Prospectus of the Empire of India Exhibition to be held in London in 1895.

THE EMPIRE OF INDIA EXHIBITION, 1895.

TO BE HELD AT EARL'S COURT, LONDON, S.W.

Proprietors:

THE LONDON EXHIBITIONS, LIMITED.

Directors:

PAUL CRÉMIEU-JAVAL, *Chairman.*

HAROLD THOMAS HARTLEY.

JAMES MARSHALL FRESHWATER.

Managing Director:

IMRE KIRALFY.

This Exhibition will open early in May 1895, for a period of about six months, and will be held in the well-known Earl's Court Exhibition Grounds, which cover an area of about 22 acres, and will be characterised by brilliant and unique attractions.

Ample capital has been provided for this purpose by the London Exhibitions, Limited, who have a capital of £100,000, of which £90,000 is subscribed in cash. It is intended to expend the whole of this amount in preparing THE EMPIRE OF INDIA EXHIBITION.

The Exhibition will be divided into sections, *viz*:—The Art and Loan Section, the Industrial Section, and the Spectacular Section.

The Company will be glad to receive particulars of proposed Loan Exhibits from the owners of Artistic and Historical Objects emanating from or connected with India, such as Arms, Furniture, Costumes, Pictures, Jewellery, etc., for which, if approved, the Company will provide carriage to the Exhibition free of cost, and ample space for exhibiting, also every possible protection in the way of safes, show-cases, police, fire insurance, etc., and will guarantee to return the same at the end of the Exhibition at their own expense. This Section will be under the Direction of Sir JAMES LINTON, President of the Royal Institute of Painters in Water Colours.

Industrial Exhibitors—whether of Indian produce and manufactures, or manufacturers of goods for the markets of India—who are desirous of securing space, should state the nature of their Exhibits, the space required, and whether process of manufacture employing native or other labour will be shown. To those Exhibitors showing working exhibits employing native Indian operatives special facilities will be afforded.

“THE EMPIRE OF INDIA” is so suggestive of oriental splendour and of the manifold interests which are associated with this Great Dependency of the British Crown, that it affords abundant inspiration for this Exhibition. Only of late years has any attempt been made to meet the long-felt and pressing need of London for a Pleasure Resort easily accessible from all parts of the Metropolis, and it is confidently believed that this magnificent Exhibition of 1895 will fulfil this requirement; support and co-operation from the highest and most influential quarters have been secured to the enterprise.

The Exhibition will comprise Illustrations of Historical, Artistic, and Industrial India—not only by means of Oriental Pageants, but also by exemplifications of the Customs and Amusements of the various Races; and in order to make THE EMPIRE OF INDIA EXHIBITION really and instructively representative it is intended to reproduce all the leading characteristics of the varied and picturesque phases of life in an INDIAN CITY, comprising Bazaars, Streets, and Shops, peopled by Natives engaged in their various avocations. Arrangements have been made by the Company's Official Delegates in India for securing the presence, during the term of the Exhibition, of a number of Native Craftsmen and other typical representatives of Hindu and Mahomedan Bazaar-life. In order to stimulate the best artizans of India to take part in the Exhibition and exhibit their choicest works, valuable prizes, amounting to about 7,000 rupees, will be offered by the Company for the best examples of the various native Indian Arts and Crafts.

To ensure a thorough and impartial examination of the Exhibits for the Awards, which will be made in money prizes, the Company invited the co-operation and assistance of the Society for the Encouragement and Preservation of Indian Art, of which Sir MOUNTSTUART GRANT DUFF, G.C.S.I., is President, Sir GEORGE BIRDWOOD, K.C.I.E., C.S.I., is Chairman of the Executive Committee, Mrs. DAVID CARMICHAEL, Mr. C. PURDON CLARKE, C.I.E., and Mr. MARTIN WOOD, Honorary Secretaries. This responsible and onerous task has been undertaken by the Society as a duty in the interest of Indian Arts and Manufactures.

Mr. IMRE KIRALFY has undertaken the Composition and Production of a Great Indian Spectacle, which it is intended shall eclipse anything of the sort that has hitherto been produced, and his name, so well known as the author and producer of "Venice in London," "Nero," "America," and numerous other triumphs, familiar to the inhabitants of both hemispheres, will guarantee both the novelty and the artistic excellence of this Section. The Artistic and Architectural Features of the Exhibition also are his conception and design.

The present buildings being inadequate for the purposes above enumerated, a special feature of the new Exhibition will be the erection in the grounds of one of the finest glass and iron structures in the world, covering 66,014 superficial feet, to be known as THE IMPERIAL PALACE, in which the Exhibits will be displayed.

A New Theatre, probably the largest in the world, will be constructed for the purpose of adequately presenting Grand Spectacular Productions, and will be named "THE EMPRESS THEATRE."

The existing Gardens—which, with their manifold natural charms, have always been a great feature of attraction at Earl's Court—will be improved, and Electric Illuminations, First-class Bands, and other attractions will be provided therein.

Arrangements will also be made with persons having control of typical Indian Amusements, or shows connected with India, which they are desirous of exhibiting to the British public for special payment at the doors. Such arrangements can be made either on the basis of a fixed rental or of sharing the receipts for admissions. Spaces for this purpose will be provided in the grounds separate in every way from the Exhibition Buildings.

Arrangements have been made with Messrs. SPIERS & POND to provide an efficient system of Restaurants and Refreshment Bars to suit all classes of visitors, at prices varying from the cheap tourist tariff to the celebrated Quadrant Dinners provided by them at the well-known South Kensington Exhibitions of 1885 and 1886.

Intending Exhibitors should fill up the Preliminary Form attached, giving particulars of their Exhibit, and forward the same, addressed to the Secretary, at the *Offices of the London Exhibitions, Limited, 10, 11 and 12, New Bridge Street, London, E. C., from whom all information can be obtained, as well as at the Offices of Messrs. King, King & Co., at Bombay, and King, Hamilton & Co., of Calcutta.*

After receipt of the Preliminary form above referred to, the Applicant will be informed if the space can be allotted to him, and on what conditions, when the Rules and Regulations and Form of Agreement will be sent for his approval and signature.

Offices:—10, 11, 12, New Bridge Street, E. C.

To Manufacturers and Importers desirous of developing or establishing trade with India, the commercial importance of this Exhibition cannot be overstated. It will not only bring the manufacturer into practical touch with the consumer, but will also afford an unrivalled opportunity of making brands prominently known in the most desirable of markets.

The solid support the Exhibition meets with both here and in India, in the very highest and most influential quarters, indicates the serious interest taken in it.

The important trade already existing between the two countries is clearly shown in the following Government Statistics of Exports to which we particularly invite the attention of Merchants and Manufacturers of all classes; a trade to which, it is believed, the Empire of India Exhibition will afford an enormous impetus.

The Directors have been much gratified by the warm approval the proposal has received. A number of distinguished Anglo-Indian officials have already kindly consented to act as an Honorary Committee of Advice, to assist the Directors in their efforts to secure a collection which shall recall to the minds of the present generation of Englishmen the remarkable achievements of the great Merchant

The Directors will be glad to receive particulars of any proposed Loan Exhibits from the owners of objects connected with the history of the Honourable East India Company, such as Portraits, Drawings, Sketches, Maps and Plans, Original Commissions, Arms, Medals, Coins, Old Plate, China and Glass, or other Historical Relics associated with the H. E. I. C. in India or in this country.
