report every such case or death to the pilot or other boarding officer at the earliest opportunity, who shall cause to be hoisted (in the port of Bombay itself before passing the Prongs Light-house) the following signal :

During the day the Code Flag over "L" (a square flag of yellow and black borne quarterly) of the Commercial Code and during the night three white lights in a vertical line, one over the other, not less than three feet apart, placed irrespective of any particular mast,

and shall anchor the vessel in the place appointed for the purpose.* He shall not allow any of the passengers or crew to leave the vessel until pratique is granted.

3. So long as the abovementioned signals provided for by Rule 2 are shown, no tinal or other person in charge of, or navigating any boat shall, without the permission of the Port Health Officer, attempt to make such boat fast to, or take it alongside such vessel, when she is anchored in the place referred to in Rule 2 or while she is flying the signal referred to in the same rule.

4. The crew and passengers of all vessels arriving from the East Coast of Africa or other infected places shall be medically inspected on arrival at a port in the Bombay Presidency including Sind and Aden and shall be dealt with as laid down in Rule 9.

Note.—The penalty for disobedience is prescribed in sub-section (3) of section 6 of the said Act, viz., a fine which may extend to Rs. 1,000.

6. Nothing in these rules shall be deemed to prevent a vessel whose master is unwilling to submit to these regulations from proceeding to sea, provided that there has been no communication between such vessel and the shore or with any other vessel in the port.

7. If the vessel be at anchor within port limits when such disease first breaks out or such death occurs, the master shall promptly give information to the Port Officer.

8. The pilot or other boarding officer shall promptly report to the Port Officer the circumstances of the case brought to his notice in accordance with Rule 2, and the Port Officer shall immediately forward any report so made to the Health Officer.
