Customs Circular No. XXV.

From—The Government of India, Finance and Commerce Department,—No. 5294 S. R.,
dated the 6th November 1895.

To—The Secretary to the Government of Bengal, Financial Department.

I am directed to acknowledge the receipt of your letter No. 680 T.F., dated the 17th October 1895, referring for the orders of the Government of India a question regarding the levy of import duty on iron screws. The Collector of Customs at Calcutta has ruled that these articles are chargeable with duty at 1 per cent. *ad valorem* under the head "Iron Nails, Other Sorts," while the Board of Revenue, Lower Provinces, are of opinion that they are hardware and should be assessed at 5 per cent. *al valorem* under No. 13 of Schedule IV of the Indian Tariff Act, 1894.

I am to say that the Government of India confirm the view taken by the Board.

RESOLUTION—By the Government of India, Finance and Commerce Department,—No. 5303 S. R.,
dated the 6th November 1895.

Read—

Resolution in the Finance and Commerce Department No. 2111 S. R., dated the 6th May 1895.

Letter from the Chief Commissioner of Burma No. 65—1 C.-2, dated the 2nd July 1895.

Letter from the Government of Madras No. 2910, dated the 20th July 1895, and enclosures.

Letter from the Government of Bombay No. 6475, dated the 26th August 1895, and enclosures.

Letter from the Government of Bengal No. 650 T. F., dated the 5th October 1895, and enclosures.

In the Resolution cited above the Government of India invited the opinions of the local maritime Governments on the question whether the practice of mixing spirit in bond with water before exportation is open to such objection that the sanction required by Section 100 of the Sea Customs Act, VIII of 1878, should be withheld generally and the practice disallowed.

2. The replies of the Local Governments are to the following effect :—

- (1) The Government of Madras are of opinion that certain difficulties stated by the Collector of Customs at Madras could be provided for by rules, and that the question resolves itself into one of providing an adequate supervising staff. The difficulties mentioned, however, apply to the case of admixture of water with spirit for home consumption rather than with spirit for exportation, and therefore are not relevant to the present issue.
- (2) The Government of Bombay consider that, as long as operations are confined to the reduction of spirit with water for exportation, the practice may be allowed, but they would deprecate any proposal permitting the admixture with water or any other substance of spirit in bond which is not intended for exportation.
- (3) The Government of Bengal propose to allow the practice even in the case of spirit for home consumption.
- (4) The Chief Commissioner of Burma is of opinion that the operation need not be prohibited, and that rules might be framed which would sufficiently protect the revenue.

3. The Governor General in Council agrees in the opinion of the Government of Bombay and considers that there is no necessity for allowing the practice of mixing spirit in bond with water in the case of spirit for home consumption. The practice may be permitted in the case of spirit intended for exportation from bond, but not in regard to other spirit."

By order of His Excellency the Right Honourable the Governor in Council,

J. MONTEATH,
Acting Chief Secretary to Government.

Government of India, Public Works Department, Resolution No. 541 R. T., dated the 26th September 1895—published in the *Gazette of India* of the 5th October 1895—applying the general rules read above to portions of the Great Indian Peninsula Railway, and the lines worked by it, as are situate in British territory.

OBSERVATIONS.—In the Resolution embodied in Circular No. 15 Ry. of 1895 read above, it was directed that the general rules promulgated with Circular No. 6 Ry. of 1895 shall be brought into force on the 1st January 1896 on all lines of railway in British India administered by Government and on the Dibru Sadiya and Deoghur Railways.

2. As the vernacular translations of the rules will not, however, be ready for distribution by the 1st January 1896, and as it is considered desirable that certain modifications which have been lately proposed should be embodied in the general rules, it appears advisable to postpone their introduction till 1st July 1896.

RESOLUTION.—In supersession of the orders in Circular No. 15 Ry., dated the 22nd July 1895, postponing the date of the introduction of the rules on all lines of railway in British India administered by Government and on the Dibru Sadiya and Deoghur Railways to the 1st January 1896, and in modification of the Resolutions and Notifications now read, which prescribed certain dates from which the rules should be adapted on the railways mentioned in the preamble, the Governor General in Council is pleased to direct that the date of introduction of the rules referred to be the 1st July 1896.

Bombay, 3rd December 1895.

The Honourable the Chief Justice and Judges have been pleased to issue for the guidance of the Civil Courts subordinate to the High Court the following instructions in regard to depositing into Court of compensation money under Section 31, clause (2), and for the investment of such deposits under Sections 32 and 33 of the Land Acquisition Act I of 1894, and to direct that they be embodied in the High Court Civil Circulars under Chapter XII—Accounts—immediately after the Rules notified in the *Bombay Government Gazette* of 10th October 1895, pages 1009 to 1021:—

I. When a Collector acting under clause (2), Section 31 of Act I of 1894, deems it expedient to deposit in Court the amount of the compensation money therein referred to, he will remit the same by means of a cheque in favour of the presiding officer of the Court, or a receipt duly endorsed to him payable by order of the Court to the credit of Civil Court Deposits. The cheque will be accompanied with a receipt in triplicate, one of which shall be retained by the Court for record and the other two returned duly signed to the Collector.

II. Every sum deposited in the manner prescribed in paragraph I. shall be entered on the date

of such deposit in the Register of Deposit Receipts-Form C, published at page 205 of the *Bombay Government Gazette* for 1893, Part I.

III. Every cheque or receipt relating to such deposit shall be forwarded duly endorsed, if possible, on the day on which the deposit has been entered in the Register of Receipts or on the following day at the latest, unless such day is a Sunday or a close holiday, to the nearest Treasury Office to be credited to the Civil Court Deposits Account.

