*N.B.*—This table is an extract from a more extensive yearly Return that is prepared for statistical purposes, and chiefly for the detection of any removable sources of disease, with a view to improving the healthiness of the Island. As the principal object cannot be fully attained unless the true causes of death be recorded, persons at out-stations are requested, in each case of death occurring in their circle, to obtain, in writing, from the Medical Attendant, the name of the fatal disease, that it may be delivered to the Policeman at the funeral place. Medical Practitioners particularly are requested to aid the registration. Blank forms of Death Reports, to keep by them in readiness, are given gratuitously on application at the Office of the Deputy Commissioner of Police.

It is thought that some withhold their assistance through the notion that reports of the single casualties coming now and then under their observation could but little affect the Returns; but it ought rather to be borne in mind that the accuracy of the Returns depends on the correct reporting of all single cases, for of such only the aggregate is made up.

The plantations (including the two small Nurseries, viz., Kupeena and Lutchnaissur, in the immediate neighbourhood of Almorah) consist of about one hundred acres of land planted with Tea. At a short distance from the plantations there is a Cheer (*Pinus longifolia*) forest of about 100 acres in extent, in which the purchaser will have the right to cut timber which is well fitted for making Tea chests, Firewood, &c.

There are on the estate three large slated houses; numerous slated offices; a large slated factory; two large slated godowns; a slated barrack for Chinese Tea manufacturers; and the stock and block of the factory are complete for Tea operations, and in working order.

2. Ayar Toli in Kutyoor, Kumaon, distant about 80 miles from the plains, and about 40 miles from Almorah.

There are on the estate a slated factory; and a large slated godown; slated barracks for Chinese Tea manufacturers, &c., and the stock and block of the factory are complete for the Tea operations, and in working order.

This plantation consists of about 1,300 acres of land, of which about 360 acres are planted with Tea, two hundred acres of cleared land, fitted for Tea planting, and the remainder covered with pine, &c., forests, the timber of which is well adapted for making Tea chests, &c.

The yield of the two estates this season was lbs. 20,000 of Tea and 1,650 maunds of seeds.

These two estates will be sold in one lot in fee simple, free of all demands on account of Land Revenue, exclusive of existing local cesses, such as Road, Educational and Postal cesses, or such as may be hereafter legally imposed, at an upset price of Rs. 2,00,000 (two lakhs of rupees).

A small portion of the plantation of Ayar Toli, named Bincolie, belonging to the temple of Nagnath, will bear an annual rental of Rs. 24 (twenty-four rupees) per annum,

This land is leased in perpetuity from the temple of Nagnath on this rental.

3. Kowlaghir in the Deyrah Dhoon, distant two miles to the west of the town of Deyrah. It consists of about 430 acres of land, of which about 380 acres are under cultivation with Tea, and the remainder adapted for Tea cultivation.

Through the property a branch of the Berjapore canal runs. At a short distance and to the south of the plantation there is a forest of Syne, Jamun, &c., consisting of about 500 (five hundred) acres, in which the purchaser will have the right to cut timber for Tea chests, fire-wood, charcoal, &c. The timber is well fitted for making Tea chests.

There are on the estate three bungalows; an extensive pukka Tea factory; two large pukka

godowns; a barrack for Chinese Tea manufacturers, &c.; and the stock and block of the factory are complete, and in full working order.

The yield this season was lbs. 25,099 of Tea, and 1,050 maunds of seeds.

This estate will be sold in fee simple free of all demands on account of Land Revenue, exclusive of existing local cesses for roads, &c., or such as may hereafter be legally imposed, at an upset price of Rs. 2,00,000 (two lakhs of rupees). The plantations will be transferred to the purchasers on the 1st April 1866, on or before which date the purchase money must be paid at the General Treasury, Calcutta.

Tenders will be received by William Jameson, Esquire, Superintendent Botanical Gardens, North Western Provinces, Saharunpore, until 1st March 1866, if the Factories, &c., be not previously sold by private sale, and the highest offer above the upset price will be accepted.

All tenders must be made in writing.

