No United Kingdom Exhibits will be received from other than *Manufacturers*.

Designers may not be Exhibitors.

*Period.*

The Exhibition will be open daily (except Sundays) from 11·0 A.M. until 11·0 P.M., from the middle of May to the middle of September 1894.

*Space.*

The Exhibition will take place in the lower North Gallery of the Institute, which is 701 feet long, and has a general width of 29 feet 9 inches, intersected by 42 piers—21 on each side. The width of the Gallery between the piers is 16 feet 1 inch. In the centre of the Gallery there is a bay (or recess) 87 feet long, the Gallery at this point being 36 feet 9 inches wide. The exact superficial area of the Gallery is 18,097 square feet. The Central Recess will be reserved for the exhibition of processes. There will be a passage way of 3 feet 6 inches preserved throughout the whole length of the Gallery, leaving, therefore, a total 'exhibiting space' of (say) 12,000 square feet. Exhibitors' cases will be placed at intervals at right angles to the North Wall, with one face against that wall. The Eastern half of the Gallery will contain the Exhibits of Pottery and China; and the Western half the Exhibits of Glass; while it is suggested that every alternate window throughout the Gallery should be placed at the disposal of manufacturers of Stained Glass.

*Liability of Exhibitors.*

Exhibitors will incur no liability for expenses connected with the general administration of the Exhibition.

The Imperial Institute, in pursuance of its objects as defined by the Royal Charter, which include the encouragement and development of British manufactures and industries, will provide space free of rent; also attendants, lighting, and all needful supervision and general facilities incidental to the Exhibition as a whole.

Exhibitors will be expected to provide, at their own cost, the Exhibits, Glass Cases and Fittings, and to incur the cost of transit to and from the Institute, and of the necessary attendants for the installation and arrangement of the Exhibits.

*Processes.*

As regards Processes, the Imperial Institute will be prepared to receive applications, and to provide motive power to a moderate extent, for the display of such processes, subject to the Executive Council being of opinion that the utility and attractiveness of the process to be illustrated is sufficient to justify the outlay thereby involved.

*Exhibitors.*

The Committee of Advice has selected and recommended to the Council a preliminary list of Firms under two Heads:—

- (I.) CHINA AND POTTERY,
- (II.) GLASS,

to whom invitations to exhibit are being transmitted.

*Sales.*

No Sales will be allowed, nor will Exhibitors be permitted to take orders for articles at the Exhibition. No circulars or trade cards must be distributed by Exhibitors.

*Catalogue.*

A Catalogue will be issued and sold in the Exhibition, in which a reasonable description of the Exhibits, and of any special features to which attention is called by the manufacturers, may be inserted.

The exhibiting space of the two branches will be allotted by the Committee of Advice in proportion to the demand, amongst those firms included in these lists (or in subsequent lists, to be approved by the Committee) who may consent to exhibit.

All Exhibits, Glass Cases, Fittings, &c., must arrive at the Institute not later than noon on Wednesday, May 9th. No Cases or Exhibits will be received after that date. The Exhibits must be installed and arranged in their cases not later than noon on Saturday, 12th May.

The Executive Council reserve to themselves the right of refusing to admit to the Institute-premises any Cases, Fittings, or Exhibits arriving after noon on the 9th May, and to remove from the Exhibition Gallery, at the cost of the Exhibitor, any Exhibits, Cases or Fittings, the arrangement of which may not be completed to the satisfaction of the Council, by noon on the 12th May. In such instances the Executive

Council reserve the right to dispose, at their absolute discretion, of the space which thus may become available. Exhibitors will not be allowed to supplement or change their Exhibits during the time the Exhibition remains open.

The acceptance by a Manufacturer (firms or individuals) of the invitation to exhibit will be taken as consent on his part to allow all his Exhibits, Cases and Fittings to remain undisturbed in the Galleries until the close of the Exhibition, and as an agreement on his part to the right of the Council to order, or, if necessary, to cause, without explanation, the removal of the Exhibit at any time they may think proper, and further, as an agreement to abide by the Regulations here set out.

The Executive Council, while undertaking to supply adequate general control, watching and care, accept no responsibility or liability as regards the Exhibits in respect of damage or loss by fire or accidents, or otherwise.

An invitation to a manufacturer to exhibit will be considered as cancelled if a definite reply is not received within fourteen days of the despatch from the Institute of the invitation.

All communications should be addressed to—
