FINANCE AND COMMERCE DEPARTMENT.

the 30th June 1896.

Read

Customs Circulars Nos. X, XI and XII of 1896.

Ordered that the Circulars be published for general information in the Supplement to the Gazette of India.

(Signed) J. F. FINLAY,
Secretary to the Government of India.

Customs Circular No. X of 1896.

From—The Government of India, Finance and Commerce Department, No. 2555-S.R., dated the 10th June 1896.

To—The Secretary to the Government of Bengal, Financial Department.

I am directed to acknowledge the receipt of your letter No. 892-F., dated the 18th May 1896, referring for orders the question of the classification, for tariff purposes, of iron plates, iron angle, and iron rivets, imported as sections of iron tanks or drums.

2. I am to say that the Government of India agree in the opinion of the Board of Revenue and the Government of Bengal that plate and angle iron when made and intended for a special tank or drum, so as to be unfit for general use, are not the articles known in the trade as 'plate' and 'angle' iron, and should be assessed to duty at five per cent., while rivets are chargeable at one per cent.

Customs Circular No. XI of 1896.

From—The Government of India, Finance and Commerce Department, No. 2589-S.R., dated the 15th June 1896.

To—The Governments of Madras, Bombay and Bengal and to the Chief Commissioner of Burma.

Following on the reduction of the import duty on cotton goods from the general rate of 5 per cent. to 3½ per cent. doubts have arisen in regard to the classification of certain articles which, though manufactured of cotton and thus capable of being classed as articles made of cotton (No. 44 of Schedule IV of the Indian Tariff Act, 1894, as amended by Act III of 1896), might reasonably be classed under other heads of the tariff and, if so classed, assessed at 5 per cent. instead of 3½ per cent.

2. These articles are—

- (1) Hosiery, including undervests and drawers and combinations of both, socks, stockings, caps,
- (2) Quilts (known as Alhambras), blankets, and praying carpets,
- (3) Handkerchiefs, towels, shawls, imported either singly or in lengths,
- (4) Velvets and velveteens,
- (5) „ silk-faced or mixed with silk,
- (6) Muslins, embroidered with silk or wool,
- (7) Dhutis and saris, embroidered with silk,
- (8) Crochet thread,
- (9) Darning thread.

3. The subjoined instructions should be borne in mind in regard to these articles :

- (1) Hosiery may properly be classed as Apparel whenever the articles are made up, like those specified above, so that they can only be employed as apparel. Hosiery was, however, excluded from the head Apparel in the tariff of 1875, and the exclusion was continued in the tariff of 1894. The Governor General in Council therefore considers that all such

articles, even if they are in fact apparel, should be classed under Cotton manufactures (Article 44) and assessed to duty at the lower rate of $3\frac{1}{2}$ per cent. This classification is expedient for the additional reason that similar articles are manufactured in the Indian mills and are, under the Cotton Duties Act, chargeable with a duty of only $3\frac{1}{2}$ per cent.

(2) Alhambras, blankets, and praying carpets were classed by orders issued by the Government of India in 1894 (No. 5210, dated the 18th October 1894) as Haberdashery under the main head Apparel. At that time cotton piece-goods were specifically exempted from duty under the tariff, and claims were made for the treatment of these articles as piece-goods. The claim was inadmissible, for, by the custom of the trade, these articles were not classed as piece-goods, and as the intention of the law was that only cotton piece-goods should be exempt, not any other descriptions of cotton manufactures which could reasonably be classed under any head of the tariff, the Government of India directed that—cotton manufactures not being mentioned in the tariff schedules—these articles should be classed under Apparel in the sub-head of Haberdashery which was always held to include Drapery. If the head 'Cotton manufactures' had existed in the tariff schedule, these articles might with equal propriety have been so classed, and as that head now exists in the tariff, it is the most convenient place for these goods, which should therefore henceforward be treated as cotton manufactures, other than piece-goods, for the purposes both of the tariff and of the statistics of trade.

