#### “DEPARTMENT OF FINANCE AND COMMERCE.

##### PENSIONS AND GRATUITIES.

Special Pensions to Chief and Superintending Engineers.

*No. 4047, dated Simla, the 24th July 1888.*

RESOLUTION—By the Government of India, Department of Finance and Commerce.

Read—

Paragraph 2 of Resolution by the Government of India in this Department, No. 449, dated 18th April 1884.

Despatch to Her Majesty's Secretary of State for India, No. 16-P, W., dated 20th March 1888.

Despatch from Her Majesty's Secretary of State for India, No. 21 P. W., dated 17th May 1888.

By the Resolution in this Department of the 18th April 1884, special additional pensions of Rs. 2,000 and Rs. 1,000 respectively were authorised as rewards for approved service for Civil Engineers who might render three years' service as Chief Engineer or as Superintending Engineer. It was not, however, decided whether the service qualifying for these special Pensions must be substantive service, or whether periods of temporary service might be included. On this question being raised, the opinions of selected officers were obtained and submitted to the Government of India, and after consideration of them, and in accordance with the principle laid down in the Civil Pension Code that two officers cannot count service for pension at one time in the same appointment, the Secretary of State was requested to allow active service, both substantive and temporary, to count as service qualifying for these special pensions, periods of furlough being excluded.

RESOLUTION.—This proposal has been sanctioned by Her Majesty's Secretary of State for India. In future, therefore, all service, whether temporary or substantive, will count as service

towards the extra pensions, but periods passed on leave, other than privilege leave, will be excluded.

Periods of three months and under, during which an officer merely officiates as a purely temporary measure, will not count.

2. It is important, however, to bear in mind that these extra pensions cannot be claimed as a matter of right, but that they will only be granted, at the discretion of the Government of India, as rewards of approved services.

ORDER.—Ordered, that a copy of this Resolution be forwarded\* to the Public Works Department for information and guidance, and that the Resolution be published in the Supplement to the *Gazette of India*.

(Signed) E. J. SINKINSON,  
Offg. Secretary to the Government of India.\*

## TREASURY ACCOUNT DEPARTMENT.

From—The ACCOUNTANT GENERAL, BOMBAY;  
To—All COLLECTORS and TREASURY OFFICERS.

It has been arranged, in consultation with the Commissioner of Customs, Salt, Opium and Abkári, that the pay of all Abkári Inspectors and Sub-Inspectors on Rs. 50 per month and below, whose appointment and promotion are regulated by the Collectors of the districts in which they are posted, should be drawn on establishment bills signed by the Collector, instead of on separate bills, in the form for personal salaries, as has lately been the practice.

2. I have therefore the honour to request that you will be good enough to give effect to this arrangement, commencing with the pay bills for August 1888, payable in September 1888. There will be one bill for all such officers in the same district.

3. When an officer of this class is transferred from one district to another, under the orders of the Commissioner of Abkári, a copy of such order, together with a Last Pay Certificate, from the Collector of the district from which he is transferred, must be attached to the first bill in the new district on which his pay is drawn.
