Communications from the Public Works Department, No. 80A.G., dated 2nd February 1882, and No. 109 A.G., dated 21st February 1882, forwarding returns showing European stores purchased locally and procured from England through agents in India, during the years 1879-80 and 1880-81, by the Department in the Bombay Presidency, the Punjab, and Biluchistan.

RESOLUTION.—From the returns forwarded by the Public Works Department, a list has been

prepared and is appended to this Resolution, showing articles which, on the information before the Government of India, it is possible to obtain of Indian manufacture, and His Excellency the Governor General in Council directs that in future these articles shall be procured of Indian manufacture, whenever it is possible to obtain them of quality good enough for the purposes for which they are required and at prices not higher than the cost of articles of similar quality imported from England. In no case should articles of these classes or of others which the country is capable of supplying, be indented for until careful and extended enquiry has shown that the locally manufactured articles are substantially inferior in quality to, or dearer than, similar articles supplied under indent from the Secretary of State.

2. Officers should take particular care to avoid purchasing, as articles nominally of Indian manufacture, tools and other similar articles evidently imported from Europe or America.

3. When the price at which particular articles can be obtained through the agency of the India Office is not known, reference may be made to the Director General of Railways.

ORDERED, that the foregoing Resolution be communicated to the Public Works Department and to all Local Governments and Administrations for information and guidance, and that it be published in the *Gazette of India* for general information.

TREASURY ACCOUNT DEPARTMENT.

From—The ACCOUNTANT GENERAL, BOMBAY;

To—All COMMISSIONERS, COLLECTORS and
TREASURY OFFICERS.

Bombay, dated 4th December 1882.

I have the honour to bring to your notice that it has been reported to me that some Treasury Officers afford Military Officers a receipt for the

value of service postage stamps purchased by them in the form included in “Bombay Form No. 172” (prescribed apparently by the Military Accounts Department), and a separate receipt in the form of receipt prescribed by this office; thus incurring some risk of double charges being made.

3. I beg that if this has been your practice, you will at once discontinue affording such receipts in any other form than that prescribed to you by this office; and that you will be careful, in future, not to adopt any form of voucher for moneys received or paid by you except those sanctioned by Government through this Department.

3. The Military Department will, it is understood, omit the clause for the receipt from their form, but if any are presented without this omission the words “separate receipt given” may be written across them.
