## FINANCIAL DEPARTMENT.

*Bombay Castle, 15th June 1894.*

No. 1973.—The following Notification by the Government of India is republished:—

## “FINANCE AND COMMERCE DEPARTMENT.

## ACCOUNTS AND FINANCE.

## PUBLIC DEBT.

No. 2918-A., dated Simla, the 8th June 1894.

From—STEPHEN JACOB, Esq., Officiating Secretary to the Government of India, Finance and Commerce Department,

To—The Comptroller and Auditor General.

I am directed to acknowledge the receipt of your letter No. 1223-D., dated the 27th March 1894, on the subject of the payment of interest on Government Promissory Notes which have been enfaced for such payment in England, but on which the last Indian endorsement has not been certified.

2. In the Notification in this Department No. 61\*, dated the 12th November 1858, laying down the rules for the enfacement of rupee paper for the payment of interest in London, it was provided that notes should be so enfaced only at Calcutta, and that notes bearing any endorsement must be renewed in the name of the then holder before being enfaced. It was also expressly stipulated that ‘any endorsement made in India of an enfaced note will not be recognised in England.’

3. By a later Notification No. 79,† dated the 15th September 1859, the provision as to the renewal of notes before enfacement was modified and it was provided that holders of notes transferred for payment of interest to Bombay or Madras might ‘have such notes enfaced and registered by the Accountant General, Bombay (or Madras, as the case may be), on the condition that a certificate be affixed on the back of such notes by the Accountant General of the Presidency concerned that all existing endorsements have been examined by him and are valid and correct, and that the note itself is genuine and outstanding; and on the understanding that no endorsement made subsequently to the date of the Accountant General’s certificate will be recognised in England.’

4. This later order did not expressly refer to Calcutta, but since its issue the recognised practice in Calcutta, as in Madras and Bombay, has been for the Public Debt Office to certify to the genuineness of the notes and of the endorsements, if any, upon them at the time of enfacement for payment of interest in London, renewal being effected only when desired by the holder or when necessary for any special reason.

5. It now appears from a letter, dated the 16th January 1894, from the Chief Accountant, Bank of England, to your address, that a very large number of the notes lodged at the Bank do not bear the prescribed certificate as to the correctness of the endorsement; and that as the Bank con-

sidered that the refusal to recognise uncertified endorsements might occasion trouble, it has hitherto admitted the notes on such evidence as could be procured in England of the genuineness of the endorsements. The Bank has, however, now raised the question whether its present practice is correct or whether it would be justified, and would be carrying out the wishes of the Government of India, in refusing to pay interest on notes on which the last Indian endorsement has not been duly certified.

6. I am to point out that the practice followed by the Bank of England as stated in the Chief Accountant’s letter is not only irregular and not in accordance with the prescribed rules, but is also open to objection, since it is desirable that the genuineness of endorsements made in India should be decided in this country; the practice now brought to notice must in some cases operate with unfairness, as the proof required by the Bank might be easily obtainable in some cases, while in others it would not be possible to furnish it without a reference to India. The Government of India have accordingly decided that the practice should cease, and that in accordance with the authorised procedure notes on which the last Indian endorsement has not been certified should not be recognised in England.

7. The Government of India recognise the fact that the sudden cessation of the existing practice, however irregularly it has been allowed to grow up, might cause some inconvenience, and have accordingly decided that notice should be given in the form of the prescribed certificate of endorsement that endorsements made in India after the date of the certificate will not be recognised in England. The two following forms of notice are now prescribed by the Government of India for this purpose; and I am to request that in future one or other of the forms may be stamped on all Government Promissory Notes enfaced for payment of interest in England, Form A being used for notes bearing endorsements and Form B for clean notes:

## A.

*Certified that the above endorsement has been examined, valid and correct, and that the note is genuine and outstanding. Any endorsement made in India subsequent to the date of this certificate will not be recognised by the Bank of England (vide Government of India Notifications No. 61, dated the 12th November 1858, and No. 79, dated the 15th September 1859).*

Dated 189 . Superintendent.

