N.B.—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons at out-stations are requested in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant, the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners particularly are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind that the accuracy of the Returns depends on the correct reporting of all *single* cases, for of such only the aggregate is made up.

GENERAL DEPARTMENT.

The following Tea plantations and factories in Kumaon and the Deyrah Dhoon are offered for sale at the upset prices specified:—

1. Hawul Bagh in Kumaon, forty-six miles from the plains, and six miles from Almora. The plantations (including the two small Nurseries, viz., Kupeena and Lutchmaissur, in the immediate neighbourhood of Almora) consist of about one hundred acres of land planted with Tea. At a short distance from the plantations there is a Cheer (*Pinus longifolia*) forest of about 100 acres in extent, in which the purchaser will have the right to cut timber which is well fitted for making Tea chests, Firewood, &c.

There are on the estate three large slated houses; numerous slated offices; a large slated factory; two large slated godowns; a slated barrack for Chinese Tea manufacturers; and the stock and block of the factory are complete for Tea operations, and in working order.

2. Ayar Toli in Kutyoor, Kumaon, distant about 80 miles from the plains, and about 40 miles from Almora.

There are on the estate a slated factory; and a large slated godown; slated barracks for Chinese Tea manufacturers, &c., and the stock and block of the factory are complete for the Tea operations, and in working order.

This plantation consists of about 1,500 acres of land, of which about 360 acres are planted with Tea, two hundred acres of cleared land, fitted for Tea planting, and the remainder covered with pines, &c., forests, the timber of which is well adapted for making Tea chests, &c.

The yield of the two estates this season was lbs. 20,000 of Tea and 1,650 maunds of seeds.

These two estates will be sold in one lot in fee simple, free of all demands on account of Land Revenue, exclusive of existing local cesses, such as Road, Educational and Postal cesses, or such as may be hereafter legally imposed, at an upset price of Rs. 2,00,000 (two lakhs of rupees).

A small portion of the plantation of Ayar Toli named Bincolie, belonging to the temple of Nagnath, will bear an annual rental of Rs. 24 (twenty-four rupees) per annum.

This land is leased in perpetuity from the temple of Nagnath on this rental.

3. Kowlaghir in the Deyrah Dhoon, distant two miles to the west of the town of Deyrah. It consists of about 430 acres of land, of which about 380 acres are under cultivation with Tea, and the remainder adapted for Tea cultivation.

Through the property a branch of the Benjapore canal runs. At a short distance and to the south of the plantation there is a Forest of Syne, Jamun, &c., consisting of about 500 (five hundred) acres in which the purchaser will have the right to cut timber for Tea chests, fire-wood, charcoal, &c. The timber is well fitted for making Tea chests.

There are on the estate three bungalows; an extensive pukka Tea factory; two large pukka

godowns; a barrack for Chinese Tea manufacturers, &c.; and the stock and block of the factory are complete, and in full working order.

The yield this season was lbs. 25,099 of Tea, and 1,050 maunds of seeds.

This estate will be sold in fee simple free of all demands on account of Land Revenue, exclusive of existing local cesses for roads, &c., or such as may hereafter be legally imposed, at an upset price of Rs. 2,00,000 (two lakhs of rupees). The plantations will be transferred to the purchasers on the 1st April, 1866, on or before which date the purchase money must be paid at the General Treasury, Calcutta.

Tenders will be received by William Jameson, Esquire, Superintendent Botanical Gardens North Western Provinces, Saharunpore, until 1st March 1866, if the Factories, &c., be not previously sold by private sale, and the highest offer above the upset price will be accepted.

All tenders must be made in writing.

Every tender should be superscribed "Tender for Tea plantation," and will be registered by the Superintendent of the Botanical Gardens on the date of receipt in a book, which he will keep together with the tenders in his own custody under lock and key.

The highest registered tender at the time being, for any lot, will be communicated by the Superintendent to any enquirers up to the time of sale, but the names of the parties who have tendered shall in no case be disclosed.

The register of tenders will be examined at noon, on the 1st March 1866, by a Committee consisting of the Superintendent Botanical Gardens, the Judge, and the Collector of Saharunpore, at the Office of the Superintendent, and in the presence of all parties who may attend; and the amount of the highest tender for each lot, or, if there be more than one tender of equal amount, the number and amount of such tenders, but not the names of the parties tendering, will be publicly declared, and the highest tender, in writing, above the upset price at 4 P. On the tender being accepted by the Committee, the purchaser must deposit five per cent. of the purchase money, which will be forfeited if the amount of the purchase money be not paid in full on the date specified.

Agents must be supplied by their principals with sufficient powers of Attorney.

The above particulars are believed, in good faith to be correct, but, intending purchasers must make their own enquiries, as no reclamation can be listened to after sale.