IV. If after making the enquiries laid down in Sections 21 to 25 of the Act the Court upholds the award of the Collector, it shall proceed to make the payments to the party or parties concerned by cheque on the Treasury Office where the deposit has been made under the last foregoing paragraph.

V. If an award is made in favour of more persons than one, and one or more of such persons not assenting to it have preferred an appeal against such award and desire, for reasons to be stated by him or them in writing, that the amount of the deposit should not be distributed among the others, he will apply without unnecessary delay to the Court making the award, which may either make an order deferring payment until the disposal of such appeal or make payments under its award on such terms as to security or otherwise as it thinks fit.

VI. The application referred to in the last preceding paragraph may be made to the Court in which the appeal has been filed, and such Court may make such order as to payment or otherwise on such terms as it thinks fit.

VII. When the award of the Court has been confirmed on appeal, the Court in which the deposit has been made shall, on receipt of the order of the Appellate Court and on application made by the party or parties interested, proceed to pay the amount in the manner prescribed in paragraph IV.

VIII. If after making the necessary enquiries referred to in paragraph IV. the Court makes an award in excess of the amount deposited by the Collector, and the Collector has paid such excess, together with the interest prescribed by Section 28 of the Act, the Court shall follow the procedure in paragraphs II. to IV.

IX. If the Collector prefers an appeal against the order of the Court making an award in excess of the amount deposited by him, he will give notice thereof to such Court, which may stay further proceedings until the disposal of such appeal.

X. If the Appellate Court either varies or confirms the award of the lower Court, the latter, on receipt of the order on appeal, shall, after the Collector has made further deposit, if any, on application by the party or parties interested, proceed to make payments in conformity to such order, having regard to the rules hereinbefore laid down.

XI. When a Court deems it expedient to invest under Section 32, clause (a), the amount deposited with it under Section 31, clause (2), in

land or lands, it shall communicate with the Collector or other Revenue authority giving the particular description of title and conditions of ownership of the land or lands proposed to be purchased. The Collector or other Revenue authority will thereupon proceed to ascertain what land or lands can be so purchased and make a report to the Court specifying in detail the particulars of title, conditions of ownership, together with the area, boundaries and site of such land or lands, and its or their price, which should be as nearly as may be equal to the amount of the deposit.

XII. On receipt of the Collector's report the Court will forward a copy thereof to the party or parties interested, together with a notice calling upon him or them to file in writing, within 8 days after service thereof, his or their objections to the purchase of the proposed land. The time for filing such objections may, for sufficient reasons, be extended so as not to exceed two months in all from the date of the first notice.

XIII. If the objections are filed by the time prescribed, the Court will fix a day for considering them, and after hearing the party or parties concerned, may make such order as it thinks fit.

XIV. If no such objections are filed within the prescribed time, the Court will, after satisfying itself that the notice was duly served, authorize the Collector in writing to purchase the land or lands on behalf and in the name of the person or persons interested, unless it sees sufficient reason to the contrary.

XV. On receipt of such authority the Collector will cause a draft of the conveyance to be prepared and send the same for the approval of the Court.

XVI. On receipt of such draft the Court shall forward a copy of it to the party or parties interested, together with a notice calling upon him or them to suggest any alterations or additions which might be deemed necessary, and return the copy within 15 days after service of such notice. If such party or parties fail to suggest any additions or alterations by the time aforesaid or within such further time as the Court may grant for sufficient reasons, the Court will return the draft to the Collector duly approved, or with such alterations or additions as it may of its own motion deem necessary to make.

XVII. If the party or parties referred to in paragraph XVI or their legal representatives submit within the time prescribed to the Court an amended draft, the Court shall fix a day for the consideration of the proposed alterations or additions, and after hearing such parties as may wish to be heard or their legal representatives decide whether the proposed alterations or additions should be allowed or not, and make such other alterations or additions as it may deem fit. The Court will then return the draft to the Collector to be engrossed.

XVIII. As soon as such draft is engrossed and the vendor is ready to execute it, the Collector shall intimate the same to the Court, which will remit to the Collector by cheque the amount of the purchase-money.

XIX. The Collector will, before payment, cause the conveyance to be duly stamped and executed, and after taking over possession from

the vendor will forward the conveyance to the Court, which will make it over to the person or persons interested, or his or their duly authorized representative, and refer him to the Collector for possession.

XX. When a Court acting under Section 32, clause (b), or Section 33 deems it expedient to invest the amount deposited with it in Government securities, it shall communicate its intention to the Accountant General specifying the amount to be invested. The Accountant General, on receipt of such communication, will make his report to the Court.

XXI. On receipt of such report the Court shall, as soon as may be, remit the amount deposited with it for the investment referred to in the last foregoing paragraph to the Accountant General, who will thereupon make the necessary investment and hold the same as well as the balance in cash, if any, subject to the further order of the Court.

XXII. When a Court acting under Section 32, clause (b), or Section 33 deems it expedient to invest the amount deposited with it in approved securities other than Government securities, such as Port Trust or Municipal Bonds, it shall purchase out of the amount deposited such of those securities in which in its opinion it could for the time being be most profitably invested, and lodge the same with the Accountant General to be held by him subject to the further order of the Court.

XXIII. Every payment made by the Court out of the amount deposited under the foregoing paragraphs shall be entered in the Register of payments kept in accordance with Form D published at page 205 of *Bombay Government Gazette* for 1893, Part I.