## B.

*Certified that this note is genuine and outstanding. Any endorsement made in India will not be recognised by the Bank of England (vide Government of India Notifications No. 61, dated the 12th November 1858, and No. 79, dated the 15th September 1859).*

8. I am to add that the attention of the Bank of England will be invited to the rules on the subject as laid down in 1858 and 1859, and the Bank will be requested to give notice of the above orders in such manner as may appear most suitable on the occasion of the next payment of interest on

any loan; and thereafter to refuse payment of interest upon, and to return under objection all notes in which the rule as to endorsements in India is infringed, unless the endorsements have been previously recognized under the practice described in paragraph 5.

Ordered, that the letter be published in the *Gazette of India* for general information.

(Signed) STEPHEN JACOB,

Offg. Secretary to the Government of India."

### PART I.

#### Notification.

GENERAL DEPARTMENT.

*Bombay Castle, 20th June 1894.*

No. 2317.—In exercise of the power conferred by Act I of 1870, the following Rules for Quarantine against Plague have been made by the Government of Bombay, with the previous sanction of the Governor General in Council: they have effect from the 15th instant in the Ports of Aden, Perim and the Somali Coast as a temporary measure:—

- I.—The Commander of every vessel, including buggalows or other native craft, arriving from Hongkong shall, before entering the harbour, indicate by signal the port from which such vessel has come.
- II.—Such Commander shall not, except as hereinafter provided, allow any communication, either with the pilot boat, except orally, or with the shore, or with any other vessel or boat in the harbour.
- III.—Immediately on any such arrival being signalled, the Health Officer of the Port shall go alongside the vessel and ascertain by enquiry from the Commander whether any person on board is suffering, or has during the voyage suffered, from plague, and if the Health Officer is satisfied by such enquiry that no person on board is suffering, or during the voyage has suffered, from plague, he shall direct the Commander to take the vessel to the quarantine anchorage duly appointed and notified in that behalf by the Resident, there to remain for a period of seven days from the date of arrival in the harbour. The Health Officer shall also direct the Commander to prohibit, during the period for which the vessel remains at the quarantine anchorage as aforesaid, all communication, except such as is hereinafter provided for between such vessel and the shore, or other vessels and boats in the harbour.

- IV.—If the Health Officer shall have reason to believe at the time when the vessel arrives in the harbour that any person on board is suffering, or during the voyage has suffered, from plague, he shall direct the Commander to take the vessel to the quarantine anchorage as aforesaid, and there to remain for a period of fifteen days from the day of arrival in the harbour; and shall further direct that during such fifteen days, intercourse between the said vessel and the shore or other vessels and boats in the harbour shall be prohibited as provided in Rule III.
- V.—If during the period a vessel is at the quarantine anchorage aforesaid any case or cases of plague should occur on board, the said vessel shall remain in quarantine for a period of fifteen days from the date of the last case occurring, and be subject to all the prohibitions provided for in Rules III and IV.
- VI.—When any vessel has been placed in quarantine as aforesaid, the Health Officer may direct the removal of so many of the passengers and crew as may not be suffering from illness, and whose services may not be required on board the vessel, to such particular spots as may from time to time be selected by the Resident as places of quarantine, there to remain for a period of seven days, or if the vessel has been placed in quarantine for fifteen days, for a period of fifteen days. If a case of plague occurs among such passengers and crew during any such period, they shall remain in a place of quarantine for a period of fifteen days from the date of the occurrence of the last case of such illness.
- VII.—Any mails or cargo which may be brought by any vessel so arriving shall be landed under such precautions as the Health Officer may deem necessary to prevent the spread of the disease.
- VIII.—It will be the duty of the Port Officer to facilitate the conveyance to all vessels in quarantine of such supplies of provisions, stores and other articles as may be required by those on board. Such supplies will be placed on the boats of the vessels in quarantine to be subsequently removed by members of their crews.
- IX.—All vessels arriving at Aden, Perim and the Somali Coast, which may have communicated with vessels coming from Hongkong shall be subjected to the same quarantine as vessels arriving at Aden, Perim and the Somali Coast from Hongkong.

*By order of His Excellency the Right Honourable the Governor in Council,*

G. W. VIDAL,  
Acting Chief Secretary to Government.
