cease to belong to an estate in which administration is limited to interest, the further payment of interest in respect of the note may be refused, until the first or any subsequent counterpart (as the case may be) issued in respect of it has been receipted and renewed in the manner provided in the last preceding rule. Upon such counterpart being receipted and renewed as aforesaid, the same, together with the original note and any preceding counterpart issued in respect thereof, will be cancelled.

9. No payment of interest and no record or acknowledgment of the payment of interest and no issue of a counterpart note under the preceding rules is to be deemed or taken to be an acknowledgment of the title of the holder of any note.

10. The following fees are payable in respect of applications under sections 11 and 12 of the Act:—

For each renewed or duplicate security, 4 annas per cent. if the new note does not exceed Rs. 400, and Re. 1 if the new note exceeds that sum.

11. A note tendered for renewal must be receipted on the reverse as follows:—

'Received in lieu hereof a renewed note in the name of _____, with interest payable at _____'

Signature of holder.'

12. If a person tendering a note for renewal applies for more than one note in lieu of the note tendered, the latter must be receipted on the reverse as follows, or as near thereto as circumstances will admit:—

'Received in lieu of the within two (or more) notes for Rs. _____ respectively in the name of _____ with interest payable at _____'

Signature of holder.'

13. If a person tendering more than one note for renewal applies for one consolidated note in lieu of the notes tendered, the latter must be receipted as follows, or as near thereto as circumstances will admit:—

'Received in lieu of the within a new note in the name of _____ for Rs. _____ by consolidation with Promissory Note or Notes Nos. _____ (mentioning the numbers and amounts of the other notes desired to be consolidated with it) with interest payable at _____'

Signature of holder.'

14. The form of receipt mentioned in the foregoing rules must be very clearly and correctly written, and there must be no ambiguity as to the name of the payee of the new note. The holder's signature should agree letter for letter with the name in the body of the note, or in the transferring endorsement, as the case may be; the usual signature may be added below.

15. The holder of any note requiring renewal may procure a renewed note in lieu of his original security in any of the following ways; that is to say, he may present it duly receipted either in person or through a representative at—(1), Public Debt Office, Bank of Bengal, Calcutta; or (2) at a Government Treasury for transmission to that office; or (3), at the Banks of Madras and Bombay, who, as Agents of the said Bank of Bengal, may either renew such notes on their own responsibility, or may forward them to the said Public Debt Office, Bank of Bengal, for renewal. In the case of notes presented direct to the said Public Debt Office, Bank of Bengal, or transmitted to it for renewal, either through a Government Treasury or the Bank of Madras or of Bombay, the prescribed officer referred to in section 11 of the said Act shall be the Secretary, Bank of Bengal, for the time being; and in the case of notes presented for renewal at the Bank of Madras or of Bombay, and renewed by those Banks on their own responsibility, such officer shall be the Secretary of the Bank of Madras or of the Bank of Bombay, for the time being, as the case may be.

16. The officer referred to in section 12, subsection (1), of the Act, shall be the Comptroller General for the time being.

17. The loss or destruction of a Promissory Note shall be notified, in the first instance, by letter addressed to the Bank of Bengal, Public

Debt Office, Calcutta; such letter shall contain the following particulars:—

- (1) Particulars of the note according to the following form:—

- (5) Particulars of coupons attached (if any).
- (6) Where encased at present.
- (7) The circumstances attending the loss.

The above letter shall be accompanied by—

- (c) A letter signed by the Officer of the Treasury or Presidency Bank where interest was last paid, certifying the last payment of interest made on the note, and to whom, if interest was paid out of Calcutta.

- (e) Any portions or fragment which may remain of the lost or destroyed note.

A duplicate of the letter to the Public Debt Office, Calcutta, must also be sent to the Treasury where interest is payable.

18. The loss or destruction of a Promissory Note shall be further notified by an advertisement, which the applicant for a duplicate note shall cause to be inserted in three successive issues of the *Gazette of India*, and of the Local Government Gazette of the place where the loss or destruction occurred. Such notification shall be in the form following, or as near thereto as the circumstances will admit:—

19. At the expiration of six months from the date of the insertion of the last advertisement, the Comptroller General shall, if satisfied of the loss or destruction of a portion of a note,

and of the justice of the claim of the applicant, and if a sufficient portion for the identification of the note so lost or destroyed shall have been produced, direct the Public Debt Office, upon the execution of such bond of indemnity as is hereinafter mentioned, to issue to the applicant a duplicate note in lieu of that so lost or destroyed as aforesaid. If, however, no portion or no sufficient portion of the note so lost or destroyed shall have been produced as aforesaid, then, at the expiration of two years from the date of the insertion of such last advertisement, the Comptroller General shall, if satisfied as aforesaid, pass an order directing the Public Debt Office, upon the execution of such bond of indemnity as is hereinafter mentioned, to pay the applicant interest in respect of the note so lost or destroyed pending the issue of a duplicate note and also directing the said Public Debt Office, at the expiration of six years from the date of the publication of the list in which the lost or destroyed security is first mentioned, if no reason to the contrary appear, to issue to the applicant (on his executing and procuring the execution by two sureties of such indemnity bond as is hereinafter mentioned, should the same be deemed necessary by the Comptroller General), a duplicate note in lieu of that so lost or destroyed as aforesaid.

20. The Comptroller General may, within six years of the date of an order passed by him under Rule 19, if he finds sufficient reason, alter or cancel such order, and may also require that the interval before the issue of a duplicate note be extended to twelve years, or such shorter period not being less than six years, as he may think fit.

21. Indemnity bonds when taken on the issue of a duplicate note or notes shall be for twice the amount of such note or notes, and when taken on the issue of orders for payment of interest shall be for twice the amount of the interest involved, that is to say, twice the aggregate amount of all back interest accrued due on the note, plus twice the amount of all interest to accrue due thereon, during the six years which will have to elapse before the issue of a duplicate note can be made. In simple cases such bonds may be issued by the Comptroller General at Calcutta in a printed form prescribed by Government. No fee will be chargeable if a bond does not exceed in amount Rs. 500; but on bonds for higher amounts a fee of Rs. 5 for every Rs. 1,000 or part of Rs. 1,000 will be charged, provided that no fee for any one bond so issued shall exceed in amount Rs. 30. If, however, the Comptroller General consider that the circumstances of the case demand that a bond shall be specially prepared by the Government Solicitor, a fee of Rs. 32 shall be payable to that officer.

22. The list of securities lost or destroyed, referred to in section 12 (3) of the said Act in respect of which an order is made for payment of interest pending the issue of a duplicate security, or for the issue of such duplicate security, shall be advertised half-yearly in the *Gazette of India* in the months of January and July, or as soon afterwards as may be convenient. All securities in respect of which an order has been passed as aforesaid shall be included in the first

list published next after the passing of such order, and shall continue to be advertised every half-year until the expiration of six years from the date of first publication, or from the date of the last payment of interest on the original securities, whichever is the later date.
