FINANCIAL DEPARTMENT.

Bombay Castle, 24th June 1896.

No. 2106.—In accordance with Rule 8 of the Rules prescribed in the Notification of the Government of India in the Department of Finance and Commerce No. 16, dated 1st January 1883, republished in the *Bombay Government Gazette* of the 10th idem, under No. 116, dated 9th idem, Financial Department, His Excellency the Governor in Council is pleased to publish the following application from the Ahmedabad Municipality for permission to raise a loan of Rupees 50,000 under the provisions of the Local Authorities Loan Act of 1879:—

"No. 8 of 1896-97.

Municipal Office, Ahmedabad, 31st March 1896.

From

THE PRESIDENT AND MEMBERS,
Ahmedabad Municipality;

To

THE SECRETARY TO THE GOVERNMENT OF BOMBAY,
Bombay.

Sir,

We, the President of the Ahmedabad Municipality and the Chairman and Members of the School Board, beg to request that Government will be pleased to allow this Municipality to raise in open market

a loan of Rs. 50,000, at an interest not exceeding $4\frac{1}{2}$ per cent. per annum, repayable in thirty years, for the purposes of constructing school-houses within the municipal limits, as there are no such buildings of the Municipality and consequently they are obliged to hire ordinary houses for holding schools, and as such houses are not suitable ones, the Educational Inspector has often remarked about the unsatisfactory state of these houses, and has advised to build municipal schools for the same.

The particulars required under the rules of the Local Authorities Loan Act are as follows:—

- I. The loan is required for constructing school buildings within the municipal limits for the Municipal Vernacular Primary schools. There are eight Gujarati and four Urdu Primary Schools maintained by this Municipality. Only one out of these 12 schools has a municipal building; the rest are located in most insanitary and unsuitable houses. To begin with, the Municipality has resolved to build four buildings for schools Nos. 1, 2, 3 and 5 which are situated in the crowded localities of the city, and are estimated to cost Rs. 1,30,000. It is expected that Government will grant half the contribution towards it under the Grant-in-aid Code, and so the Municipality will require to provide the other half, *i.e.*, Rs. 65,000. The School Board have a balance of Rs. 15,000 in hand, and hence it is proposed to raise Rs. 50,000 in open market.
- II. The total amount sanctioned to be raised is Rs. 50,000, but as it is probable that the whole of the Government contribution may not be available in one year, it is proposed that the Municipality might raise Rs. 25,000 in the first year and the remaining Rs. 25,000 in the following year.
- III. The fund on the security of which it is proposed to borrow this loan is the general revenue of the Municipality, and the authority under which such a loan is to be raised is Act XI of 1879 and the Rules framed thereunder by Government.
- IV. The laws under which the abovementioned municipal revenue is raised are the District Municipal Act VI of 1873 and the Amendment Act II of 1884.
- V. The dates between which the first instalment of Rs. 25,000 will be borrowed will range from the date of Government sanction to 31st March 1897, and the rest from April 1897 to 31st March 1898.
- VI. The period for which the loan is required is thirty years. A sum of Rs. 3,301 will be set aside annually, from which a sum of Rs. 2,250 will be required for interest, and a sinking fund will be formed of the remaining amount, Rs. 1,051, for repaying the borrowed sum.
- VII. The yearly proceeds of each source of income of the last three years are given in the Statement A, hereto annexed, and all expenditure incurred by this Municipality in each of the last three years is shown in the Statement B hereto annexed.
- VIII. The existing total liability upon the Municipality at the end of the year 1894-95 is Rs. 12,13,964-5-2. Against these liabilities the Municipality has got a sinking fund amounting to Rs. 43,172-7-9.
- IX. From the Statements A and B it will be seen that the average ordinary income of this Municipality during the last three years amounts to Rs. 3,34,870-9-5, and the average ordinary expenditure, including payment to sinking fund, the repayment of principal and the interest of the present loans, amounts to Rs. 3,17,329-13-2, leaving a surplus of Rs. 17,340-12-3.
- X. It will be seen from para. 9 that there will be no difficulty to meet the charges on account of this loan. The Municipality pay Rs. 1,200 as house-rent per annum for the four schools proposed to be constructed and so there will be a saving to that extent.