(3) Handkerchiefs, towels and shawls, whether imported singly or in lengths held together only by the warp, must be regarded as articles of apparel, which expression includes haberdashery and drapery. If imported in woven pieces they should be treated as piece-goods.

(4) and (5) So far as velvets and velveteens are made of cotton unmixed they must be treated as cotton manufactures (piece-goods); but if silk-faced or mixed with silk, Section 21 of the Sea Customs Act requires that they should be regarded as made of the fabric to which the higher rate of duty applies.

(6) and (7) Under the strict application of Section 21 of the Sea Customs Act, muslins, dhutis and saris embroidered with silk or wool would be treated like those mentioned above, (5). But the Government of India are not desirous that goods which are in substance cotton goods should be assessed to a higher rate of duty merely because a narrow border or

embroidery has been inserted for decorative effect. The Collectors of Customs may therefore pass as cotton goods these and any other such articles if they bear nothing but a narrow border of woven or embroidered silk or wool.

(8) Crochet thread is not included in the exemption of sewing thread: it is taxable as Cotton manufactures, other sorts.

(9) Darning thread, on the other hand, is in fact nothing but sewing thread, and should be held to be exempt as such.

4. I am to request that these instructions may be communicated to all officers in charge of Custom-houses for their guidance in the application of Act III of 1896.

Customs Circular No. XII of 1896.

From—The Government of India, Finance and Commerce Department, No. 2667-S.R., dated the 19th June 1896.

To—The Chief Commissioner of Burma.

I am directed to acknowledge the receipt of your letter No. 33—1 C.-1, dated the 2nd June 1896, referring for orders a question raised by Messrs. Steel Brothers and Co., Rangoon, whether leather belting being exempt under the tariff, leather lacing used for the connection of such belting should not also be exempt from duty on import.

2. I am to state in reply that the Government of India agree in your opinion that leather lacing should be taxed as leather under No. 70 of Schedule IV of the Indian Tariff Act.

“FINANCE AND COMMERCE DEPARTMENT.

No. 2881-1’.

Simla, the 1st July 1896.

RESOLUTION—By the Government of India, Finance and Commerce Department.

Read—

Despatch to Her Majesty’s Secretary of State No. 169, dated 6th June 1893.

Despatch from Her Majesty’s Secretary of State No. 188 (Financial), dated 21st September 1893.

RESOLUTION.—In accordance with instructions received from Her Majesty’s Secretary of State, the Governor General in Council has approved of the institution of a Provident Fund to which all officers of the Imperial and Provincial Branches of the Forest Service are permitted to subscribe. The Government of India do not consider it desirable to make subscription to the Fund obligatory in the case of officers already in the service on the date of this Resolution nor in the case of officers of the Provincial Branch of the service who are not of European or Eurasian descent. In the case of such officers the deposits will be voluntary and may be discontinued or renewed at the option of the depositor. Subscription to the Fund will, however, be obligatory in the case of all officers joining the Imperial Branch of the service and all European and Eurasian officers joining the Provincial Branch of the service after the date of this Resolution.

2. The rules under which the Fund will, for the present, be conducted are attached to this Resolution.

3. Subscriptions to the Fund should first be made on salaries becoming due on the 1st August 1896.

ORDER.—Ordered, that this Resolution be forwarded to the Revenue and Agricultural Department; to all Local Governments and Administrations; to the Comptroller and Auditor General and to all Accountants General and Comptrollers for information.

Ordered also that the Resolution be published in the *Gazette of India*.

(Signed) J. F. FINLAY,

Secretary to the Government of India.

Forest Officers’ Provident Fund.

I.—The institution of a Provident Fund under the conditions specified in Rule II is sanctioned for the officers of the Imperial and Provincial branches of the Forest Service.

