RESOLUTION—By the Government of India, Finance and Commerce Department.

Despatch from the Secretary of State for India, No. 188 (Financial), dated 21st September 1893.

Despatch to the Secretary of State for India, No. 9, dated 9th January 1895.

Despatch from the Secretary of State for India, No. 59, dated 11th April 1895.

Resolution by the Government of India in the Finance Department, No. 2959-P.,* dated 22nd June 1895.

* Republished at pages 722 and 723 of Part I of the *Bombay Government Gazette* of the 27th June 1895.

RESOLUTION.—Under the orders contained in Secretary of State's Despatch No. 188, dated 21st September 1893, a system has been established under which various officers, to whom the Indian Services Leave Rules are applicable during the earlier part of their service, pass at a later stage under the European Services Leave Rules. It is necessary therefore to prescribe the manner in which, when they pass under the European Services Leave Rules, the calculation of the leave earned by them and due to them is to be made.

2. The following rules are accordingly laid down in substitution for the orders contained in paragraph 2 of the Resolution No. 2959-P., dated the 22nd June 1895:

(a) When an officer passes at a particular stage of his service from the Indian Services Leave Rules to the European Services Leave Rules, the amount of furlough due to him shall be taken at one-eighth of his active service while under the Indian Services Leave Rules, less the amount of furlough or of leave on private affairs enjoyed by him under Articles 370 and 371 of the Civil Service Regulations.

(b) Leave on medical certificate shall in this calculation reckon neither as service qualifying for furlough nor as furlough taken, but the amount of furlough due shall not exceed the amount which would be due if the officer had been under the European Services Leave Rules from the beginning of his service and the leave taken by him on medical certificate had been furlough on medical certificate under the European Services Leave Rules.

3. In the case of officers who are brought under the European Services Leave Rules for the first time, by the operation of the orders contained in the despatch of the Secretary of State of the 21st September 1893, but who would have come under them at an earlier date if they had been in force at the time, the calculation of furlough and other leave due shall be made as follows:

(a) If under those orders they would have been under the European Services Leave Rules from the commencement of their service, the calculation shall be made as if such rules had applied to them from the commencement of their service, and all leave taken by them had been taken under those rules.

(b) If under those orders they would at some stage in their service have passed from the Indian Services Leave Rules to the European Services Leave Rules, then the calculation shall be made under the rules in paragraph 2 above, as if they had come under the European Services Leave Rules at such earlier stage. They shall be held to have been under the European Services Leave Rules from the said earlier date, and all furlough, leave on private affairs, or leave on medical certificate taken after such date shall be treated as furlough taken under the European Services Leave Rules.

(c) Provided that no readjustment of leave allowances already drawn shall in any case be made.

4. An officer who comes under the European Services Leave Rules while he is on leave under the Indian Services Leave Rules may at his option—

- (a) change his leave allowances to the amount admissible under the European Services Leave Rules and come under them immediately; or
- (b) postpone his coming under them until his return from leave.

ORDER.—Ordered, that the Resolution be communicated to the Departments of the Government of India; to the several Local Governments and Administrations; to the Heads of Departments under the Finance Department; to the Comptroller and Auditor General; and to all Accountants General and Comptrollers.

Ordered also, that the Resolution be published in the *Gazette of India*.

RESOLUTION.—The Governor General in Council is pleased to direct that the following additions be made to the lists appended to the two Resolutions quoted in the preamble, enumerating the officers of the several Branches and Departments of the Public Service to whom the leave rules contained in Chapter XIII of the Civil Service Regulations are now extended. These orders are not to be taken as excluding from the benefit of those rules any officer who has already been admitted to them.

The Imperial Branch of the Department (see explanatory note below).

EXPLANATORY NOTE, REFERRED TO IN THE LIST.—The following extract from the Government of India's Despatch No. 71, dated 18th March 1896, explains the principle on which the Engineer Establishment and the Indian Telegraph Department have been divided into Imperial and Provincial.

'2. In the case of the Engineer Establishment and the Telegraph Department alone * * * has it been found possible to divide the officers into Imperial and Provincial according to the nature of their recruitment, commencing from dates which are fixed by the Resolutions noted in the margin. In regard to all men recruited after the dates fixed by these Resolutions, there is

no question that only those recruited in England are officers of the Imperial Establishment, while those recruited in India belong to the Provincial Establishment, and can only come under the Indian leave rules.'

ORDER.—Ordered, that this Resolution be communicated to the Departments of the Government of India; to the several Local Governments and Administrations; to the Heads of Departments under the Finance Department; to the Comptroller and Auditor General; and to all Accountants General and Comptrollers.

Ordered also, that the Resolution be published in the *Gazette of India*.
