*Military.*  
No. 224.

'INDIA OFFICE, London, the 25th August 1869.

To His Excellency the Right Honourable the Governor General of India in Council.

My LORD,—I transmit, for the information of your Lordship, a copy of a correspondence which has taken place respecting the measures about to be adopted for the reduction of the establishment of the non-purchase regiments of the line whilst serving in this country.

From Horse Guards, 14th April 1869.  
To ditto 18th May (323 H).  
To War Office, " (495 W).  
From ditto 24th July (Ref. No. 2076).

2. Your Lordship will observe that it has been decided that, whether there may be supernumeraries or not, promotion shall be given in the room of every officer who may retire, when the interests of any officers, late of the Indian Army, would suffer by absorption. But in the case of a death, or a casualty such as that caused by the supersession of an officer, the rule of allowing only one vacancy in two to go in the corps, which is adopted in the reduction of purchase regiments, will be applied also to the new line regiments.

I have, &c.,

No. 707 of 1869.—The following letter from the Officiating Secretary to the Government of India, dated 9th September 1869, No. 264, to the Secretary to the Government of Bombay, with accompaniments, is published for information and guidance:—

"SIR,—In reply to your letter, No. 2498, dated 8th June 1869, having reference to an inquiry whether the grain-compensation hitherto allowed to pensioners should be discontinued to those whose pensions have been increased under recent orders, I am directed to forward, for the information of the Right Honourable the Governor in Council, the annexed copy of a memorandum by the Controller General of Military Expenditure, No. 205U, dated 9th August 1869, and to state that the Government of India entirely concurs in the views therein expressed, and accordingly request that the compensation be not allowed except in the two cases named therein, if any instances occur during the period such compensation is allowed.

I am,

(Signed) H. K. BURNE, Colonel.

FORT WILLIAM; the 9th September 1869.

Officiating Secretary to the Government of India.

MEMORANDUM NO. 205U.

Papers received with case 2 of schedule No. 43, dated 22nd June last, are herewith returned.

2. The question under reference is, whether the grain compensation hitherto allowed in the Bombay Presidency to Pensioners of the Army, Warrant, and Subordinate Medical Department  
\* G. G. O. No. 60 of 22nd January 1868. should be discontinued to those whose pensions have been increased under  
" 559 of 5th June 1868. the operation of recent orders.\*  
" 353 of 23rd March 1869.

3. This compensation, which was solely allowed on account of the enhanced cost of food, was intended to lighten the pressure from that cause, which was more particularly felt by those on limited means; but the undersigned considers that the concession ought to, and he understood that it would, cease with the grant of increased allowances exceeding or equalling the amount of their former aggregate receipts, including grain compensation.

4. This is precisely the principle on which grain compensation given to establishments has been gradually absorbed in the amount of increased salaries subsequently allowed to them, and as the recent increased rates of salaries and pensions to the Army, Warrant, and Medical Subordinate Departments were sanctioned with due regard to one and the same object, viz., the increased expense of living generally, the undersigned is of opinion that there is no valid reason why Pensioners should be treated differently from establishments in the matter of compensation, which was granted to both, under precisely similar circumstances, and according to a uniform scale of percentages on the amounts at the time of their salaries and pensions.

5. In annexing a statement showing the aggregate receipts of the several Warrant grades under the present and former rates of invalid and widows' pensions with the addition to the previous rates of grain compensation, the undersigned would invite attention to the fact that the present rates of pensions are generally considerably in excess of the previous aggregate receipts, including grain compensation, except in the cases of the invalid pension of Assistant and 2nd Class Apothecaries, the differences in these exceptional instances being noted in margin, for facility of reference. Retiring pensions being drawn at home are not included in the annexed statement.

