No. 3920.—The following Resolution by the Government of India is republished:—

“DEPARTMENT OF FINANCE AND COMMERCE.

Calcutta, the 24th December 1886.

No. 4821.

RESOLUTION—By the Government of India, Department of Finance and Commerce.

The President of the Finance Committee having reported to the Government of India that, in accordance with the instructions conveyed in Financial Department No. 3397, dated 29th September, and No. 4745, dated 17th December, the Committee have made arrangements for the submission of their final report and have dissolved, it becomes necessary to arrange for the completion of enquiries in certain branches of the administration which have been instituted by the Committee, but for the prosecution and completion of which it is not necessary that so numerous a body as the Finance Committee should be retained.

2. The Government of India will dispose of the recommendations of the Committee in regard to the Provincial Contracts and such other subjects as can be disposed of on the reports already submitted. But the Government is not in a position to carry out effectively, without further aid, certain other of the enquiries which are at present in various stages of advancement, and which from their importance need the whole time and attention of the officers engaged in them. His Excellency in Council has, therefore, decided to avail himself for a further term of the services of Mr. C. A. Elliott, Chief Commissioner of Assam and late President of the Finance Committee; to appoint him, while engaged on these further enquiries, Finance Commissioner with the Government of India; and to appoint Colonel Filgate and Mr. Bliss to be on special duty with the Finance Commissioner with the Government of India for the purpose of assisting him in completing the enquiries confided to him. Mr. Elliott will act under the instructions of the Government of India in the Financial Department as to the subjects to which his attention is to be directed, and will arrange, in communication with

that Department, the order in which they shall be taken up, the mode in which the enquiries are to be pursued, and all other matters connected with the work entrusted to him. It will be understood that in all such enquiries Mr. Elliott and his Colleagues are acting on behalf and with the authority of the Government of India in the Financial Department. It is the intention of His Excellency in Council that their labours should be directed to the completion of enquiries which have been instituted by the Committee and are actually in progress, and it will not, save in exceptional cases, (which will be subject to the limits within which,

* Republished at pages 160 and 161 of Part I. of the Bombay Government Gazette dated 18th February 1886.

in paragraph 3 of the Resolution No. 649,* dated 10th February 1886, the Finance Committee were instructed to confine themselves) be necessary for them to enter upon the examination of branches of the administration other than those to which the Committee have directed their attention.

Mr. S. Jacob will be deputed to act as Secretary to the Finance Commissioner with the Government of India; and replies to any letters issued by the Secretary, Finance Committee, which have not been answered up to date, should be addressed to him in that capacity.

ORDER.—Ordered, that this Resolution be published in the *Gazette of India*, and that copies of it be communicated to Mr. C. A. Elliott, Colonel A. J. Filgate, Mr. H. W. Bliss, and Mr. S. Jacob for information.

Ordered also, that the Resolution be communicated to the several Local Governments and Administrations, the Comptroller and Auditor General and the several Accountants General and Comptrollers.

(Signed) J. WESTLAND,
Offg. Secretary to the Government of India.”

T. D. MACKENZIE,
Acting Chief Secretary to Government.

- I.—The Commander of every vessel, including buggalows or other native craft, arriving from Bombay shall, before entering the harbour, indicate by signal the port from which such vessel has come.
- II.—Such Commander shall not, except as hereinafter provided, allow any communication, either with the pilot boat, except orally, or with the shore, or with any other vessel or boat in the harbour.
- III.—Immediately on arrival the Commander shall cause the letter R of the Commercial Signal Code to be hoisted, and shall keep the said flag flying during his stay in port or until authorized by the Health Officer to haul it down. If communication with the shore is not desired, the vessel shall anchor at such place as may be pointed out by the Port authorities, having regard to the season of the year. If communication with the shore is desired, the Health Officer shall go alongside the vessel and, after all necessary enquiries, shall direct the Commander to take the vessel to the quarantine anchorage duly appointed and notified in that behalf by the Resident, there to remain for a period of seven days from the date of arrival, or for the shorter period prescribed in Rule IV., and undergo disinfection which should apply as well to crew, passengers, effects and susceptible goods.

