“No timber or other forest produce, as defined in Section 1 of the Indian Forest Act, 1878, (Act VII of 1878), shall be carried in any coast-

ing-vessel shipped at any Customs-port or place declared under Section 12 of this Act to be a port except under a pass from a Conservator of Forests, or from some officer empowered by a Conservator of Forests, or from some person duly authorized to issue such pass, nor otherwise than in accordance with the conditions of such pass, in the manner prescribed in Rule 3 of the rules made under Section 41 of the Indian Forest Act, 1878, published in Notification No. 4133 of the 9th August 1880, at page 689 of Part I. of the *Bombay Government Gazette* of 12th August 1880."

No. 7991.—The following Resolution and Notification of the Government of India are republished:—

"DEPARTMENT OF FINANCE AND COMMERCE.

*Simla, the 10th November 1882.*

No. 4877.

RESOLUTION—By the Government of India, Department of Finance and Commerce.

Read—

A letter from the Government of Bengal to the Government of India in the Home Department, No. 872, dated the 31st May 1882, submitting for orders a proposal by the Inspector General of Police to prohibit the manufacture and importation of handkerchiefs impressed with designs in imitation of Government Currency Notes.

Read—

A letter to the Government of Bengal, No. 2071, dated the 30th June 1882, requesting that Government to point out to the Chamber of Commerce at Calcutta the fraudulent use that can be made of these handkerchiefs and the necessity which appears to exist for prohibiting the import of such articles, and to ask for the opinion of the Chamber on the subject.

Read—

An endorsement from the Government of Bengal, No. 2293, dated the 17th August 1882, submitting the opinion of the Bengal Chamber of Commerce 'that the importation of handkerchiefs impressed with designs of Government Currency Notes should be peremptorily prohibited' with an intimation that the Honourable the Lieutenant-Governor concurs in this opinion.

RESOLUTION.—In May last the Inspector General of Police, Bengal, brought to the notice of the Local Government that there had recently been an importation of gaudy coloured cotton goods on which, among other things, designs in imitation of Government Currency Notes had been impressed, and that two of these designs had been cut out and palmed off on ignorant people in Calcutta as genuine notes. It also appears that similar goods have been imported into the Bombay Presidency and other parts of India, and it is believed that designs cut from them have been used for dishonest purposes outside the presidency towns. The Governor General in Council observes that while there is doubtless no fraudulent intention on the part of the manufacturers and importers of these goods, there is evidence that the Currency Note forms impressed on them have been used in this country for fraudulent purposes.

The designs could not impose upon any person who had experience in dealing with Currency Notes; but, as the poorer and more ignorant classes of the community are very easily deceived in matters of this nature, it appears to His Excellency in Council that there is substantial risk of these imitations of Currency Notes being used to a considerable extent for purposes of deception; any such frauds might also seriously affect the confidence of the poorer classes in Currency Notes, and His Excellency in Council is, therefore, of opinion that it is necessary in the interests of the public to prohibit the importation of the goods in question. This prohibition, if carried into effect at once, would, however, render valueless goods which have been manufactured in good faith, and accordingly His Excellency in Council is pleased to decide that the prohibition shall not be brought into operation until 1st March 1883. It has also been discovered that goods of a similar nature have been imported with designs impressed upon them in imitation of Government Promissory Notes, and the prohibition will, therefore, be made to include all such goods as well as any goods on which designs in imitation of Government of India Stock Notes may be impressed.

2. The Governor General in Council would under ordinary circumstances have preferred that effect should be given to the prohibition by means of legislation; but legislation on the subject, if framed in general terms and not made applicable solely to the particular case now under consideration, would necessarily have a wider effect than the necessities of the case require, and His Excellency in Council has, therefore, decided to use the powers conferred on him by section 19 of the Sea Customs Act, 1878, for the purpose of prohibiting the import of the goods in question, and accordingly directs the publication of the annexed notification.

ORDERED, that this Resolution be published in the *Gazette of India* for general information, and that it be communicated, with a copy of the Notification, to the several Local Governments and Administrations for information and guidance.

No. 4878.

In exercise of the powers conferred by section 19 of the Sea Customs Act, 1878, the Governor General in Council is pleased to prohibit the importation into ports in British India of cotton goods impressed with designs in imitation of Currency Notes, Promissory Notes, or Stock Notes of the Government of India. This order shall come into force from the 1st of March 1883.

(Signed) D. M. BARBOUR,

Secretary to the Government of India."

Acting Secretary to Government.

JUDICIAL DEPARTMENT.