The works will be executed by Municipal agency.

We have the honour to be,

Sir,

Your most obedient Servants,

(Signed) RENCHORELAL CHOTALALL,
President, Ahmedabad Municipality,
and four others.

No. 2109.—The following Notifications by the Government of India and the Comptroller General are republished :—

“FINANCE AND COMMERCE DEPARTMENT.

ACCOUNTS AND FINANCE.

PUBLIC DEBT.

No. 2680.

Simla, the 22nd June 1896.

THREE PER CENT. LOAN OF 1896-97.

His Excellency the Right Honourable the Governor General in Council has resolved to borrow Four Hundred Lakhs of Rupees for the public service in the following manner.

2. Promissory Notes will be issued for the said amount bearing interest at the rate of three per centum per annum payable half-yearly on the 30th day of June and 31st day of December. The notes will be in the form annexed to this Notification, and they will not be discharged before December 31st, 1916, nor until the expiration of three months after notice of payment to be published in the *Government Gazette*.

Tenders.

3. Tenders for the whole or any part of the said amount of Rs. 4,00,00,000 will be received by the Comptroller General from this date to noon of Wednesday, the 22nd July next. Tenders must be for sums of 500 Rupees or multiples of 500 Rupees.

4. Each tender must be addressed, in the form annexed to this Notification, to the Comptroller General, Calcutta, and enclosed in a closed cover, superscribed ‘*Tender for the Three Per Cent. Loan.*’ If the tenderer is not resident in India, he must name an agent resident in India to whom an allotment-certificate may be issued if any part of the loan is allotted to such tenderer.

NOTE.—Tenders made in accordance with these instructions will also be received by the Accountants General, Madras and Bombay, on account of the Comptroller General, Calcutta, on the 21st July, and up to 11-30 or 11 o'clock local time respectively (corresponding with 12 o'clock in Calcutta) on the 22nd July; provided that—

- (a) they are delivered personally or by clerk or messenger at the Accountant General's Office (where a receipt will be given for them);
- (b) they are made on printed forms, to be obtained at the same office or at the local Presidency Bank;
- (c) each tender is for not less than Rs. 10,000;
- (d) that the deposit is either a Promissory Note, or a Treasury Receipt from the Head Office of the local Presidency Bank, or a cheque on a local Bank in Madras or Bombay in favour of the Accountant General, Madras or Bombay, respectively;
- (e) that the amount of the tender is made payable either in Calcutta, Madras, or Bombay;

and the Accountant General will return deposits on non-accepted tenders, and will issue allotment-certificates so far as the tenders are payable in Madras or Bombay.

5. The rate at which each tender is made must be specified in rupees or rupees and annas: a tender in which no rate is thus specified, but a subscription is offered in some other terms—as, for example, at the recorded minimum, or at some specified percentage in addition to the recorded minimum, or at the average of the accepted tenders—will be rejected as null and void.

6. The rate at which a tender is made must not contain a fraction of an anna: if a rate containing a fraction of an anna is inserted in any tender, such fraction will be struck out and the tender treated as if the rate did not contain such fraction of an anna.

Deposits.

7. Each tender must be accompanied by a deposit of not less than one-hundredth, or, if the tender be for less than Five Lakhs of Rupees, then for not less than one-fiftieth part of the tender. The deposit must be in one of the following forms: (a) a receipt for the amount from the Head Office of the Bank of Bengal, or Madras, or Bombay, or one of their Branches, or from an officer in charge of some Public Treasury, or (b) a cheque

drawn in favour of the Comptroller General on a Bank in Calcutta, Madras, or Bombay, or (c) Government Promissory Notes¹ standing in the name of or endorsed to the tenderer or the person making the deposit.

8. (a) Deposits, not being promissory notes, will, in the case of accepted tenders, be credited proportionally in part payment of the allotment-certificates issued in respect of the tender, and will bear interest for the purpose of clause 16 below from the date of the opening of tenders. When a tender is not accepted in full, the deposits, when they are not in the form of promissory notes, will be credited as far as possible proportionately in even tens of rupees in part payment of the allotment-certificates issued in respect of it. If any allotment-certificate is not fully taken up, the deposit credited in respect of it will be forfeited.