Every tender should be superscribed "Tender for Tea plantation," and will be registered by the Superintendent of the Botanical Gardens on the date of receipt in a book, which he will keep together with the tenders in his own custody under lock and key.

The highest registered tender at the time being, for any lot, will be communicated by the Superintendent to any enquirers up to the time of sale, but the names of the parties who have tendered shall in no case be disclosed.

The register of tenders will be examined at noon, on the 1st March 1866, by a Committee consisting of the Superintendent Botanical Gardens, the Judge, and the Collector of Saharunpore, at the Office of the Superintendent, and in the presence of all parties who may attend; and the amount of the highest tender for each lot, or, if there be more than one tender of equal amount, the number and amount of such tenders, but not the names of the parties tendering, will be publicly declared, and the highest tender, in writing, above the upset price, at 4 p. m., will be accepted on the part of Government by the Committee.

On the tender being accepted by the Committee, the purchaser must deposit five per cent. of the purchase money, which will be forfeited if the amount of the purchase money be not paid in full on the date specified.

Agents must be supplied by their principals with sufficient powers of attorney.

The above particulars are believed in good faith to be correct, but intending purchasers must make their own enquiries, as no reclamation can be listened to after sale.

References may be made to W. Jameson, Esquire, Superintendent Government Botanical Gardens, Saharunpore.

By order of the Honorable the Lieutenant Governor of the North Western Provinces.

Secretary to the Government of the

The Plantation is distant about 23 miles from Dhurmsalah and 22 miles from Kote Kangra. There are on the estate a large slated factory, two slated godowns, and two slated houses for Overseer and Assistant Overseer, barracks for Chinese Tea makers, &c.; and the stock and block of the Tea factory are complete for Tea operations, and in working order.

The Tea Plantation consists of 677 (six hundred and seventy-seven) acres, more or less; of which there are under cultivation with Tea about 530 (five hundred and thirty) acres; the remainder being waste or covered with Cheer (*Pinus longifolia*) but the greater portion fitted for Tea Cultivation.

At a short distance from the Plantation there is a Cheer Forest about 100 (one hundred) acres in extent, in which the purchaser will have the right of cutting timber. The wood is well adapted for making Tea chests.

The yield of the Tea Plantation may be estimated this season at lbs 33,000 (thirty three thousand) of Tea, and 1,800 (eighteen hundred) maunds of Tea Seeds. 100 (one hundred) maunds of Tea Seeds, the produce of the seasons will be given to the purchaser.

The estate will be sold in fee-simple, free of demands on account of land revenue, exclusive of all existing local cesses, such as the Road, Educational, and Postal cesses, or such as may be hereafter legally imposed, at an upset price of 2,00,000 rupees (two lakhs of rupees).

The Plantation and Factory will be transferred to the purchaser or purchasers on the 1st May 1866, on or before which date the purchase money must be paid at the General Treasury, Calcutta.

All tenders must be made in writing.

Every tender should be superscribed "Tender for Tea Plantations, Holta," and will be registered by the Superintendent Tea Plantations, Punjab, at Saharanpore, on the date of receipt, in a book which he will keep, together with the tenders in his own custody, under lock and key. The highest registered tender at the time being will be communicated by the Superintendent to any inquirers up to the time of sale, but the names of parties who have tendered shall in no cases be disclosed.

The register of tenders will be examined at noon on the 2nd April 1866, by a Committee, consisting of the Superintendent Tea Plantations and Deputy Commissioner, at the Factory, Holta, in the presence of all parties who may attend; the amount of the highest tender, or if there be more than one tender of equal amount, the number and amount of such tenders, but not the names of the parties tendering, will be publicly declared, and the highest tender in writing above the upset price at 4 p.m. will be accepted on the part of Government by the Committee.

On the tender being accepted by the Committee the purchaser must deposit five per cent. of the purchase money, which will be forfeited if the amount of the purchase money be not paid in full on the date specified. Agents must be supplied by their principals with sufficient powers of attorney.

The above particulars are believed, in good faith, to be correct, but intending purchasers must make their own inquiries, as no reclamation can be listened to after sale.
