MISSIONERS IN SIND) AND TREASURY

Sir,—With reference to the certificates at foot of the establishment pay bill (Form 6, page 272, C. A. C.), I have the honour to point out, for the information and guidance of all officers preferring bills, that the month referred to by the words “(the last preceding month)” in Certificate No. 1 is that immediately preceding the month in which the bill is preferred for payment, *e.g.*, the bill for the salaries earned by the labour of November, which is not due for payment until the 1st of December (Article 26, C. A. C.) should have November entered in Certificate No. 1.

2. The three certificates need only be given in the case of the general establishment bill of the month, while in that of bills for arrears of pay the whole of Certificates Nos. 1 and 2, with the exception of the words “Received contents” in Certificate No. 1, should be scored out.

3. The instructions given in paragraph 1 above are applicable to Certificate No. 1 on the obverse of the travelling allowance bill (Form No. 9, page 277, C. A. C.).