II.—The conditions under which these officers will join the Fund are as follows:

- (1) The monthly deposit may be not less than 5 per cent. and not more than 10 per cent. on the salary (as defined in the Civil Service Regulations) of each depositor for the month.
- (2) In the case of officers in the Service on the 1st July 1896, and in the case of all members of the Provincial Branch of the service

I.—188

who are not of European or Eurasian descent the deposits will be voluntary, and may be discontinued and renewed at the option of the depositor. But all officers joining the Imperial Branch of the Service and all European and Eurasian officers joining the Provincial Branch of the Service after the date given above must contribute 5 per cent. of their salary to the Fund and may contribute up to 10 per cent. of salary.

- (3) An officer on leave of any kind may at his option subscribe any sum he pleases subject to a minimum of 5 per cent. on his leave allowances and maximum of 10 per cent. on the salary he would draw if on duty.
- (4) Compound interest at 4 per cent. on such payments will be annually credited by Government to each officer subscribing. The Government may at any time, at its option, and without giving any right to withdrawal of subscriptions, reduce the rate of interest to any rate not less than half per cent. in excess of that at which it is raising rupee loans in India.
- (5) The sum which will thus accumulate to the credit of an officer will be his absolute property, to be handed over to him unconditionally on quitting the service, or in the event of his death before retirement, to his legal representatives. Government will not be bound by or recognize any assignment or trust executed or attempted to be created by any officer during his lifetime, and will only make payments (1) during the lifetime of the officer on his own receipts; (2) after his death in accordance with Rule IX below.
- (6) Receipts and payments will be made in rupees only.

III.—The deposits received under the foregoing resolution will be credited Administration of the Fund on the books of the Government to an account named ‘Forest Officers’ Provident Fund.’ The administration of the fund will rest with the Government of India in the Revenue and Agriculture Department. The Secretaries of the Fund will be the Accounts Officers of the Fund, that is, the Accountants General, Madras and Bombay, and the Comptroller, India Treasuries.

IV.—Deposits will be recovered by deduction Receipts of Deposits. from bills, except in the following cases in which they may be made in cash in India:—

- (1) When an officer draws his leave allowances out of India.
- (2) When an officer is on leave without allowances.
- (3) When an officer is in foreign service. This does not apply to officers serving in Berar.

Cash payments of subscriptions must be made by depositors by credit or remittance to their audit officers, or in the case of officers in foreign service by credit or remittance to the Account Officer to whom their contribution on account of leave and pension is payable.

V.—A depositor must, when paying his subscription, whether his subscriptions to the Fund are

FINANCIAL DEPARTMENT.

Bombay Castle, 8th July 1896.

No. 2260.—In accordance with Rule 8 of the Rules prescribed in the Notification by the Government of India in the Department of Finance and Commerce No. 16, dated 1st January 1889, republished in the *Bombay Government Gazette* of the 10th idem, under No. 116, dated 9th idem, Financial Department, His Excellency the Governor in Council is pleased to publish the following application from the Ahmedabad Municipality for permission to raise a loan of one lăkh of Rupees under the provisions of the Local Authorities Loan Act of 1879 :—

“No. of 1896-97.

Municipal Office, Ahmedabad, April 1896.

To

THE SECRETARY TO THE GOVERNMENT OF BOMBAY.

Sir,

We, the President and the Chairman and Members of the Managing Committee of the Ahmedabad Municipality, beg to request that Government will be pleased to allow this Municipality to raise in the open market a loan of Rs. 1,00,000 (one lăkh), at an interest of 4½ per cent. per annum, repayable in thirty years, for the purpose of extending the Water Works, as the demand for the supply of water has increased much more than what was originally estimated.

