1. The return required by Section 8 of the Cotton Duties Act, 1896, from the owner of every mill in which cotton goods are produced shall be in Form A appended to these Rules, and shall contain the particulars indicated therein, shown separately for each description of goods and for goods of the same description but of different dimensions.

The declaration of the truth of such return shall be subscribed in the terms set forth at the foot of the said form.

2. Every mill-owner who has entered any cotton goods in column 5 of the return shall also deliver to the Collector, within 20 days after the date on which such return is due for delivery, the certificate required by Section 18 of the Act.

3. When the return, duly completed, has been delivered to the Collector as provided in the Act, the Collector shall check the same in any manner that may appear to him desirable, and may, for such purpose, examine and compare, or cause to be examined and compared, the records and accounts of the mill. He shall ascertain that the quantities shown in column 5 of the return agree with those shown in the certificates issued, and shall also satisfy himself that the quantities shown as warehoused have been actually so dealt with.

4. The Collector, when satisfied that the return is correct, shall send to the mill-owner a statement in Form B appended to these Rules, showing as due for the period to which the return relates the total duty assessed by him.

5. If the amount of the duty assessed is not immediately tendered, a notice may be served on the mill-owner under Section 9, sub-section (1), of the Act, which shall be in Form C appended to these Rules.

FREE EXPORT AND DRAWBACK.

6. Every mill-owner exporting goods direct from the mill shall, at the time of delivering the return referred to in Rule 1 of these Rules, furnish the Collector of Customs at the port of shipment with a return in Form D, and, at the time of putting in the shipping bills, with the particulars indicated in Form E appended to these Rules.

that their contents are as therein stated. When satisfied on these points, and after the goods have been exported, the Collector shall—

- (1) if the goods have not been assessed in any return received before the application for export is made—

issue a certificate in Form F;

- (2) if the goods have been so assessed—

grant drawback on proof of payment of duty on the goods in respect of which the claim for drawback is made.

9. The certificate issued in Form F may be made over to the exporter of the goods, if the mill-owner has given authority for that purpose.

10. A record shall be maintained in the office of the Collector of Customs at the port of shipment of all certificates so issued.

11. All certificates delivered in accordance with Rule 2 of these Rules shall be filed in the Collector's office.

12. If goods on which duty has been paid are exported by the owner of the mill in which they were produced, the Collector may credit the amount of drawback allowed thereon against the next demand for duty, in the event of such duty being payable to him.

13. Every bale of goods made up at a mill shall be stamped with a consecutive number, which shall be entered at the time of baling in a register to be called the Bale Register. It shall further be marked before it is issued out of the premises of the mill with the date of issue.

From

THE SUPERINTENDENT OF STATIONERY, BOMBAY;

To

THE _____

Sir,—I have the honour to observe that the instructions contained in this Office Circular No. 3813, dated the 2nd September 1892, are not always fully attended to. I request, therefore, that all indenting officers will be good enough to see that the receipts for stationery, &c., are completed in terms of the certificate printed at foot thereof.

ACCOUNTANT GENERAL'S OFFICE,

Bombay, 13th February 1896.

From

THE ACCOUNTANT GENERAL, BOMBAY;

To

ALL COLLECTORS and TREASURY OFFICERS
(excluding SIND and POLITICAL TREASURIES).

Sir,—I have the honour to reprint extract paragraphs 1 to 4 of my General Letter No. B.K.—32687, dated the 22nd of March 1895, to Judges of Civil and Small Causes Courts in the Presidency proper, and to request that, with a view to ensure uniformity of procedure, you will be so good as to credit by direct entries in the Cash Book all sums on account of deposits lapsing to

Government and on account of expenses of witnesses remaining unclaimed over a year, sent to the Treasury by Civil Courts either in cash with a chalan or by a transfer cheque on 31st March each year, for being credited to Government as an unclaimed deposit of the Court concerned, explaining clearly the nature of each item in the unclassified portion of the cash account sent to this office.

2. Amounts of unclaimed deposits on account of subsistence money of civil prisoners, when received from the Court, should not be treated as lapsed deposits, but should be treated as a final receipt of Government and credited direct to XVI-A, Law and Justice, agreeably to paragraph 4 quoted below.

As it has been found that the procedure enjoined by Rule 23 of the Government Notification No. 1171, dated the 23rd February 1893, is not fully understood by the Názirs of several Courts, I have the honour to issue the following explanatory instructions:—

- (1) The cheque to be sent to the Treasury on the forenoon of the last working day for deposits lapsing to Government should not be made payable to the Názir or bearer and cashed at the Treasury, but should be endorsed "to the credit of Government as a deposit unclaimed."
- (2) The cheque should be accompanied by the Pass Book of the Court to enable the Treasury Officer to reduce the balance of the Court deposits by the amount of the cheque.
- (3) The total amount of deposits on account of expenses of witnesses remaining unclaimed over a year (Rule 13) should be remitted to the Treasury in cash with a chalan, with clear instructions thereon to the Treasury Officer to treat the amount as a lapsed deposit.
- (4) Similarly the total amount of unclaimed deposits on account of subsistence money of civil prisoners should be sent in cash to the Treasury with a separate chalan; but in this case the Treasury Officer should be instructed to credit the amount to Government as a final receipt under Law and Justice.—*Vide* Rule 13 as amended by Government Resolution, Judicial Department, No. 485 t, dated the 11th July 1894.
