Persons who have any objection to urge to the draft rules and notification are required to forward their objections in writing to the Secretary to Government, Revenue Department, before the noon of 20th August 1886:—

*Draft No. 1.*

The following rules, made by the Governor in Council under Section 31 of the Indian Forest Act, 1878, to regulate the management of the Protected Forest in the village of Sámrad in the Akola Taluka of the district of Ahmednagar are published, with the previous sanction of the Governor General in Council, for general information:

1. Lands of either of the two following descriptions may be cleared or broken up for cultivation in the said forest subject to the conditions, if any, respectively applicable thereto, viz.:

- (a) land the right to cultivate which has been recorded in an enquiry under Section 28 of the Forest Act, or
- (b) land let for cultivation under a lease which is at the time in force and has been granted under these rules.

2. The unoccupied land in the said forest suitable for cultivation having been divided off by the Survey Department, under the orders of Government, into fields which bear distinctive numbers and having been measured and assessed by the said Department at a moderate rent, any of the said fields (hereinafter called "numbers") may be let at the rent so assessed to any person who is, and has been for not less than five years previously, a resident of the said village, subject to the conditions contained in these rules.

3. The lease of a number may be sold by public auction or granted, at the discretion of the Divisional Forest Officer, with or without payment of a premium.

4. Every lease granted under these rules shall be in the form A. hereto annexed and shall be executed by the Divisional Forest Officer, if he is competent under the rules in force in this behalf to execute such an instrument, or otherwise by the Conservator.

No such lease shall be granted until the intending lessee has executed a counterpart agreement in the form B. hereto annexed, bearing an endorsement of the tenor prescribed in the said form signed by the village officers.

5. In the first year in which these rules are in force leases shall be granted for a term of thirty years. Leases granted after the said first year shall be for terms which will expire simultaneously with the terms of the first year's leases.

6. The rent due annually in respect of lands leased under these rules shall be payable in two equal instalments on the 10th December and 10th January respectively.

7. On the expiry of the term of any lease granted under these rules the lessee shall be entitled to a renewed lease for such term and subject to such conditions and the payment of such rent as Government shall think fit to prescribe.

8. Every lease granted or renewed under these rules may at any time be cancelled by the Divisional Forest Officer or the Conservator of Forests:

- (a) if the lessee or any co-sharer of the land held by the lessee is convicted of any offence under Section 32 of the Forest Act and such conviction is not subsequently reversed or quashed; or
- (b) if the land included in the lease or any portion of it is subjected, without the previous sanction of the Divisional Forest Officer or of the Conservator of Forests, to any mortgage, charge, sub-lease or alienation; or
- (c) if the land included in the lease or any portion of it is subjected to *dalhi* cultivation; or
- (d) if any instalment of rent due in respect of the land is not paid or recovered, under Section 81 of the Forest Act, before the close of the revenue year in which it is payable; or
- (e) if the lessee ceases to be a resident of the said village.

When a lease is cancelled under this rule, it shall be deemed for the purposes of Rule 1 to cease to be in force from such date as shall be fixed in this behalf by the officer cancelling the same.

9. An appeal shall lie from any order made by the Divisional Forest Officer under the last preceding rule to the Conservator of Forests. The order of the Conservator of Forests shall be final.

10. No lease granted under these rules shall be deemed to confer upon the lessee any right in or over the trees or other forest produce of the land included in such lease; but, subject to a reservation of the right of Government at any time to reconsider and amend or cancel such concession and to the provision of Rule 11, the Governor in Council directs that the lessee of any land of which a lease is granted or renewed under these rules shall be permitted upon or from the said land:

- (a) to lop trees, not being trees which are reserved under Section 29 of the Forest Act, for the purpose of obtaining *ráb* for manure;
- (b) with the written authority of the Divisional Forest Officer to cut and remove trees, not being trees reserved as aforesaid and not exceeding 15 inches in circumference at the base, which in the opinion of the said officer impede cultivation;

the Collector shall inquire into the circumstances, and if the defaulter's request appears to him to be reasonable, shall put up the occupancy for sale:

Provided that the Collector shall not be bound to confirm the sale of any such occupancy, if he has reason to believe that the bidding thereat has not been *bonâ fide* or that there has been collusion to recover the occupancy without payment in full of the arrears and charges due to Government, or if in the opinion of the Collector there has been some material irregularity in publishing or conducting the sale, which is likely to have affected the amount of the highest bid or otherwise to have caused injury to any person.”

(b) that the land comprised in the occupancy is likely to be required either immediately, or within such time as the Collector deems reasonable for any such purpose as is described in Section 38 of the Land Revenue Code.”

(3) For No. 62 of the said rules the following rule shall be substituted :—
