60. If it shall at any time appear to the Governor in Council that sufficient provision is not being made by the Board to meet their liabilities, or if default shall at any time be made by the Board in any payment of interest which they are required to make under section 34, the Governor in Council may require the Board, by an order in writing signed by a Secretary to Government, to increase, subject to his sanction and to the provisions of section 43, to such extent and for such period as shall appear necessary, the rates or any of the rates for the time being in force under the said section.

If within fifteen days after receipt of such order the Board do not comply with the same, the Governor in Council may, by notification in the *Bombay Government Gazette*, increase the said rates or any of them, and such notification shall have the same force as if a new scale of rates to the same effect had been duly framed, sanctioned and published under section 43.

Rates in respect of goods to be landed shall become payable immediately on the landing of such goods. Rates in respect of goods to be removed from the premises of the Board, or to be shipped for export, shall be payable before such goods are removed or shipped. The lien for such rates shall have priority over all other liens and claims, except for general average, for the ship-owner's lien for freight upon the said goods, (where such lien exists and has been preserved in the manner hereinafter provided), for primage and for money payable to Her Majesty or to the Secretary of State for India in Council.

62. If the master or owner of any vessel, or his agent, at or before the time of landing from such vessel any goods at any wharf, dock or pier in the possession of the Board, shall give to the Board notice, in writing, that such goods are to remain subject to a lien for freight or other charges payable to the ship-owner, to an amount to be mentioned in such notice, such goods shall continue liable to the same lien, if any, for such charges as they were subject to before the landing thereof. Such goods shall be retained either in the warehouses and sheds of the Board, or, with the consent of the Chief Customs Authority of the Presidency in the public warehouses, at the risk and expense of the owners of the said goods until the lien is discharged as hereinafter mentioned.

63. Upon production to the proper officer of the Board of a document purporting to be a receipt for the amount claimed as due, or a release of freight from the person by or on whose behalf such notice shall have been given, it shall be lawful for the Board to permit such goods to be removed without regard to such lien, provided they shall have used reasonable care in respect to the authenticity of such document.

64. If the rates payable to the Board in respect of any goods are not paid, or if the lien of the ship-owner for freight, when such notice as aforesaid has been given, is not discharged, the Board may, and in the latter event, if required by or on behalf of the person claiming such lien for freight, shall, at the expiration of two months from the time when the goods were placed in their custody, or if the goods are of a perishable nature, at such earlier period (being not less than twenty-four hours after the landing of the goods), as they shall think fit, sell by public auction the said goods, or so much as may be necessary to satisfy the amounts hereinafter directed to be paid out of the produce of such sale.

Before making such sale, ten days' notice of the same shall be given by publication thereof in the *Bombay Government Gazette*, unless the goods are of so perishable a nature as, in the opinion of the officer aforesaid, to render their immediate sale necessary or advisable, in which event such notice shall be given as the urgency of the case admits of.

If the address of the owner of the goods has been stated on the manifest of the cargo or in any of the documents which have come into the hands of the Board, or is otherwise known, notice shall also be given to the owner of the goods by letter delivered at such address, or sent by post; but the title of a *bonâ fide* purchaser of such goods shall not be invalidated by reason of the omission to send the notice hereinbefore mentioned, nor shall any such purchaser be bound to inquire whether such notice has been sent.

65. In every case of any such sale as aforesaid, the monies received from the sale shall be applied as follows:—

1stly.—In payment, according to their respective priorities, of the liens and claims excepted in section 61 from the priority of the lien of the Board for rates;

2ndly.—In payment of the expenses of the sale;

3rdly.—In payment of the rates and expenses due to the Board in respect thereof.

The surplus, if any, shall be paid to the owner of the goods or his agent on his applying for the same, provided such appli-

cation be made within one year from the sale of the goods, or good reason be shown why such application was not so made to the satisfaction of the Board; and in case such application shall not be so made, nor reason shown, such surplus shall be applied by the Board to the purposes of this Act.

66. If the master of any vessel in respect of which any rates, charges, or penalties shall be payable under this Act, or any bye-laws made in pursuance hereof, shall refuse or neglect to pay the same, or any part thereof, on demand, it shall be lawful for the Board to distrain or arrest, of their own authority, such vessel, and the tackle, apparel, or furniture belonging thereto, or any part thereof, and detain the same until the amount so due shall be paid; and, in case any part of the said rates or penalties or of the costs of the distress or arrest, or of the keeping of the same, shall remain unpaid for the space of fifteen days next after any such distress or arrest shall have been so made, the Board may cause the vessel, or other thing so distrained or arrested, to be sold, and with the proceeds of such sale may satisfy such tolls, dues, rates, penalties, or charges and costs of sale remaining unpaid, rendering the surplus (if any) to the master of such vessel on demand.

67. If the Board shall give to the officer of Government, whose duty it is to grant the port clearance of any vessel, a notice stating that an amount therein specified is due in respect of rates, charges, or penalties chargeable under this Act, or any bye-laws, or orders made in pursuance hereof, against such vessel, or the owner or master of such vessel, in respect thereof, such officer shall not grant such port clearance until the amount so chargeable shall have been paid.

By virtue of the Act No. of 1879 of the Council of the Governor of Bombay for making Laws and Regulations, entitled "The Bombay Port Trust Act, 1879," we, the Trustees of the Port of Bombay, in consideration of the sum of Rupees paid to us by A. ## STATEMENT OF OBJECTS AND REASONS.

The Governor General having refused his assent to Bill No. 12 of 1878 for the reason that at the time it was read a third time and passed by the Legislative Council of Bombay, the provisions of its fifth Chapter conflicted with the provisions of the Indian Loans Act (24 of 1871), and were therefore *ultra vires*, it has become necessary to introduce the present Bill—which is word for word the same as the Bill so passed and read a third time—in its place.

The explanation of the apparent irregularity of introducing a Bill which is precisely the same as one to which the assent of the Governor General has just been refused, lies in the fact that at a recent meeting of the Legislative Council of the Governor General, a Bill was introduced, at the instance of the Government of Bombay, excepting the Trustees of the Port of Bombay from the provisions of the Indian Loans Act. That Bill was on the same day passed into law, and there is therefore now no longer any legal impediment to the passing by the Legislative Council of Bombay of the provisions of Chapter V.
