## PART V.

### PROCEEDINGS OF THE LEGISLATIVE DEPARTMENT, BOMBAY.

*(To be translated into Gujarati and the translation to be published in the "Bombay Government Gazette." To be translated also into Sindhi, and the translation to be published in the "Sind Official Gazette." The dates of publication to be reported.)*

The following Report of the Select Committee of the Council of His Excellency the Governor of Bombay on the Bill to amend the Bombay Boiler Inspection Act, 1891, and the Bill as amended by the Select Committee are, in accordance with Rule 25 of the Rules for the Conduct of Business at Meetings of the Council, published for general information:—

*Report of the Select Committee appointed to consider Bill No. I of 1896  
(a Bill to amend the Bombay Boiler Inspection Act, 1891).*

1. We have carefully considered the Bill.
2. We recommend the following verbal alterations in section 4 thereof:—

- (1) that between the words "of the" and the word "Act" the word "said" be inserted;
- (2) that for the word "granted" the word "regranted" be substituted.

3. We further propose the substitution of the following section for section 5 of the Bill:—

Addition to clause (d)  
of section 35.

"5. To clause (d) of section 35 of the said Act there shall be added the following words:

'and prescribing also the fees to be paid for the duplicate certificates furnished under section 26.' "

It appears to us that the amendment proposed by section 5 of the Bill in section 26 of the Act would be more appropriately made in section 35 of the Act as proposed above.

4. The Honourable Mr. N. N. Wadia is of opinion that certain amendments of sections 10 and 11 of the Act are desirable. Even if the consideration of these proposals can be regarded as being within the scope of the reference made to us by the Council, we find ourselves unable, on the materials before us, to arrive at any definite decision regarding them. The honourable member does not, therefore, press them at present for consideration, but will address the Executive Government on the subject.

*Note by the Honourable Mr. Navroji N. Wadia, C.I.E.*

I have signed the accompanying Report and as suggested in the last paragraph have already addressed the Executive Government as to the changes required in sections 10 and 11 and trust that before the Bill is passed these amendments will also be considered.
