APPENDIX G.

Explanation of important variations in Income and Expenditure (comparing Income and Expenditure of 1892-93 with previous year).

INCOME.

A.—MUNICIPAL TAXES.

1.—Octroi.

The income for 1892-93 under this head shows an increase as compared with 1891-92 of Rs. 47,133-5-3.

Of this sum Rs. 26,932 are represented by increased collections on grain over the previous year, but the increase on the average of five preceding years is only Rs. 20,000. The increase of Rs. 11,948 in the collection on grass over previous year was caused to a great extent by an increase in the rate and by stricter measures being adopted to prevent smuggling. Other increases under this head may be taken as normal.

2.—Tax on Houses and Lands.

The income under this head shows an increase of Rs. 1856-8-11 as compared with the previous year and represents the normal increase of the City.

3.—Tax on Vehicles and Animals.

An increase under this head of Rs. 1,129-12-10 also represents the normal increase of the City.

C.—REVENUE DERIVED FROM MUNICIPAL PROPERTY AND POWERS APART FROM TAXATION.

1.—Rent of Lands, Houses, Servais and Dakh Bungalows.

Under this head there is an increase of Rs. 1,400-10-0, and the reason given for the preceding increase applies to this also.

2.—Sale-proceeds of Land and Produce of Land.

The income under this head shows an increase of Rs. 33,385-11-4 as compared with the previous year, and represents an increased demand for building sites, which has continued during the present year and no doubt will continue as the town develops.

3.—Fines under Municipal and other Acts.

The increase under this head is a fluctuating source of revenue.

D.—GRANTS AND CONTRIBUTIONS FOR GENERAL AND SPECIAL PURPOSES.

1.—From Government.

The increase under this head is also a fluctuating source of revenue.

EXPENDITURE.

A.—GENERAL ADMINISTRATION AND COLLECTION CHARGES.

2.—Collection of Taxes, including Bonded Warehouses (Establishment, Purchase of Account Paper and Money-Boxes, Books, Repairs to Out-Posts, &c.).

The expenditure under this head shows an increase as compared with the previous year of Rs. 3,132-1-7, and is due to the building of new quarters for Náka Munshis, amounting to Rs. 1,511-2-10, which will not recur, and to permanent establishment having been engaged to act as watchmen and patrols to prevent grass and other dutiable articles being imported without payment of Municipal dues.

4.—Survey of Land.

The increase of expenditure under this head of Rs. 1,355-12-9 is caused by the revision of the City Survey Sheets, Rs. 1,303 of which will not recur.

C.—PUBLIC HEALTH AND CONVENIENCE.

3.—Conservancy, including Road-cleaning, Watering and Latrines.

Under this head there is an increase of Rs. 19,843-7-2, which is almost altogether abnormal, it having been caused by the outbreak of cholera in 1892, and Rs. 12,022 of which is a non-recurring charge.

4.—Hospitals and Dispensaries.

Quarantine Hospital.

Rs. 1,129 represents a grant to Government for the building of a Quarantine Hospital, and will not recur.

9.—Arboriculture, Public Gardens and Experimental Cultivation.

No. 56.—The following Notification by the Government of India in the Public Works Department is republished :—

“ Simla, the 25th May 1894.

No. 223.—The following is published for general information :

No. 1693-G., dated 23rd May 1894.

RESOLUTION—By the Government of India, Public Works Department.

Conditions of promotion of Honorary Commissioned Officers to the Provincial Engineer Service of the Public Works Department.

Read—

Government of India, Public Works Department, Resolution No. 1664-G., dated 26th June 1893.

Despatch to Her Majesty's Secretary of State for India, No. 331 Financial, dated 11th October 1893.

Despatch from Her Majesty's Secretary of State for India, No. 4 Public Works, dated 11th January 1894.

RESOLUTION.—In the orders on question VI referred to in the Resolution cited in the preamble regarding promotions to the Provincial Service of the Engineer Establishment of the Public Works Department, it was stated that orders would issue hereafter regarding the promotion of Honorary Commissioned officers to that service.

Under present rules such officers are on promotion to honorary rank in the army graded as Assistant Engineers in the Public Works Department (*vide* Public Works Code, Vol. I, Chap. II, paragraph 58), but are counted against the Upper Subordinate Scale, and their pay is regulated by the rules applicable to military men (Public Works Code, Vol. I, Chap. I, paragraph 13, note 1, and Chap. V, paragraph 41).

The Governor General in Council is hereby pleased, with the concurrence of Her Majesty's Secretary of State for India, to order that Honorary Commissioned officers holding the rank of Deputy Commissary, Assistant Commissary, and Deputy Assistant Commissary shall be eligible for promotion to the Provincial Engineer Establishment, but that on being so promoted at their option, they shall, like Warrant and Non-Commissioned officers below the rank of Deputy Assistant Commissary, be required to resign their military rank under clause (3) of Article 388 of the Civil Service Regulations, and then be permitted to count their departmental service for a civil pension.

On being so promoted, they will be subject to the rules laid down in the Resolutions* quoted in the margin, so far as they are applicable, and will draw the difference between the pay of the grade to which they are promoted and the staff pay and military allowances previously drawn by them as a personal allowance.

*No. 2112-G., dated the 19th July 1892.
No. 1664-G., dated the 26th June 1893.

2. It should, however, be clearly pointed out to each officer who may accept promotion on these conditions that his non-departmental army service will not count for pension, and that he forfeits his right to a sterling pension under military rules, and also to a possible pension for his widow.

The Governments of Madras and Bombay, Public Works Department, General and Railway Branches.

The Governments of Bengal, the North-Western Provinces and Oudh, and the Punjab.

The Chief Commissioners of the Central Provinces, Burma, Assam, and Coorg.
The Resident at Hyderabad.

The Agents to the Governor General for Rájputána, Central India, and Baluchistan.

The Accountant General, Public Works Department.

The Director General of Railways.

The Consulting Engineers to the Government of India for Railways, Calcutta, Central Division, Lucknow, and Assam.

ORDER—Ordered, that this Resolution be communicated to the Local Governments, Administrations, and Officers noted on the margin for information and guidance, and that it be published in Part I of the *Gazette of India*.

Ordered also, that it be forwarded to the Finance and Commerce, Home, Revenue and Agricultural and Military Departments for information."