*Bombay Castle, 7th November 1882.*

No. 6969.—The following revised Rules relating to the appointment, examination, &c., of Police Probationers are published in substitution for the Rules published with Government Resolution No. 71, dated the 7th January 1882 :—

“His Excellency the Governor in Council has decided upon constituting a class of Police Probationers (the number of Probationers not to exceed ten) and has determined that on first appointment a Probationer shall receive pay at the rate of Rs. 200 per mensem without any extra allowances. He will be placed under a Police Superintendent to learn his work or prepare for his examinations. On passing the examination prescribed in No. I. of the Rules, which follow, the Probationer will receive pay at the rate of Rs. 250 per mensem without any extra allowances. He will then be required to pass the examinations prescribed in Rules IV. and VII., and if necessary those prescribed in Rules V. and XI., before he can be held permanently qualified for the duties of a Superintendent or Assistant Superintendent of Police. If appointed to such duties before passing the examinations, he will receive the ordinary travelling allowance attached thereto, but no acting allowance.

2. The seniority of Probationers will ordinarily be fixed according to priority of appointment modified by the priority of date of passing the examination prescribed in Rule No. VII. ; but Government reserve the right of drafting Military or other Officers into the higher grades of the Police, should such procedure appear desirable.

3. Service as a Probationer will not count as service towards pension.

4. The following are the Rules for the examination of Police Probationers :—

I. Every person hereafter appointed to be a Police Probationer will be required to pass, at the first examination held not less than six months after his appointment, an examination in at least one vernacular language of the Presidency (either Maráthi, Gujaráti, Sindi or Kánarese), unless he shall have previously passed such examination, and in the following subjects ;—

The Indian Penal Code.

The Criminal Procedure Code.

Act VI. of 1864.

Acts VII. and VIII. (Bombay) of 1867.

Chapters 2, 7, 9 and 10 of the Indian Evidence Act of 1872.

II. The examination will be held at the time and at the place fixed for the half-yearly Departmental Examination of Junior Civilians, and will be conducted by a Committee consisting of the Under Secretary to Government in the Judicial Department, the Oriental Translator to Government, and another member to be from time to time appointed by Government.

III. The examination in the vernacular language will be of the same nature and difficulty as the examination required to be passed by Junior Civilians before their investiture with the lowest magisterial powers. Two papers of questions in the Acts mentioned in Rule I. will be set at each examination. The questions in one paper will be taken from the Penal Code and Bombay Acts VII. and VIII. of 1867 : the other paper will consist of questions from the other Acts specified. The time allowed for each paper will be three hours. 150 marks will be allotted to each paper. No candidate will be considered to have passed who fails to obtain 60 per cent. of the aggregate number of marks for both papers, or 180 marks in all. The questions will have to be answered without the assistance of books. If a Probationer fails to pass the examination as prescribed in Rule I. he shall be liable to be removed from his appointment.

IV. A Probationer shall, within twelve months after the date on which he passed the examination prescribed in Rule I., pass before the Central Departmental Examination Committee at Bombay an examination according to the Higher Standard test in the vernacular language of the district to which he may have been appointed ; provided that if prior to his appointment he shall have passed this examination or one of equal difficulty in the language in question, he shall not be required to pass again in the same language.

V. If a Probationer after appointment is removed from a Maráthi to a Gujaráti or Kánarese District or to Sind, or *vice versa*, he shall be required to pass an examination of the nature described in Rule IV. in the vernacular language of the district to which he is transferred within one year from the date of his transfer, if prior to his transfer from the district to which he was originally appointed he shall not have passed in the language of that district an examination of the nature prescribed in Rule IV. ; but if before his removal he shall have passed the examination as directed in Rule IV. in the vernacular of the district in which he was first serving, he shall then only be required to pass within one year from the date of his transfer an examination in the vernacular

of the district to which he may be moved of a nature similar to that prescribed in the Notification of Government in the Judicial Department No. 2161, dated 12th August 1863.

VI. If a Probationer fails to pass within the specified time the examination prescribed in Rules IV. and V., he shall be permitted to present himself a second time for examination after the expiration of a further period not exceeding six months; but if within 18 months from the date of his passing the examination prescribed in Rule I., or of his transfer, he shall not have succeeded in passing the above examination, he shall be liable to be removed from his appointment.

VII. In addition to the above mentioned examination in the vernacular language, every Police Probationer shall, within twelve months of the date of his passing the examination prescribed in Rule I., pass an examination in the following Acts (and any others which may from time to time be added to the list by Government):—

The Indian Penal Code and Amending Acts.

The Code of Criminal Procedure in force for the time being.

The Evidence Act (Act I. of 1872).

The Foreign Jurisdiction and Extradition Act (Act XXI. of 1879).

The Criminal Tribes Act (Act XXVII. of 1871).

The European Vagrancy Act (Act IX. of 1874).