- I. The loan is required to purchase a new pumping engine and pipes required for connecting it with the reservoir. The engine-house is required to be extended and a new jack-well is to be constructed. Additional reservoir or reservoirs are to be constructed and additional distributing pipes are required. The total cost of this extension is estimated to cost one lăkh of Rupees (Rs. 1,00,000).
- II. The amount to be raised is therefore Rs. 1,00,000, one lăkh.
- III. The fund on the security of which it is proposed to borrow this loan is the general fund of the Municipality, and the authority under which it is to be raised is the Local Authorities Loan Act XI of 1879 and the Rules framed thereunder by Government.
- IV. The laws under which the abovementioned municipal revenue is raised are the District Municipal Act of 1873 and the Amendment Act II of 1884.
- V. The loan will be raised during the current official year before the end of 31st March 1897.
- VI. The period for which the loan is required is thirty years. A sum of Rs. 5,960 will be set aside annually, from which a sum of Rs. 4,250 will be paid for interest, and a sinking fund will be formed of the remaining amount of Rs. 1,710 for repaying the borrowed sum.
- VII. The yearly proceeds of each source of income of the last three years are given in Statement A hereto annexed, and the expenditure incurred by the Municipality in each of the last three years is shown in Statement B.
- VIII. The existing total liability upon the Municipality at the end of the year 1895-96 is Rs. 12,02,746-8-9. Against these liabilities the Municipality has got a sinking fund of Rs. 57,349-7-1.
- IX. From the Statements A and B it will be seen that the average ordinary income of this Municipality during the last three years amounts to Rs. 3,58,796-4-5, and the average ordinary expenditure, including payment to sinking fund and for interest, amounts to Rs. 3,34,464-8-9, leaving a surplus of Rs. 24,331-11-8.
- X. It will be seen from para. 9 that there will be no difficulty to meet the charges on account of this loan.
- XI. The works will be executed by the Municipal agency.
- XII. It is further to be observed that, as represented in the President's letter to the address of the Collector accompanying this communication, the scheme of this extension of Water Works is sure to be a paying one, and, therefore, no financial difficulty is to be apprehended to meet the liability of this loan.

We have the honour to be,

Sir,

Your most obedient Servants,

(Signed) RUNCHORELAL CHOTALALL,

President,
and four others.

PUBLIC WORKS DEPARTMENT.

Bombay Castle, 8th July 1896.

No. 52.—The following Notification by the Government of India in the Public Works Department is republished:—

“Simla, the 29th June 1896.

No. 286.—The following is published for general information:—

No. 1630 G., dated Simla, the 29th June 1896.

RESOLUTION—By the Government of India, Public Works Department.

Revised conditions governing the selection of Native Engineers for a course of training in England.

Read—

Resolution in the Public Works Department No. 116 G., dated 16th January 1888, regarding the selection of Native Engineers for a course of practical training in England.

Read also—

Letters from certain Local Governments and Administrations who were consulted regarding the desirability of rescinding the rules referring to the above matter.

RESOLUTION.—The Government of India have had under consideration the question of rescinding or modifying the rules referred to in the above Resolution. After consulting certain Local Governments and Administrations on the subject, it has been decided that it is undesirable to rescind the rules, or to modify them to any material extent. All that appears necessary is to insist on the exercise of greater strictness in the selection of officers for a course of practical training. It is observed that special care in selecting officers is already enjoined by paragraph 8 of the Resolution of 1888 quoted in the preamble.

2. In future, therefore, such recommendations must be restricted to cases where an officer is required to study some special branch of work in which he has to some extent distinguished himself, while practising his profession in this country; or when it is desirable that such an officer should finish or supplement his education by seeing works that cannot be seen in this country and where, in each case, it is desirable in the interests of the public service alone that he should do so. It is indispensable also in the case of every officer so recommended that his antecedents should render it probable that he will benefit by such course of training to such an extent as to fully repay Government for the expense incurred.

3. If the above instructions are carefully followed, the Government of India anticipate that recommendations will be made very rarely, and only in very exceptional cases.

ORDER.—Ordered, that this Resolution be forwarded to the

The Governments of Madras and Bombay, Public Works Department, General and Railway Branches.

The Governments of Bengal, the North-Western Provinces and Oudh, and the Punjab.

Local Governments and Administrations and officers

The Chief Commissioners of the Central Provinces, Burma, Assam and Coorg.
The Resident at Hyderabad.
The Agents to the Governor General for Rajputana, Central India and Baluchistan.
The Director General of Railways.
The Consulting Engineers to the Government of India for Railways, Calcutta, Lucknow and Assam.

noted in the margin; also that it be published in Part I of the *Gazette of India.*”
