9 (1) The Cantonment Authority shall, if it has not already done so, draw from the treasury a sum not exceeding fifty rupees, to form an imprest for the purpose of meeting petty payments.

(2) The amount of petty payments met out of the imprest must be recouped by cheque on the last day of each month, and, if necessary, during the month also, so that the full amount of the imprest, plus any sum received too late for remittance to the treasury on the last day of the month, will always be shown in the monthly accounts as being in the hands of the Cantonment Authority.

16. (1) All petty charges to be met from the imprest must be entered in bills prepared in Civil Account Form.

(2) Such bills must be supported—

(3) The certificate referred to in clause (b) of this rule must be signed by the Secretary to the Cantonment Committee, or if there is no Cantonment Committee, by the Commanding Officer of the Cantonment.

17. All charges incurred direct by the Cantonment Authority and paid by cheque must be entered in bills prepared in Civil Account Form.

18. The following certificate must be recorded at the foot of every such bill prepared in Civil Account Form, namely:—

‘I certify that the expenditure charged in this bill could not, with due regard to the interests of the cantonment, be avoided. I have satisfied myself that the charges entered in this bill have been really paid.’

This certificate must be signed by the Secretary to the Cantonment Committee, or, if there is no Cantonment Committee, by the Commanding Officer of the Cantonment.

In the case of expenditure on Public Works, the usual completion certificate will be furnished.

Entry of cheques in accounts.

19. All payments made by cheque must be entered in the register of payments (Form 5), the vouchers being numbered in a monthly consecutive series.

20. If any cheque is cancelled, its amount must be deducted from the expenditure by a *minus* entry in the appropriate columns of the register of payments (Form 5). The deduction will then pass into the Cash Book (Form 7) through the daily total of payments carried into it.

23. (1) At the end of each month the figures in the registers of receipts and payments (Forms 1 and 5) must be added up, the totals up to the end of the last preceding month being added to those of the month just expired, and grand totals being made from the 1st April last preceding.

(2) If the grand total under any head in the register of payments shows that the budget grant is likely to be exceeded, application must at once be made for orders under rule 2, clause (b), or rule 5, as the circumstances may require, to cover the excess.

24. As soon as possible within ten days after the end of each month, the Cantonment Authority shall send to the Accountant-General, for purposes of audit—
