PART I-A.

Notifications under the Bombay Local Boards and District Municipal Acts.

GENERAL DEPARTMENT.

Bombay Castle, 8th May 1888.

No. 1469.—Whereas, for the reasons herein below stated, it appears to the Governor in Council that the Municipality of Mehmabad is not competent to perform the duties imposed on it by law, the Governor in Council is pleased, in exercise of the power conferred upon him by Section 43 of the Bombay District Municipal Act Amendment Act, 1884, to declare that the said Municipality is incompetent and to supersede it for a period of one year from the date of the publication of this order in the *Bombay Government Gazette*.

The reasons for this order are as follows:—

- (1) Previous to 1885, octroi duties were levied for municipal purposes in Mehmabad; but as these were found to operate as a transit duty on the general trade of the country, the Municipality were advised by Government to abolish them and to substitute a house-tax for them.
- (2) The Municipality at first agreed to adopt this course, but on the 4th June 1885, they passed an objectionable and ill-advised resolution rejecting the house-tax. They were then warned by Government that if they should fail to adhere to their previous decision for imposing the tax, it would have to be seriously considered whether Mehmabad was a fit place for having conferred upon it the right of electing a large propor-

tion of its own municipal commissioners under the new Municipal law.

- (3) Upon this, the house-tax was finally approved by the Municipality and sanctioned by Government. But owing to certain flaws in the procedure by which the Municipality arrived at the resolution to impose it, the local Civil Court has held in certain suits brought against the Municipality, that its imposition was illegal.
- (4) The Municipality when placed in this difficulty, instead of taking prompt measures to re-impose the house-tax in a lawful manner at rates sufficiently high to cover the anticipated loss from refunds, or to sanction some other unobjectionable form of taxation, rejected all proposals for imposing direct taxes and resolved to re-introduce octroi duties.
- (5) They were then warned by the Governor in Council, in November 1887, that persistence in this course would compel Government to declare them incompetent and to supersede them; and they were given a further opportunity of retrieving their position. They were at the same time informed that no tax would be sanctioned by Government which was open to any such objection as would lead Government to disallow its levy under Section 41 of the Bombay District Municipal Act Amendment Act, if it were already in force; that for this reason octroi should on no account be imposed, and that,

while not insisting upon the imposition of any particular form of taxation, the Governor in Council adhered to the opinion that no more suitable or equitable tax could be imposed in Mehmabad than one on houses.

- (6) In spite of this warning and of the opportunity for establishing their competency thus afforded to the Municipality, they have since

determined, by a majority of five to two, to re-introduce octroi and not to re-impose a house-tax. They have thus brought the Municipal administration of the town to a deadlock, the Municipal establishments have not been paid for some months past, and no revenue is being realized for defraying current charges.
