NOTES REGARDING EXPORT TO CERTAIN COUNTRIES.

Exporters are warned that there are import prohibitions in some foreign countries, information regarding which can be obtained from the Department of Overseas Trade, 35, Old Queen Street, Westminster, S. W. 1, and 73, Basinghall Street, E. C. 2. The issue of an export licence implies no guarantee that the goods will be admitted into the country of destination.

There is no parcel post to *Esthonia, Jugo-Slavia (except Dalmatia), Lettland (Latvia), Lithuania, Poland.*

Germany.—Gift parcels sent by parcel post may enter Germany without import licence and also free from duty and taxes, provided they do not contain more than 2 kilos (70 ozs.) of tobacco.

Russia (European).—Conditions under which trading with European Russia will be permissible are at present under consideration.

Syria.—A parcel post service is in operation north of Acre to Alexandretta and west of Aleppo, including Beyrout, Damascus, Hamah, Homs, Latakia, Rayak and Tripoli.

Turkey.—Parcels for civilians in Turkey and Smyrna will only be accepted if they are fully addressed ‘c/o Poste Restante, British Army Post Office, Constantinople’ (and/or Smyrna), and parcels must be called for at the British Post Offices.

URGENT ORDERS.

The Import and Export Licensing Section, Board of Trade, announces that firms receiving orders which require immediate acceptance may telegraph details of any such order to ascertain whether a licence will be granted for the export of the goods if the order is accepted.

In the event of an applicant being promised a licence he will be enabled to deal with the order straightaway with the knowledge that upon application being made in the proper form to the Import and Export Licensing Section (Board of Trade) the licence will be granted.

The telegrams should be addressed to ‘Derestim, London’. They should give in each case in addition to the name and postal or telegraphic address of the applicant the quantity and description of the goods comprised in the order and the country of destination. A reply of 24 words (1/3) must be prepaid.

Applicants are requested in their own interest to confine their enquiries to orders needing a very urgent decision, since the fewer the enquiries the more promptly can answers be given.

Any subsequent correspondence that is necessary in connection with the telegraphic enquiries should be addressed to the Director, Import and Export Licensing Section, Board of Trade, Great George Street, S. W. 1.
