- (2) The overseas allowance set out in column 3 above (which will reckon as pay for all purposes of the Civil Service Regulations) will ordinarily be granted only to officers of non-Indian domicile; but as an exception to this general rule, an Indian Officer now in the Imperial Service on the full scale of pay will be eligible for the allowance.
- (3) Officers who have been promoted from the Provincial to the Imperial Service will, subject to a minimum of Rs. 350, receive pay at the multiple of Rs. 50 next above the rate of pay to which they would have been entitled had they remained in the Provincial Service, and thereafter rise on the ordinary incremental scale admissible to officers of Indian domicile. Provincial Service Officers appointed to the Imperial branch will rank for seniority immediately below other officers already in the Imperial Service drawing the same rate of pay.
- (4) Exchange compensation allowance is abolished with effect from the 1st December 1919, both for present and future members of the Department. All local house and other allowances at present drawn will continue to be drawn on the existing scale.
- (5) The selection grade, which will ordinarily be limited to 15 per cent. of the total strength of the Imperial Service exclusive of posts at the Imperial Bacteriological Laboratory at Muktesar, will not be regarded merely as a continuation of the time-scale, but promotion to it will be given as the reward of merit. An officer will be eligible for promotion to the selection grade after having completed fifteen years' service.
- (6) A local Government or Administration may appoint an officer of the Civil Veterinary Department serving in the Department to be Veterinary Adviser when his duties involve administrative control of the Department. The emoluments of a Veterinary Adviser will be regulated as follows:—
- If the officer so appointed has not completed 15 years' service, he will draw pay on the ordinary time-scale and may be granted by the local Government or Administration a special duty allowance of Rs. 150 a month, provided that his combined pay and allowance at no time exceed Rs. 1,500.
 - When a Veterinary Adviser completes 15 years' service he will no longer draw the special duty allowance but will be brought on to the selection grade time-scale at the minimum pay of that scale and will thereafter draw increments according to that scale.
 - If the officer so appointed has completed 15 years' service or more at the time of his appointment, he will, if he has not already been appointed to the selection grade, draw pay according to the selection grade scale starting at the minimum.

A separate communication will be made to the local Governments and Administrations regarding the appointments to the selection grades of officers other than Veterinary Advisers.

- (7) Officers of the Imperial branch, however, recruited, will, when serving in Burma, be eligible for a local (Burma) allowance at the normal rates according to salary.
- (8) The posts of Director and First Bacteriologist, Second Bacteriologist, Pathologist and Veterinary Officer at the Imperial Bacteriological Laboratory, Muktesar, are included in the regular cadre of the Imperial branch of the Indian Civil Veterinary Departments with effect from the 1st December 1919. The post of Director and First Bacteriologist is placed in the selection grade from the same date.

- (9) The existing local allowance of Rs. 100 a month and the concession of free house accommodation which is at present attached to them will be continued for all posts at Muktesar.
- (10) Officers of the Civil Veterinary Department are allowed to undertake private professional practice in India subject to the proviso that local Governments and Administrations may prohibit private practice when it appears to them likely to interfere with the efficient performance by an officer of his official duties.

2. Officers who are members of the Imperial branch of the Civil Veterinary Department prior to the 1st December 1919 will as a general rule receive pay in the new scale from the 1st December 1919 according to the length of their total service calculated from the date of commencement of such service, the provisions of Articles 156-158, Civil Service Regulations, being waived. The initial pay and the service for promotion and pension of officers who have served with His Majesty's forces during the war is governed by the orders contained in the Resolution by the Government of India in the Department of Revenue and Agriculture, No. 957-371, dated the 11th June 1920.

3. Officers of the Army Veterinary Department employed permanently in the Civil Veterinary Department will receive their military pay at the rates in force for the time being, together with the civil allowance now admissible. The military pay of officers of the Royal Army Veterinary Corps has, with the approval of the Secretary of State, been revised provisionally by Army Instructions (India) No. 274, dated the 20th April 1920, and officers of the Army Veterinary Department will accordingly draw pay provisionally at the following rates with effect from the 1st July 1919, exchange compensation allowance being withdrawn from that date :—

	Rs.
	per mensem.
Colonel	1,450
Lieutenant-Colonel	1,300
Major	950
Major after five years' service as such	1,050
Captain	650
Captain after two years' service as such	700
Lieutenant	550

4. Revised rules for appointment to the Imperial branch of the Indian Civil Veterinary Department will issue in due course.

II.—PROVINCIAL SERVICE.

In all provinces other than Burma the minimum pay of an officer in the Provincial Veterinary Service will be Rs. 250 and the maximum Rs. 750 with a probationary rate of Rs. 200 and an efficiency bar at Rs. 550. In Burma the minimum pay will be Rs. 300 and the maximum Rs. 800 with a probationary rate of Rs. 250 and an efficiency bar at Rs. 600. Within these limits each local Government and Administration will have full discretion to settle the grading of posts in its Civil Veterinary Department. Full discretion is given to local Governments and Administrations to decide the period of probation for officers recruited directly to the Provincial Service. The regulation governing private practice will be the same as for officers of the Imperial branch.