The Arms Act (Act XI. of 1878).

The Cattle Trespass Act (Act I. of 1871).

Act XXXVI. of 1858.

The Railway Act (Act IV. of 1879).

The Whipping Act (Act VI. of 1864).

Bombay Regulation XII. of 1827.

Bombay Acts III. and VIII. of 1866.

Bombay Acts VII. and VIII. of 1867.

VIII. Two papers of questions relating to the above Acts will be set at each examination. The questions in one of these two papers will relate solely to the Penal and Criminal Procedure Codes and the Whipping Act. The questions in the second paper will refer to the other Acts mentioned. 150 marks will be allotted for each paper of questions. No candidate will be considered to have passed who fails to obtain 60 per cent. of the aggregate number of marks for both papers, or 180 marks in all. The questions will have to be answered without the assistance of books and will be of a simple and practical character.

IX. The above examination shall be held in Bombay or Poona once in every half year on the date fixed for the Departmental Examination of Junior Civilians, and shall be conducted by the Under Secretary to Government in the Judicial Department and another officer to be from time to time appointed by Government, by whom the papers of questions shall be prepared, and with whom it shall rest to estimate the merit of the answers and to decide whether the examinee has passed.

X. If a Probationer fails to pass within the specified time the examination prescribed in Rule VII. he shall be permitted to present himself a second time for examination after the expiration of a further period of six months if he has given satisfaction and has shown such qualifications as to indicate that he is likely to prove an efficient Police Officer; but if within eighteen months of the date of his passing the examination prescribed in Rule I. he shall not have succeeded in passing the above examination, he shall be liable to be removed from his appointment.

No. 7488 of 1878.

## JUDICIAL DEPARTMENT.

Bombay Castle, 23rd December 1878.

**RESOLUTION.**—The Governor in Council has decided that Civilian officers appointed to perform the duties of Superintendents or Assistant Superintendents of Police should in future be required to pass an examination in Military Drill, as a subject additional to their Departmental Examination. The Military Department should be requested to ask His Excellency the Commander-in-Chief to co-operate in the attainment of this object by allowing these officers to be taught Drill with the Infantry Regiment or part of such Regiment stationed in their Districts, and by requiring the Commanding Officer to test and certify their proficiency.

2. In the case of officers appointed to Districts where no troops are stationed, it is probable that instruction may be obtained from a pensioned Native Officer, and if none be available the Military Department will be moved to detach a Drill Master to instruct the Superintendent or Assistant Superintendent of Police. A certificate of knowledge of Drill must be obtained from the Officer Commanding a Regiment in some neighbouring District.

No. 551 of 1879.

## JUDICIAL DEPARTMENT.

Bombay Castle, 28th January 1879.

**RESOLUTION.**—Copy of the Resolution in the Military Department should be sent to the Commissioners with an intimation that Government in the Judicial Department concur with His Excellency the Commander-in-Chief in considering that it will be sufficient to require a knowledge of squad and company drill, *i.e.*, of Parts 1 and 2 of the Field Exercise Book, 1877, from officers holding the posts of Superintendents and Assistant Superintendents of Police.

2. The proposals of the Superintendent of Police, Ahmedabad, in which the Commissioner, N. D., concurs, are approved by Government. It is very desirable that Police officers to whom the Resolution of Government in the Judicial Department, No. 7488 of 23rd December last, applies, should go through the military riding course, as it is essential that an officer serving as Superintendent or Assistant Superintendent of Police should be able to ride well. The Military Department should be requested to move His Excellency the Commander-in-Chief to issue the requisite orders for the admission to the Military Riding Schools to pass through the prescribed riding course of the officers referred to in the above Resolution. The Assistant Superintendent in the Panch Mahals would ordinarily have to pass through the riding course at Ahmedabad, whilst those in Khândesh would have to attend the Riding School at Poona or at Ahmednagar. The requisite certificates of having gone through the riding course must be obtained during the course of the current year by the officers to whom Government Resolution No. 7488 of 23rd December 1878 at present applies.

XI. A Probationer will also, before being appointed to act in the grade of Superintendent or Assistant Superintendent, be required to furnish certificates of proficiency in Drill and Equitation similar to those now required from Civilian Police Officers (*vide* Government Resolutions marginally quoted); provided that it shall be within the discretion of Government to relax this Rule for special reasons.

XII. Officers without substantive appointments in the Police Department, but who are now acting as Superintendents or Assistant Superintendents and who may be appointed to the class of Probationers, will not be required to re-pass under this Resolution any examination which they have already passed under Notification No. 3552 of 30th June 1873.

XIII. Probationers will not receive permanent appointments as Assistant Superintendents unless they have in their acting appointments proved their fitness for such employment.
