As the Budget Estimates for the Financial year 1870-71, will shortly be under preparation, the Right Honourable the Governor in Council desires to call the attention of all officers charged with the duty of making estimates, to the importance of giving careful consideration to the requirements of their respective departments. 2. In the event of any expenditure being required in excess of the scale already sanctioned, application must now be made to Government for the necessary sanction to include, and make provision for such anticipated expenditure in the estimates.

3. All officers who are responsible for preparing these Budget Estimates must bear in mind that any carelessness or neglect now will be productive of serious inconvenience hereafter, should it be found necessary to supply omissions by applications to the Government of India for additional grants after the Budget of the Presidency has been passed by that Authority.

GENERAL DEPARTMENT.

The following Notifications by the Government of India are republished for general information:—

“The 10th September 1869.

No. 3076.—The following Resolution is published for general information:—

Read the undermentioned papers:—

Extract from an order of the Government of India in the Home Department, No. 4373, dated the 9th September 1867, to the effect that Junior Civil Servants attending examinations for prizes for the study of the Oriental languages, are not entitled to travelling allowances for the journeys to and from the places where the examinations are held.

Resolution No. 2749, passed in this Department on the 24th September 1867, ruling that the Junior Civil Servants referred to above ‘may be allowed leave on full pay for one month, and that on their passing a successful examination, they may be allowed an extension of leave on full pay for another month, and be permitted to count the period of the original leave and of the extension as service and residence, provided that the period of leave on this account, which carries pay and counts as service and residence, shall in no case exceed two months on one occasion, or twelve months in the aggregate.’

Resolution No. 1480, passed in this Department on the 12th March 1869, deciding ‘that no public officer can be permitted to draw travelling allowance, whether daily or annual, during absence on leave of any description,’ but that a Covenanted Civil Servant in Bombay may draw house-rent or tentage during absence or privilege leave, provided he places his house or tent at the disposal of his *locum tenens*, and that the *locum tenens* does not receive house-rent or tentage at the same time.

Endorsement from the Chief Secretary to the Government of Bombay, No. 691, dated the 28th May 1869, and enclosures, raising objections to the ruling of the 12th March 1869.

Letter to ditto, No. 2275, dated the 30th ultimo, in reply to the above.

Endorsement from ditto, No. 3045, dated the 27th ultimo, submitting, in continuation of the endorsement No. 691 of the 28th May 1869, a claim from Mr. H. J. Stokes, a Covenanted Civil Servant in Bombay, to the fixed travelling allowance and tentage of a First Assistant Collector during absence on leave to attend an examination for a prize in Canarese.

RESOLUTION.—The Governor General in Council is unable to sanction any modification of the resolution of the 12th March 1869; but, observing that if Junior Civil Servants who obtain prizes for the study of the Oriental languages are obliged to pay their own expenses to and from the places where the examinations are held, the value of their prizes will be considerably diminished, His Excellency in Council is pleased to rule, in supersession of the order No. 4373, passed in the Home Department on the 9th September 1867, that a Junior Civilian, who obtains a reward for proficiency in an Oriental language, shall be permitted, in addition to the reward, to draw travelling allowance at the usual rates for journeys exceeding five miles to and from the place of examination."

"No. 3338.—The introduction of the revised rules for the treatment of official correspondence, published under date the 14th June, No. 1112, with effect from the 1st October, is postponed till the 1st April 1870, the existing rules remaining in force up to the last-mentioned date.

* "Complaints against the Post Office, certified as such under the full signature and address of the sender, and addressed to any officer of the Postal Department, are not chargeable with any postage."

But the rules quoted on the margin embodied in the revised code, will have effect from the 1st October next.

(Signed) R. B. CHAPMAN,

Officiating Secretary to the Government of India."

By order,

F. S. CHAPMAN,

Chief Secretary to Government.

Bombay Castle, 18th September 1869.

POST OFFICE NOTIFICATIONS.

Changes of Address.—All communications on the subject should be made to the **POST MASTER** of Bombay, or other **POST MASTERS**, and not to the **POST MASTER GENERAL**. The name of the **Post Town** to which letters will be found addressed should be stated in the application.

Re-direction of Overland Letters.—Hitherto the Bombay Post Office has, as a favour, attended to instructions from the Public for the interception and re-direction of Overland Letters addressed to stations beyond Bombay.

2. The introduction of Sorting the Overland Mails on board Steamers between Suez and Bombay has necessitated the abandonment of this system, as time does not allow of the necessary intimation to Sea Sorters, who are also otherwise fully employed, and letters reach Bombay ready packeted for the interior.

3. Requests to intercept or redirect Overland Letters are therefore not attended to by the Bombay Post Office. Those expecting a change of residence, are recommended to have their letters consigned to some Agent in Bombay.

Complaints from Residents of Bombay requiring redress as to surcharge of postage, mis-sending, or delay in the delivery of letters, &c., should be made to the Post Master, accompanied by the envelopes of the letters referred to.

Similar complaints in the Mofussil should be made to the Inspecting Post Master of the Division, also accompanied by the envelope.

An appeal against the decision of the Post Master of Bombay, or of the Inspecting Post Master, can always be made to the Post Master General.

Overland Mails.—The Overland Mails per P. and O. Company's Steam Packets will leave Bombay every Saturday at 5 P.M. during the remaining months of the present year. The next Overland Mail will be despatched on the 25th instant.

Mail between Calcutta, the Straits, and Hongkong.—It is hereby notified for general information that under arrangements made with the owners of the Opium Steamers, which will ply monthly between Calcutta, the Straits, and Hongkong, these Steamers will in future be closed as Indian Mail Packets, and that Letters, Newspapers, and Packets of Newspapers, Books, or Patterns will be forwarded by them from Calcutta for the Straits and Hongkong under the same conditions, and at the same rates, as similar articles forwarded by British Mail Packets [Peninsular and Oriental Company]. This arrangement will commence with the first Opium Steamer which leaves Calcutta in April.

2. These Steamers leave Calcutta about 12 days more or less after each Government Opium Sale; the advertised dates of the Opium Sales for the current year (1869) being as follows:—