(b) Promissory notes deposited in respect of any accepted tender will be held until all the allotment-certificates issued in respect of the tender are paid up, and will, if the allotment-certificates are not fully taken up, be appropriated by the Government and cancelled.

Opening of Tenders.

9. The minimum rate at which tenders will be accepted will be recorded under the signature of the Comptroller General, and, before the tenders are opened, placed upon the table in a sealed envelope, but will not be declared unless some tender is rejected only because it is below the recorded minimum.

10. Tenders will be opened publicly by the Comptroller General at the Treasury Buildings, Calcutta, at noon (Calcutta time) on Wednesday, the 22nd July next, and those received under the terms of the note under clause 4 will be similarly opened by the Accountant General, Madras, at 11-30 (Madras time), and by the Accountant General, Bombay, at 11 o'clock (Bombay time), on the same day; but the contents of the tenders will not be disclosed otherwise than as provided in clause 12.

11. Tenders at the recorded minimum rate, and at rates above the recorded minimum rate, will be accepted in the order of the rates tendered, beginning with the highest rate; the amount allotted at the lowest rate at which tenders are accepted will be divided amongst those who have tendered at this rate, in proportion, as nearly as may be found convenient, to the amounts of their tenders: provided that no allotment will be issued if the amount distributable on any tender is less than Rs. 500.

Allotment-Certificates.

12. To each tenderer (or to his agent), whose tender is accepted in whole or in part, such number of allotment-certificates as may be necessary to make up the aggregate amount allotted to him will be issued by the Comptroller General² as soon as possible after the 22nd July; and an alphabetical list of the names of those to whom such allotment-certificates are issued will be posted, for general information, at the Head Offices of the Banks of Bengal, Madras, and Bombay.

13. If the allotment made on any tender is less than Rs. 3,000, then the whole of the allotment-certificates (after credit of the deposit under clause 8 (a)) will be made payable upon the 9th September.

Otherwise the whole amount of each allotment will be divided into three instalments, as follows:—

Instalment I—As near as convenient to 35 per cent., but not exceeding 35 per cent., payable upon the 7th August:

Instalment II—As near as convenient to 35 per cent., but not exceeding 35 per cent., payable upon the 9th September:

Instalment III—The balance payable upon the 9th October:

and allotment-certificates will be issued for each instalment separately.

¹ It is particularly requested that such promissory notes may NOT be endorsed to the Comptroller General.

² For tenders received by the Accountant General, Madras or Bombay, and payable at those places, the Accountant General will issue the allotment-certificates.

But the whole or any part of any accepted tender may be paid at any time after receipt of the allotment-certificates.

The words 'as near as convenient' refer to the necessity for making each instalment an exact multiple of Rs. 500.

14. Any allotment-certificate will, on application to the Comptroller General, be exchanged for an equivalent amount of allotment-certificates of smaller denominations: provided that if any payment (beyond the deposit) is recorded upon the cancelled certificate, it can be taken against, and recorded upon, only one of the certificates issued in exchange.

15. Payment of any allotment-certificate may be made to the account of the Government in the Head Office of the Bank of Bengal, or Madras, or Bombay, or in any Branch of these Banks, or into any Public Treasury or Treasuries in India which may be named in the tender in respect of which it was issued. Receipts for such payments will be given by the Banks of Bengal, Madras, and Bombay, or their Branches, or by the Officers in charge of the Government Treasuries at which payment is made, by encasement upon the relative certificate.

Issue of Promissory Notes.

16. (a) When any allotment-certificate is fully paid up, the holder will, on presenting it duly receipted at the place where it was paid, obtain from the Public Debt Office, Calcutta, promissory notes of such values as he may desire (each note being in even hundreds and not less than Rs. 500), bearing interest from 31st December 1896, and he will also receive interest at 3 per cent. per annum from the dates on which he may have made payment till the 30th of December 1896.

(b) Or he may, at his option, by paying interest at the said rate from 30th June 1896 to the dates on which he may have made payment, obtain promissory notes as above, bearing interest from 30th June 1896.
