JUDICIAL DEPARTMENT.

Bombay Castle, 17th June 1882.

No. 3703.—The following Notification by the Government of India is republished :—

“HOME DEPARTMENT.

PUBLIC.

Simla, the 8th June 1882.

No. 865.—Under the provisions of Section 17 of the Indian Arms Act, 1878, the Governor General in Council is pleased to direct that the following Rule for the grant of licenses for the importation into British India, by land or river, of arms, ammunition, or military stores, shall be

inserted after Rule 6B of the Rules framed under Section 17 of the said Act, and published in the Notification mentioned in the margin :—

6C. Licenses to import into British India, by land or river, arms (other than arms for which the Governor General in Council is to issue licenses under Rule 5), ammunition, or military stores, may be granted by the Magistrate of the district to which

such arms, ammunition, or military stores are consigned; or, if such arms, ammunition, or military stores are consigned to a Presidency Town, by the Commissioner of Police. The fee payable in respect of each such license shall be Rs. 5; but officers granting such licenses are empowered to remit the fee when the arms, ammunition, or military stores are of a reasonable quantity, and such officers are satisfied that they are required *bonâ fide* for purposes of protection of person or property. In the case of arms, ammunition, or military stores imported from a Native State, a copy of the license shall be sent by the officer granting it to the Political Officer of the State from which they are to be imported. If the district to which the arms, ammunition, or military stores are consigned is other than a frontier district, and they are to cross the frontier by road or river, a copy of the license shall also be sent to the Magistrate of the frontier district, who shall, if he thinks necessary, before permitting the arms, ammunition, or military stores to leave his district, require the holder of the license to produce them for his inspection. In cases in which the arms, ammunition, or military stores are to cross the frontier by rail, a copy of the license shall be sent to the Railway authorities at the place to which the arms, ammunition, or military stores are to be conveyed by Railway. The Railway authorities shall in every such instance

satisfy themselves before delivery that the arms, ammunition, or military stores claimed by any consignee correspond with the description given in the original license, which must be produced by him, and also that the license is identical in substance with the copy sent to them by the officer granting it. If

the license is not produced, or the arms, ammunition or military stores claimed do not correspond with the description in the license, the railway authorities shall give immediate notice of the fact to the nearest Magistrate. Nothing in this rule applies to import into the district of Ajmere.

In the case of articles crossing the frontier of British India by road or river—(1) the export license must, within six days of the consignment reaching the frontier district, and before it leaves British territory, be delivered to the Magistrate of the frontier district, or other officer empowered by him on this behalf; (2) the import license must, within six days of the consignment entering British territory, be shown to the Magistrate of the frontier district, or other officer empowered by him on this behalf.

The officer to whom the transport, import, or export license, as the case may be, may be delivered, must satisfy himself that the articles correspond with the entries in the license, and that any deficiency is properly accounted for."
