No. 8.—The following rules made by His Excellency the Governor in Council to regulate the making of surveys at the Port of Bombay, under Section 24 of the Indian Steam-Ships Act of 1884, and which have received the sanction of His Excellency the Governor General in Council in accordance with Section 42, clause (5), of that Act, are published for general information:—

1. Every application for the survey of a steamship at the Port of Bombay shall be made between the hours of 10 A.M. and 5 P.M. on any day except Sundays or holidays on a

printed sheet in the form No. 1 hereto annexed, which will be supplied for this purpose at the Port-office, and must be lodged at the Port-office at least three clear days before the day on which it is desired that the survey shall take place.

No application will be attended to which is not made in conformity with this rule.

2. Upon receipt of an application in the form aforesaid, duly filled in, the Port Officer will, in communication with the Surveyors, fix a date and hour at which the survey shall be commenced, and will forward to the applicant an intimation of the date and hour so fixed, together with a list of the requisite preparations for the survey of the steam-ship. The said intimation and list shall be in the form No. 2 hereto annexed.

The Port Officer shall usually arrange for surveys being made in the order in which applications therefor are received.

3. If every part of the steam-ship is not ready for survey at the time so appointed, or if the requisite preparations have not been made in accordance with the list forwarded to the applicant under the last rule, the Surveyor may fix some other convenient time for the survey.

If the Surveyor is unavoidably prevented from being present at the time fixed, the earliest possible intimation shall be sent to the applicant, and some other time, convenient to the applicant and to the Surveyor, shall be fixed for the survey.

4. With a view to obviate inconvenience and delay, Owners and Masters, whose vessels are in dock or undergoing repairs, should communicate at once with the Surveyors, if their vessels have afterwards to be surveyed.

5. If a Surveyor finds that any defect exists in the hull, machinery or equipments of a steam-ship, he shall, before refusing to give a declaration regarding the ship under Section 11 of the Act, address a letter in the form No. 3, hereto annexed, to the Owner or Master of the steam-ship, pointing out such defect and repairs, &c., necessary to make good the same.

If the Surveyor be subsequently informed by the Owner or Master that the requisite repairs, &c., have been executed, he shall, with the approval of the Port Officer, pay one or more extra visits to the steam-ship, and thereafter either give or refuse a declaration as he shall think proper.

6. Every declaration of survey furnished under Section 11 of the Act shall be in form No. 4a in form No. 5 hereto annexed, and shall contain the several particulars therein prescribed.

7. Every such declaration shall be sent, in accordance with Section 12 of the Act, by the Owner or Master to whom it is given to the Port Officer, Bombay.

8. Certificates of survey shall be in the form No. 6 attached to these rules or in such other form as the Governor General in Council may hereafter direct.

9. The notice to be given under Section 13, sub-section (3) of the Act, to the Owner or Master when a certificate is ready for delivery, shall be given under the signature

of the Port Officer, Bombay, in the form No. 5 hereto annexed.

The Port Officer,	
Port Office,	Bombay.
Steam-ship Survey Department.

12. Whenever two Surveyors are employed by order of Government under Section 20 of the Act instead of one only, to make a survey, and whenever two Surveyors are directed by Government under Section 21 of the Act to make a second survey, one of the said Surveyors shall be a Shipwright Surveyor and the other an Engineer Surveyor, and they shall respectively perform the portion of the duties which appertain to the Shipwright's and Engineer's Departments, and in any case in which doubt shall exist, their respective duties shall be specifically determined by the Port Officer of Bombay.

13. A fee at the following rates shall be payable for certificates of survey:—

No. 901.—His Excellency the Governor left Bombay on Friday the 28th ultimo by the Mail Train to proceed to the British-Indian and Portuguese-Indian Frontier for the purpose of meeting His Excellency the Governor General of Portuguese India there, and of linking with him the West of India Portuguese Railway to the Southern Marátha Railway system. Halting at Belgaum, His Excellency received there an address from the Municipality, and on Tuesday the 31st of January he proceeded to Castle Rock on the British Frontier attended by His Excellency's personal Staff, and accompanied by the officials of the Southern Marátha Railway Company, the Commissioner of the Southern Division, and a large party of Civil and Military Officers from the adjoining districts of Kánara, Dhárwár and Belgaum.

2. His Excellency the Governor General of Portuguese India, attended by His Excellency's personal Staff, and accompanied by the Political Secretary to the Government of Bombay who had proceeded to Marmagoá for the purpose, and by the Agent and officials of the West of India Portuguese Railway and the Civil and Military Officers of Goa, left in a special train at 7-30 A.M. and arrived at the Frontier at the same time that the Special Train conveying His Excellency the Governor of Bombay arrived.

3. Their Excellencies having left their respective trains exchanged compliments, while the Band played the English and Portuguese National Anthems, and at the invitation of Mr. Sawyer, the Chief Engineer, they simultaneously united the lines by means of silver keys which Mr. Craik, the Traffic Manager of the Southern Marátha Railway, presented to them. On behalf of the Government of India and at the desire of His Excellency the Viceroy, the Governor expressed the satisfaction which it gave him to bring to a completion, with the aid of His Excellency the Governor General of Portuguese India, the construction of an International line which afforded

the best guarantee for peace, international friendship, and commerce. His Excellency the Governor General reciprocated these sentiments, and they were immediately reported by telegraph to Her Majesty the Queen-Empress of India and to His Most Faithful Majesty the King of Portugal. Their Excellencies then proceeded to Castle Rock, where the Southern Marátha Country Railway Company entertained their illustrious guests and the officers who formed their parties at lunch. After lunch His Excellency the Governor General of Portuguese India took His Excellency the Governor to Marmagoã, where a banquet, followed by a Ball, was given to them by the West of India Portuguese Railway Company. After the banquet and the loyal toasts had been given, the Chief Engineer and Agent of the West of India Portuguese Railway responded on behalf of that Company, while in the unavoidable absence of the Chief Engineer and Agent of the Southern Marátha Railway Company Mr. Craik responded on its behalf.
