Dear All,

We have organised the 'Hertie Governance Cafe' in collaboration with the [Hertie School](#) and [CPC Analytics](#). This cafe is a structured, informal conversation with the students, PhD scholars, students and faculty members of Gokhale Institute on **19th January, between 2 pm to 3 pm.**

The discussants are:

1. [Mark Halleberg](#), Professor of Public Management and Political Economy
2. [Vijayendra Rao](#), Lead Economist World Bank

The theme of this discussion broadly revolves around:

1. The Evolution of Data in Policy Making
2. Ethical Considerations in Policy-related Data?
3. Data for Impact Assessment
4. Interdisciplinary Approach in Teaching
5. Skills for Future Leaders in Policy Making

We look forward to your presence.

Please register yourselves [here](#).