IV.—If the Health Officer of the Port has sufficient evidence that no cases of a suspicious nature have taken place on board during the voyage, and if the vessel is besides in good hygienic condition, the duration of the quarantine will be diminished according to the following scale:—

After eight days of voyage	six days of quarantine.
Do. nine do.	five do.
Do. ten do.	four do.
Do. eleven do.	three do.
Do. twelve do.	two do.
Do. thirteen do.	...	and upwards	...	twenty-four hours of quarantine.

V.—If during the period a vessel is at the quarantine anchorage aforesaid, any case or cases of cholera should occur on board, the said vessel shall remain in quarantine for a period of seven days from the date of the last case occurring, and be subject to all the prohibitions provided for in Rule III.

VI.—When any vessel has been placed in quarantine as aforesaid, the Health Officer may direct the removal of so many of the passengers and crew as may not be suffering from illness, and whose services may not be required on board the vessel, to such particular spots as may from time to time be selected by the Resident as places of quarantine, there to remain for a period of seven days. If a case of cholera occurs among such passengers and crew during any such period, they shall remain in a place of quarantine for a period of fifteen days from the date of the occurrence of the last case of such illness.

Any mails or cargo which may be brought by any vessel so arriving shall be held under such precautions as the Health Officer may deem necessary to prevent the spread of the disease.

It will be the duty of the Port Officer to facilitate the conveyance to all vessels in quarantine of such supplies of provisions, stores and other articles as may be required on board. Such supplies will be placed on the boats of the vessels in quarantine to be subsequently removed by members of their crews.

IX.—All vessels arriving at Aden and Perim which may have communicated with vessels coming from Bombay shall be subjected to the same quarantine as vessels arriving at Aden and Perim from that Port.

X.—All vessels which have undergone quarantine in the manner above prescribed should have the fact clearly stated on their Bills of Health.

19. Each person whose vote is allowed by the polling officer shall drop his voting paper, in the presence of the polling officer, into a box which has been previously sealed by the Mámlatdár with the Mámlatdár's seal.

Government will provide boxes of this description for each place at which votes are to be received. The cost of such boxes must be refunded by the municipality within one year after its constitution is complete.

20. The boxes aforesaid shall be opened in the presence of the Collector and of the candidates for election who may attend on the occasion on, or at as early a date as possible after, the day of the election; and when the votes have been scrutinized and counted by such persons as the Collector appoints in this behalf, the result of the election shall be declared by the Collector, and shall be there and then recorded by him in writing and signed by the candidates present.

21. If there is an equal number of votes in favor of each of two or more candidates for one commissionership, the selection of one of such persons shall be made by the Collector by lot in such manner as he and the candidates present may agree upon.

In the event of any person being elected for two or more wards, such person shall be at liberty to choose the ward which he will represent; and in every other ward for which the said person has been returned, the result of the election shall be determined as if no votes had been recorded for him.

22. When the voting papers have been scrutinized, they shall be replaced in the box from which they were taken, and the box after being locked and sealed with the Mámlatdár's seal shall be kept by the Mámlatdár in safe custody for a period of 15 days from the date of the declaration of the result of the election.

23. On the expiry of 15 days from the said date, or if an application regarding the election is made to the District Judge under Section 23 of the Act, whenever such application has been finally disposed of, the voting papers shall be destroyed in the presence of the Collector or of such other officer as he shall appoint for this purpose.

24. The result of the election as declared by the Collector under Rule 20 shall be certified by him to the Commissioner of the division with a view to its being notified in the *Bombay Government Gazette*.

25. All or any of the duties assigned to the Collector under these Rules may be performed by an Assistant or Deputy Collector in charge of the taluka in which the municipal district is situated, subject to assignment and control by the Collector.
