G. JACOB,
Acting Registrar.

Bombay, 26th March 1888.

BY THE ACCOUNTANT GENERAL.

CIRCULAR No. 8-(GS).

GOVERNMENT SECURITY DEPARTMENT.

Dated 15th March 1888.

From—The ACCOUNTANT GENERAL, BOMBAY;
To—All COLLECTORS and TREASURY OFFICERS.

I have the honour to inform you that as the Government of India in the Department of Finance and Commerce have decided that no income tax is to be deducted from the interest paid upon special non-transferable forms of Government Promissory Notes held by Native Ruling Chiefs, I request that in future you will be so good as to discontinue levying such tax on interest paid from your treasury on any such notes.

CIRCULAR No. 9-(R).

RESOURCE DEPARTMENT.

Dated 16th March 1888.

From—The ACCOUNTANT GENERAL, BOMBAY;
To—All COLLECTORS and TREASURY OFFICERS.

With reference to paragraphs 19 and 20 of Chapter 30 of the Civil Account Code, I have the honour to request that when in future you are required to make remittances of Currency Notes of or above the value of Rs. 50,000, you will send the notes whole under Police escort, instead of in halves by post, as the cutting of notes, especially new ones, spoils them and leads to their cancellation at the Paper Currency Office sooner than would otherwise be necessary.

2. Those Treasuries which remit their surplus to Bombay under standing orders should of course always take the opportunity of sending notes along with specie under one Police escort. Whenever it is necessary to make a remittance of notes only, a potdár should be sent in charge, in the same way as for a specie remittance under Rule 15, Chapter 30, Civil Account Code, provided the value of the remittance is one lách or more.

CIRCULAR No. X (T. A. D.)

Bombay, 20th March 1888.

From—The ACCOUNTANT GENERAL, BOMBAY;
To—All COLLECTORS, TREASURY OFFICERS, CONTROLLING OFFICERS and DISBURSING OFFICERS.

It has been the practice, hitherto, for officers drawing money on abstract bills, to send detailed

bills, accounting for the amounts so drawn, to the Controlling officers *through Treasury officers*, who note on them the dates of payment of the abstract bills.

2. This practice is not authorised and serves no useful purpose, but imposes unnecessary labour upon Treasury officers and occasions considerable delay in the submission of detailed bills to this office for adjustment.

3. I have the honour therefore to request that detailed contingent bills may, in future, be submitted to the respective controlling officers direct, without the intervention of the treasuries, where the abstract bills are cashed. Controlling officers will send these bills to my office after counter-signature as at present.

4. I take this opportunity of drawing renewed attention to this office Circular No. A.I.—16556 of 13th March 1875 (reproduced below for facility of reference) which has not been cancelled by any later one, but to which sufficient attention has not been paid of late. Treasury officers will be particularly careful to refuse payment of abstract bills after the 10th, unless supported by a certificate that detailed contingent bills for the preceding month have been submitted to the controlling officer. Any remissness in this respect will be reported to Government in the annual report on the working of Treasuries.

CIRCULAR No. A.I.—16556 of 1874-75.

TREASURY ACCOUNT DEPARTMENT.
Bombay, 13th March 1875.

From—The ACCOUNTANT GENERAL, BOMBAY.

To—The TREASURY OFFICER.

I have the honour to inform you that, in order to expedite the adjustment of contingent expenditure His Excellency the Governor in Council has directed that, in future, no officer is to be allowed to draw money on a contingent abstract subsequent to the 10th of any month, unless he attaches to the first abstract, presented for payment at the treasury after that date, a certificate to the effect that his detailed contingent bills for the preceding month have been forwarded with all necessary vouchers to the head of his Department. I beg that you will strictly adhere to these instructions and that you will, on no account, make any payment for contingencies in the absence of the certificate mentioned above. It would be convenient to have the certificate written on the abstract; but when it is not so written, it should invariably be attached to it for the information of this office.

CIRCULAR No. XI.—(T.A.D.).

Dated 20th March 1888.

From—The ACCOUNTANT GENERAL, BOMBAY;

To—All HEADS OF DEPARTMENTS (EXCEPT of the JAIL, SURVEY and FOREST DEPARTMENTS) and COMMISSIONERS, COLLECTORS, TREASURY OFFICERS and DISTRICT SUPERINTENDENTS OF POLICE.

The new contract for contingent charges comes^s into force from 1st April next and the new form^s will supersede the old forms of Contract Contingent Bills and Contingent Registers. New form^s

have been printed and are kept in stock by the Superintendent of the Government Central Press.

1. Contract Bill Form for general use.
2. Contract Bill Form for charges under the Head 32 Miscellaneous (to be indented for only by those officers who have allotments under that Head).
3. Contingent Register Form.

I have therefore the honour to request that you will indent for the forms noted in the margin immediately and discontinue the use of the old forms from 1st April. Bills prepared in the old forms will not be cashed at the treasuries.

2. Sheets for the Contingent Register will be issued loose and will be bound by Disbursing Officers into three separate books for the three classes of Contingencies, viz., (a) Contract, (b) Countersigned and (c) Special. There is no objection to separate pages of the same volume being set aside for the different classes of Contingencies.

3. The grants for Contract Contingencies will be communicated as soon as they are sanctioned by Government. It is to be distinctly understood that these grants are *on account* to be exceeded. If any officer exceeds them without the previous sanction of Government, the excess will be recovered from his personal allowances and will not be refunded till sanction for the excess has been obtained.