Pensions and Grades.	FORMER AGGREGATE RECEIPTS.			Present rates of pension.	Excess of former aggregate receipts over present rates per mens.
	Amount of pension.	Grain compensation.	Total.		
Invalid pension of 2nd Class Apothecary.	80 7 2	8 0 8 $\frac{1}{2}$	88 7 10 $\frac{1}{2}$	85 0 0	3 7 10 $\frac{1}{2}$
Invalid pension of Assistant Apothecary.	40 0 0	6 0 0	46 0 0	40 0 0	6 0 0

6. It may, however, be observed that in almost every case the retiring pensions would be payable at home, and would not, therefore, be affected by the question of grain compensation, but in the two instances of invalid pension, the difference between the present rates and the aggregate receipts under the old rates, with the addition of grain compensation, would be admissible; if any instances of such pension should occur during the period, the grain compensation is allowed.

## POST OFFICE NOTIFICATIONS.

**Changes of Address.**—All communications on the subject should be made to the **POST MASTER** of Bombay, or other **POST MASTERS**, and not to the **POST MASTER GENERAL**. The name of the Post Town to which letters will be found addressed should be stated in the application.

**Re-direction of Overland Letters.**—Hitherto the Bombay Post Office has, as a favour, attended to instructions from the Public for the interception and re-direction of Overland Letters addressed to stations beyond Bombay.

2. The introduction of Sorting the Overland Mails on board Steamers between Suez and Bombay has necessitated the abandonment of this system, as time does not allow of the necessary intimation to Sea Sorters, who are also otherwise fully employed, and letters reach Bombay ready packeted for the interior.

3. Requests to intercept or redirect Overland Letters are therefore not attended to by the Bombay Post Office. Those expecting a change of residence, are recommended to have their letters consigned to some Agent in Bombay.

**Complaints** from Residents of Bombay requiring redress as to surcharge of postage, mis-sending, or delay in the delivery of letters, &c., should be made to the Post Master, accompanied by the envelopes of the letters referred to.

Similar complaints in the Mofussil should be made to the Inspecting Post Master of the Division, also accompanied by the envelope.

An appeal against the decision of the Post Master of Bombay, or of the Inspecting Post Master, can always be made to the Post Master General.

**Complaints against the Post Office.**—From the 1st proximo, complaints against the Post Office, certified as such under the full signature and address of the sender, and addressed to any officer of the Postal Department, will not be chargeable with any postage.

**Overland Mails.**—The Overland Mails per P. and O. Company's Steam Packets will leave Bombay every Saturday at 5 P.M. during the remaining months of the present year.

The Mails close at the General Post Office at 2 P.M.

After-Packet Letters are not forwarded unless an 8-anna stamp is affixed to the letter in addition to the postage.

Registered Letters are received until 1 P.M.

The latest hour for posting Overland Covers at the several Branch Post Offices is 1 P.M.

**Late Letters for the Overland Mails.**—Independently of the After-Packet which is kept open at the General Post Office till 3 P.M., late letters for the English Mail will be taken at the Pier Post Office from 2 P.M., and as late as 4-30 P.M. The full postage, including the usual fee of 8 annas, must be prepaid on each cover.

This arrangement will commence with the first Opium Steamer which leaves Calcutta in April.

4. The Opium Steamers proceed from Calcutta direct to the Straits and thence to Hongkong, and the time of transit from Calcutta to Hongkong is only about 15 days, that is about 7 days less than the time taken by the British Packets [Peninsular and Oriental Company], which proceed by the more circuitous route of Madras and Galle.

**Banghy Parcels.**—As a precaution against damage by wet, the public are recommended to secure by outer wax-cloth coverings all parcels or book packets posted in the monsoon.

**Postage Stamps cut from Envelopes or Notepaper not to be recognized in payment of Postage.**—The Governor General in Council is pleased, under Section 36 of Act XIV. of 1866, to order that Postage Stamps, impressed on Envelopes or Notepaper, shall not be recognized in payment of postage when cut or otherwise detached from the envelopes or paper on which they were impressed.

**Mails for Mauritius, Reunion, &c.**—In consequence of the alteration of the dates of departure of the French Mail Packets from Aden to Mauritius, the Mails for Mauritius, Reunion, &c., will be forwarded on the following dates from Bombay to Aden, to be thence conveyed by the above-named Packets to destination:—
